specializing in agricultural and home economics was created jointly by the U.S. Department of Agriculture. Agents to assist farmers and homemakers are stationed in every Tennessee county. District Offices are maintained at Chattanooga, Cookeville, Jackson, Knoxville, and Nashville. Division of Continuing Education, which serves in non-agricultural areas of education. The Division's statewide services are effectuated through its Center for Extended Learning, Human Services, Library Services, Radio Services, Teaching Materials Center, and Television Services. Division of Continuing Education, Knoxville, extends academic programs and services from UTC to persons throughout the state through its Evening School, Off-Campus Credit Programs, Workshops and Non-Credit Programs, and Office of Conferences and Institutes. The Division utilizes services of the Statewide Division of Continuing Education and cooperates with all other campuses of the University in statewide extension activities. \[...\]

**Physical Facilities of the University**

The University of Tennessee's physical plant — its land, buildings, and equipment — has a book value in excess of $372,791,000. A total of 160,827,491 acres of land, more than $62,618,000 worth of equipment, about $11,000,000 worth of books, and hundreds of small buildings and miscellaneous items constitute the physical plant.

The Knoxville campus is valued at approximately $153,729,000 and the Memorial Research Center and Hospital at $16,829,000. Facilities of the Center for the Health Sciences at Memphis are valued at approximately $43,756,000; the Martin campus, $37,100,000; the Chattanooga campus, $30,100,000; and the Nashville campus, $5,130,000. Facilities at the Tullahoma Space Institute are valued at $3,208,000. Experimental farms, livestock, and other facilities throughout the state have a value of $6,182,000.

Both of the main campus and agriculture campus at Knoxville are shown on the map printed in this catalog. A map of the state showing locations of the University's academic programs and other physical facilities is located on page 9. Maps or aerial photographs showing buildings on the Center for the Health Sciences campus at Memphis and the Martin and Chattanooga campuses are printed in the catalogs issued by those units of the University.

**Historical Background**

The University of Tennessee traces its origin back to the days when George Washington was President of the United States, to the days even before Tennessee became a state. In 1794, two years before statehood was achieved, the Legislature of the Federal Territory which later became Tennessee granted a charter to Blount College, the earliest predecessor of the University at Knoxville. Blount College was named in honor of William Blount, Governor of the Territory, and was located near the center of Knoxville's present business district.

With its founding as Blount College, the University is listed as one of the older institutions of higher education in the nation. Blount College also had other unusual qualities. It was strictly nonsectarian in character, which was unique among institutions of higher education in that day. The institution has remained non-denominational to the present time and is said to be the oldest such institution west of the Appalachian Divide. Blount College for a few years admitted women as students, thus becoming the first co-educational college in the United States, though it admitted its co-eds studied in a sub-collegiate department. The institution later restricted enrollment to men, but reverted to its present co-educational status in 1892.

In 1807 the institution began to widen the scope of its service area. During that year the State Legislature changed the institution's name to "East Tennessee College" and made it the recipient of one-half of the proceeds of the sale of public lands. The sale of public lands, one in East and the other in Middle Tennessee, and the proceeds from the sales of the first 50 years of the state's history have provided substantial funds for the operation of the University. When the institution opened its doors in the fall of 1807, it enrolled 18 students, who were housed in the original buildings used in the fall of 1806. The buildings were used as a hospital for Confederate troops and were later occupied by Union troops. After the war East Tennessee University opened again, and from that time to the present it has enjoyed its most significant advances.

In 1869 East Tennessee University was selected by the State Legislature as Tennessee's Federal Land-Grant Institution, under terms of the Morrill Act passed by Congress in 1862. This selection meant the establishment of an Agricultural and Mechanical College as part of the University, supported by an endowment resulting from the sale of land warrants received by Tennessee from the Federal Government.

Thus the efforts of the institution to broaden its offerings from a college to a true university were given a tremendous boost.

Ten years later, in 1879, East Tennessee University was chosen by the State Legislature as Tennessee's State University, and its name was changed to "University of Tennessee." By this act the University became pledged to the service and interest of the entire state, the head and an integral part of the public education system. By this act the University took on its own name and reputation and promised the institution a future in keeping with the prestige of the state.

Since its establishment, the University has grown into an institution consisting of twenty-three different colleges and schools, and it has become statewide in its physical location as well as its services. The Center for the Health Sciences, founded in Nashville and taken over by the University in 1879, was moved to Memphis in 1911. The Martin campus was established in 1900 as a private institution, Hali-Moody Junior College, and it became a part of The University of Tennessee in 1927. The School of Social Work at Nashville became part of the University in 1951. A fourth primary campus was established at Chattanooga in 1969 with the merger of the University of Chattanooga. In 1971 the University's Nashville Center, established in 1947, was made the fifth primary campus. Down through the years Agricultural Experiment Stations were established at Jackson, Spring Hill (Columbia), Springfield, Lewisburg, Crossville, Wartburg, Oak Ridge, Greeneville, and Grand Junction. The system Division of Continuing Education coordinates all continuing education programs offered by the five primary campuses, and the Division of Continuing Education, Knoxville, conducts evening classes, conferences, and institutes for the Knoxville campus. The Agricultural Extension Service has district offices at Jackson, Nashville, Cookeville, Chattanooga, and Knoxville and has agricultural extension leaders and agents in every one of Tennessee's ninety-five counties.

In 1968 the Board of Trustees reorganized the institution into a university system, giving a central administrative staff responsibility for the entire statewide functions of the University, and establishing the University's vice presidents on the primary campuses, responsible for their respective campuses.

State Legislatures and Governors of Tennessee, particularly those of the past half century, have shown an active interest in the development of The University of Tennessee. As a result, the University has been able to broaden and strengthen its programs to meet the educational and research needs of the people of Tennessee and has become one of the leading institutions of higher education in the nation — an institution with international prestige.

**Academic Policies and Costs**

*Any and all course offerings, academic requirements, and other information contained in this publication are subject to change and/or revocation without notice. See page 2 for sources of current information.*

**Admission to the University of Tennessee, Knoxville**

Applications, credentials, and inquiries should be directed as follows:

For admission to all undergraduate programs, including the University Evening School:

Director of Admissions
The University of Tennessee
Knoxville, Tennessee 37916
(615) 974-2184
For re-admission of former undergraduate students.
The Director of Admissions
The University of Tennessee
Knoxville, Tennessee 37916

For admission to the College of Law (see College of Law Bulletin for information on admission to the College of Law): Dean, College of Law
The University of Tennessee
Knoxville, Tennessee 37916

For admission to the Graduate School (see Graduate School Catalog for information on admission to the Graduate School):
Graduate School
The University of Tennessee
Knoxville, Tennessee 37916
(615) 974-3251

For admission to the Colleges of Basic Medical Sciences, Dentistry, Medicine, Nursing (except Knoxville School of Nursing), and Pharmacy, and programs in the allied health professions, administered by the College of Health Sciences:
Director of Admissions
The University of Tennessee
Center for the Health Sciences
62 South Dunlap
Memphis, Tennessee 38103

Deadlines for Applications:
Applications for undergraduate admission and all supporting credentials must be received by the Director of Admissions no later than August 1 for Fall Quarter admission, and no later than three weeks before the start of classes for admission to any other quarter, except as noted below.

Applications for Veterinary Medicine must be received by the Director of Admissions by February 1 for admission into the Fall Quarter. Applications for the School of Architecture must be received no later than March 1 for admission to the Summer and Fall Quarters. Selection will be made by March 15.

November 1 is the deadline for applications for the Spring Quarter. Applications for the School of Nursing must be received by March 1. Selection will be made by March 15.

Former students who have been dropped from the University for academic deficiency or disciplinary reasons must apply for readmission to the Director of Admissions no later than six weeks before the start of classes of the quarter the student wishes to enter.

Undergraduate Admissions Requirements:
Applicants for undergraduate admission to the University must meet the following:
1. General requirements as indicated below.
2. Requirements for the applicant's specific admissions category as shown in Table I, and
3. Requirements of the academic college or school the applicant seeks to enter as shown in Table II.

ACADEMIC CREDENTIALS:
Freshman Applicants — Transcript of high school credits and score report of the American College Testing Program (ACT). These should be received at the University preferably in the fall of the senior year; a supplementary high school credit sheet of final senior grades should be sent after graduation.

ACT composite scores are administered five times each year: in October, December, February, April, and July. Scores reports must be sent directly from ACT to the University. Information concerning ACT may be obtained from the Office of School Guidance Counselors or by writing American College Testing Programs, P.O. Box 168, Iowa City, Iowa 52240.

Transfer Applicants — Complete transcripts of all college work at each college or university attended.

EVIDENCE OF GOOD CHARACTER:
Freshman Applicants — Recommendation of high school principal.

Transfer Applicants — Character report from college student personnel officer(s).

AMERICAN HISTORY:
All Applicants — Effective July 1, 1978 and afterwards, all students receiving a bachelor's degree must have completed one of the following courses of American history at the high school level or nine quarter hours of college-level American history in order to receive a bachelor's degree as required by the General Assembly of the State of Tennessee.

Residency:
Students are classified as in-state or out-of-state for the purpose of determining fees and tuition on the basis of regulations established by the Board of Trustees. Basically, these regulations state that:
1. Students receiving support from their parents who are residents of the same state as their parents, and (2) students independent of parental support may establish Tennessee residency for fee purposes by producing evidence of domicile to the University's satisfaction, proving that they came to Tennessee for reasons other than obtaining an education or for the purpose of students or their spouses.

A student's residency classification for fee purposes determines whether the student will be considered under in-state or out-of-state residence requirements. Children of alumni and scholarship recipients are admitted under the same requirements as in-state students, even though they may be required to pay out-of-state tuition. Inquiries concerning residency should be addressed to the Director of Admissions.

Admission to the University's professional programs (health professions [see p. 161], law, etc.) is becoming increasingly restricted to Tennessee residents. An out-of-state student completing a pre-professional program at the University of Tennessee, Knoxville does not gain preferential priority in admission to a professional program.

<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>FRESHMAN In-State</td>
<td>Graduation from an approved high school; completion of all high school units required for the program student seeks to enter, as specified in Table II; applicants not having a high school grade point average of at least 2.25 nor an ACT composite score of at least 17 will be assigned a special adviser. ACT score report is required for counseling and advisement.</td>
</tr>
<tr>
<td>FRESHMAN Out-of-State</td>
<td>Same as for in-state freshman except that applicants from states in the region served by the Southern Association of Colleges and Schools, and from Arkansas, must have minimum high school grade point average at least 2.25 and ACT composite score at least 18. Applicants from other states must have high school grade point average at least 2.25 and ACT composite score at least 20.</td>
</tr>
<tr>
<td>FRESHMAN — GED</td>
<td>Applicant’s high school class must have graduated; must be at least 18 years old; average standard score of at least 50 on the high school level General Education Development Tests, completion of high school units required for the program student seeks to enter, as specified in Table II.</td>
</tr>
<tr>
<td>FRESHMAN — EARLY ADMISSION</td>
<td>Completion of junior year in high school; completion of high school units required for the program student seeks to enter; high school grade point average at least 3.50 and ACT scores at or above the 95th percentile for University of Tennessee freshmen; nomination by the student’s high school principal and consent of parents; review and approval by the Director of Admissions.</td>
</tr>
<tr>
<td>TRANSFER In-State</td>
<td>At least 12 hours of college credit work at an accredited institution of higher learning; honorable dismissal from all such institutions attended; grade point average on all college work attempted, at least the minimum that the University of Tennessee requires of its own students for readmission (see Undergraduate Academic Continuation, page 18 of this catalog).</td>
</tr>
<tr>
<td>TRANSFER Out-of-State</td>
<td>Same as for in-state transfer applicants except that grade point average on all college work must be at least 2.00 to be eligible for consideration. Eligible students will be screened by the Committee on Admissions for final decision.</td>
</tr>
<tr>
<td>SPECIAL STUDENT</td>
<td>Applicant’s high school class must have graduated; may not be candidate for bachelor’s degree; must show satisfactory evidence of preparation for courses attempted. Special students may accumulate no more than 90 hours of college credit toward a degree (including any previous college work). To enroll in a degree program, a special student must meet transfer admissions requirements. Former University of Tennessee students may not be admitted as special students unless they have already earned a bachelor’s degree.</td>
</tr>
</tbody>
</table>

1 Grade point averages are expressed on a 4.00 scale.
2 Transfer applicants for the School of Architecture must have a college grade point average of 2.30. Transfer applicants for the College of Communications must have an average of at least 2.00. Transfer applicants who have attempted at least 36 quarter hours of college work must have grade point averages of at least 2.00 for admission to the College of Education, the College of Business Administration or the College of Home Economics.

</table>
be sent by Educational Testing Service to the Director of Admissions. Final consideration cannot be granted until test results are received by the Director of Admissions.

Note: All international students whose native language is not English must also take an English Proficiency Examination after they arrive at the University. Students will be placed in appropriate English courses based on the results of this examination.

Advanced Standing by Examination

Students at The University of Tennessee, Knoxville may accelerate their programs through credit by examination. To receive such credit, a student must be regularly enrolled at the Knoxville campus.

ADVANCED PLACEMENT EXAMINATIONS

Students who satisfactorily pass Advanced Placement Examinations prepared and administered under the auspices of the College Entrance Examination Board are eligible to receive credit in courses offered by the College of Liberal Arts on the basis of such tests. In each case the final decision as to whether or not credit is to be given on this basis rests with the appropriate department, and the determination of the number of credit hours and the specific courses for which such examinations are to be taken as evidence of acceptable proficiency.

Participating courses include Botany, Chemistry, Classical Languages, English, German, History, Mathematics, Physics, Romance Languages, and Zoology.

PROFICIENCY EXAMINATIONS

Proficiency examinations for advanced standing are offered in the colleges of Agriculture, Business Administration, Education, Engineering, Liberal Arts, and Home Economics, and in the School of Nursing (Knoxville). A student may obtain the privilege of taking proficiency examinations on recommendation of the head of the department and approval of the Registrar. See additional discussion on page 19.

Additional Requirements for Registration of Admitted Students

EVIDENCE OF GOOD HEALTH

(1) Physical examination by a licensed physician, (2) tetanus immunization which is up-to-date, and (3) chest X-ray or tuberculin test. These requirements exist for the protection of all students. They are to be completed and approved by the applicant’s doctor on the physical examination form which is sent to admitted students. This form must be returned to the Student Health Service before enrolment.

PARTICIPATION IN ORIENTATION

Beginning freshman and transfer students are required to attend an orientation session prior to their first registration at the University. Schedules for these programs are mailed to admitted students by the Dean of Student Conduct and Orientation. Orientation programs are designed to help new students become acquainted with opportunities and services at the University, and to provide information needed for registration.

Faculty Advising

Once students are admitted, the University accepts certain responsibilities for their guidance and placement in order that they may secure the greatest benefit from their university work. At registration each student is assigned to a member of the faculty, who acts as the student’s adviser. The duties of the adviser are to assist the student in selecting subjects to ensure the best use of education, and to aid the student in interpreting the University’s requirements. The responsibility for the selection of courses rests, in the final analysis, upon the student, and it is not the province of the adviser to refuse approval of a course which the student elects. Similarly, it is the full responsibility of all students to meet the requirements of their courses of study in their proper order, so that they may not in the senior year find themselves ineligible for graduation. At the opening of each quarter students are urged to consult their advisers concerning their choice of studies. They are also urged to confer with their advisers frequently during each quarter. Students also have the privilege of consulting with the Dean of their college. All beginning students, and former students whose grade point averages are below 2.0 must obtain adviser approval of their course selections at registration.

The Colleges of Business Administration, Education, and Liberal Arts have established advising centers where students may go at any time for advice on academic matters.

The Student Counseling Center, Temple Court, is available to any student desiring help with individual or personal problems. Facilities are also available for improving reading skills and study habits. Students may go to the Center themselves or they may be referred by members of the faculty.

SENATE BILL 1445

Persons sixty years of age or older, who are domiciled in Tennessee, may audit courses without payment of course fees if space is available in the individual class.

Interests persons should inquire at The University Evening School Office during regular office hours.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

This act provides for confidentiality of student records; however, it also provides for basic identification of people at UTK without the consent of the individual. Release of information to third parties includes directory information, such as contained in the campus telephone book and sports brochures. Such information includes name, address, telephone number, date and place of birth, major, dates of attendance, degree and awards, the most recent previous educational agency or institution attended, participation in school activities and sports, and weight and height (for special activities).

Public notice of the categories to be contained in a directory is given, and a period of one week is provided during which a student may request that such information not be released.

TITLe IX

The University of Tennessee does not discriminate on the basis of sex in the education programs and activities which it operates, pursuant to the requirements of Title IX of the Education Amendments of 1972, Pub. L. 92-318.

This policy extends to both employment and admission to the University.

Inquiries concerning Title IX should be directed to the Office of the Vice Chancellor for Planning and Administration, Room 506, Andy Holt Tower, 974-4391. Charges of violation of the above policy should also be directed to the Office of the Vice Chancellor for Planning and Administration.

General Academic Regulations

Credit Hours, Grades, and Grade Point Average

The basic unit of credit at The University of Tennessee, Knoxville, is the quarter hour. This normally represents one hour of lecture or recitation or two hours of laboratory work per week. Each course at the University carries a number of quarter hours of credit specified in the course description. At the completion of each course, a student will be assigned a grade reflecting the student’s performance in the course. Passing grades normally carry with them a certain number of quality points per quarter hour of credit in the course. A student’s grade point average is obtained by dividing the total number of quality points the student has accumulated by the total number of quarter hours the student has attempted, not including hours for which grades of N, NC, NG, P, S, SI, and W have been received.

Undergraduate students are graded on the following scale: Quality Points

<table>
<thead>
<tr>
<th>Grade</th>
<th>Performance</th>
<th>Per Quarter Hour</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Superior</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Below Average</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>0</td>
</tr>
</tbody>
</table>

Graduate students taking courses for graduate credit may also receive grades of B + (3.5 quality points per quarter hour of credit) and C + (2.5 quality points per quarter hour of credit). This applies to non-graduate students approved to take graduate courses.

S/NC carries credit hours, but no quality point value. “S” is equivalent to “B” or better, and “NC” means no credit earned. “NC” grades may be repeated for an “S”. S/NC is used for courses which culminate in a thesis, dissertation, or preliminary examination.

The “N” grade takes on the value of the “S” when the thesis or dissertation is accepted by the Graduate School. The number of S/NC courses to be allowed in a student’s program of study shall be limited to 1/4 of the course work hours required (excluding thesis or dissertation) in a program. (This would be 11 hours in a 45 hour masters thesis program or 12 hours in a 48 hour non-thesis program or 18 hours in a 72 hour doctoral program.)

Law students are graded on a numerical scale from 0.0 to 4.0. Quality points per quarter hour of credit in a given course are equal to the numerical grade received in the course. Grades of 0.5 and below count as failure. Some courses are graded on an S/NC basis.

TEMPORARY GRADES

A student receiving a grade of I or S

Quality Points
should arrange with the teacher to take whatever action is needed to remove the grade at the earliest possible date, and in any event, within two weeks after the course was attempted. A student need not be enrolled at the University to remove a temporary grade. E (conditional failure) was assigned to a student whose work was unsatisfactory but who, in the teacher's judgement, could remove the deficiency without repeating the entire course.

I (incomplete) is assigned to a student whose work is satisfactory but who has not completed a course. A student may request a temporary grade of I when he is unable to complete a course in the time allowed but when it is certain that he will make up the deficiency. A student who has been given a grade of I may have the deficiency removed and receive a better grade if he receives a satisfactory grade in the course before the end of the next academic year. If, however, the deficiency is not removed within two years after the I is assigned, the grade of I will automatically become F.

S (satisfactory) is assigned to a student whose work is satisfactory but who has not completed a laboratory, shop, or other parallel exercise. The I carries no quality points and counts as a failure in the computation of grade point average until removed. The grade of I may also be assigned by any faculty member to students who appear to be deficient in their usage of English in the course, but otherwise passing; the grade of I is removed when the Committee on Student English certifies to the instructor that the student has made the necessary improvements.

S (satisfactory) is assigned when the work is satisfactory with a grade of A, B, C, or D. If the grade is not computed in the average, the grade of S is awarded only in courses where S/N grading has been elected. The grade of S for incomplete work is recorded as an SI, which is not computed in the average.

X (absence) indicated that a student, otherwise passing, was absent from the final examination. This grade was permitted to be removed, within two weeks after the examination the next time the course was offered or at the convenience of the instructor.

GRADES THAT DO NOT INFLUENCE GRADE POINT AVERAGE
The grades of N, NG, P, and W carry no quality points, but hours on which these grades are earned are not counted in computing a student's grade point average. Hence these grades have no effect on grade point average.

N (no progress) indicated lack of progress on an intermediate quarter of a course approved by the Undergraduate Council or Graduate Council to extend beyond one quarter (see P below). At the end of the intermediate quarter, the final grade and the total credit hours were recorded for the course. The grade of N is now used to indicate lack of progress on a graduate thesis or dissertation.

NG (no grade) indicated failure to complete a course satisfactorily when taken on an S/N basis.

P (pass) designated a passing grade without further indication of performance level. It was awarded to students who took courses on a pass-fail or pass-no grade basis. The grade of P also indicated satisfactory performance on an intermediate quarter of a course approved by the Undergraduate Council or Graduate Council to extend beyond one quarter, as with the grade of N above. Finally, the grade of P was to indicate progress on a graduate thesis or dissertation.

S (satisfactory) is assigned for C or better work when a course is taken on an S/N grading basis. For graduate credit, S indicates B or better work.

SI (incomplete) is assigned in S/N grading when the criteria above are met.

W (withdrawal) is assigned in courses from which a student has officially withdrawn. Regulations concerning withdrawal from courses of from the University appear in the following sections of this catalog, entitled “Changes in Registration.”

SATISFACTORY/NO CREDIT GRADING SYSTEM
The purpose of this system is to encourage the student to venture beyond the limits of those courses which he usually does well and, motivated by his own intellectual curiosity, explore subject matter in which performance may be somewhat less outstanding than work in preferred subject fields. To this end a Satisfactory/No Credit (S/NC) system of grading has been developed for undergraduate courses (1000, 2000, 3000, and 4000 level courses). Neither grade is counted in a student's grade point average but, like all other grades, is entered on the permanent record. S is given for C or better work on the traditional grading scale and NC is given for less than C work. The student only receives the course credit if S is received. A student may not repeat a course for S/NC if the student received a conventional grade (A, B, C, D, or F).

The instructor of a conventionally graded course will not be listed as which students, if any, has elected S/NC grading. If the student elects nonconventional grading, the computer converts an A, B, or C to an S and a D or F to NC. The grade of I for incomplete work will be recorded as an SI, which will not be computed in the average. A student is permitted to change the system of grading in a course through the add deadline. The grade W will be applied in the same manner for either a regular grading system or S/NC grading. The changing of an S/NC grade to a regular letter grade or vice versa is not permitted unless a bona fide error is determined by the instructor.

REPEATING COURSES
When a course is repeated the last grade only is counted in computing the grade point average. All grades are entered on the permanent record. A student may not repeat a course more than twice in order to obtain a better grade.

GRADUATING SENIOR PRIVILEGES
A senior who fails one subject during the quarter of intended graduation has the privilege of standing an examination in that subject at the beginning of or during the next quarter, and, if successful, receiving the degree at the next commencement. A senior who receives the grade of I in any subject will on request to the instructor, be given the opportunity to remove the deficiency before the close of the quarter, but not later than the last day before commencement, providing that successfully passing these courses will make him/her eligible for graduation.

FRESHMAN ENGLISH
English 1510-20 and English 1518-28 are offered on a grade system of A, B, C or No Credit.

ENGLISH PROFICIENCY
Students are expected to maintain a satisfactory standard of oral and written English throughout their college programs. Any student may be reported by a member of the faculty for remediation in English, and, if found deficient by the Committee on Student English, be required to take without credit such further work as the Committee may direct. To facilitate the reporting of students deficient in English, faculty members may simply check the column headed “English” on the quarterly grade sheets. A student checked by any faculty member will be required to remedy the deficiency within the Writing Laboratory. Remedial work in the laboratory shall be started as soon as possible after the student has been notified of his deficiency and shall continue until the student’s performance in English has been declared satisfactory by the laboratory instructor, or both.

Changes in Registration
Mid-Term is an announced date midway between the beginning and ending days of classes each quarter or session (35 calendar days after the beginning of classes, except for summer sessions). Prior to Mid-Term undergraduate students may withdraw from courses as specified below. Providing space is available and prior to the third meeting of the class, students may add courses without the permission of the head of the department offering the course, or the instructor whose section the student wishes to enter. Students may not add courses after the second meeting of a class without permission of the course and the dean of the college in which the student is enrolled. All change of sections must be approved by the department head or the instructor of the class the student wishes to enter.

All official withdrawals from the University are made through the Office of Special Services. It is important that all students who leave the University prior to the completion of a quarter report their withdrawal to this office.

Withdrawing from University before Mid-Term (35 calendar days). If an undergraduate student officially withdraws from the University before Mid-Term (for summer quarter drop deadlines, see summer quarter timetable), the grade of W will be recorded in all courses in which the student is currently enrolled. In cases of withdrawal prior to Mid-Term, the Office of Special Services will verify the date of withdrawal to the Registrar, who will then inform the instructors that the grade in those courses is automatically W. Graduate students should consult the Graduate School Catalog for regulations concerning withdrawal from the University.

Dropping Courses Before Mid-Term (35 calendar days). A course may be dropped with a W (with the exception of the first five days of the quarter). To withdraw, the student mustconsult the Academic Catalog; the instructor's or the advisor's permission is required. A course dropped during the first five calendar days of the quarter is not recorded and the student will not appear on the student's permanent record.

Graduate students should consult the Graduate School Catalog for regulations concerning the dropping of courses.

Dropping Courses or Withdrawing from the University after Mid-Term (35 calendar days)
days). An undergraduate student withdrawing from a course, or from the University, after Mid-Term will receive the grade of "F" unless it can be clearly demonstrated that one of the following conditions exists:

a. illness or injury of the student as verified by the student health service or private physician;

b. serious personal or family problems as verified by the student's parents, minister, physician, etc.;

c. necessary change in work schedule as verified by the student's employer;

d. change of major or a program in which the course that the student wishes to drop would not normally be used in satisfying degree requirements. Acceptance of the student into the new program should be verified by the dean of the college administering the program;

e. financial inability to continue at the University, or;

f. call to active military service.

A student will not be permitted to drop a course after mid-term simply to avoid a poor grade.

A student wishing to withdraw from a course, or from the University after the withdrawal deadline, must present a request, together with evidence of extenuating circumstances, to the Office of Special Services. If the request is approved, this office will notify the Registrar, who will enter the grade(s) of "W" on the student's permanent record.

Graduate students should consult the Graduate School Catalog for regulations concerning the dropping of courses and withdrawal from the University.

### Course Numbers and Levels

Each course offered by the University is identified by the name of the department offering the course and a four-digit course number. These numbers indicate course level, as follows.

<table>
<thead>
<tr>
<th>Course Numbers</th>
<th>Level</th>
</tr>
</thead>
<tbody>
<tr>
<td>0000-0999</td>
<td>Non-credit, preparatory</td>
</tr>
<tr>
<td>1000-2999</td>
<td>Lower division — primarily for freshmen and sophomores</td>
</tr>
<tr>
<td>3000-4999</td>
<td>Upper division — primarily for juniors and seniors; usually available for graduate credit: when taken for graduate credit, the letter &quot;G&quot; will precede the course credit hours on the grade report.</td>
</tr>
<tr>
<td>5000-5999</td>
<td>Graduate; sometimes available for undergraduate credit: when taken for undergraduate credit, the letter &quot;U&quot; will precede the course credit hours on the grade report.</td>
</tr>
<tr>
<td>6000-6999</td>
<td>Advanced graduate; open to graduate students only.</td>
</tr>
<tr>
<td>8000-8999</td>
<td>Veterinary Medicine; Law; occasionally open to other qualified students.</td>
</tr>
</tbody>
</table>

To be eligible for upper-division work a student must have attained junior (third-year) status, as defined in the following section, unless approval is granted by the dean of the student's college. This rule applies to transfers, as well as those who have previously attended the University. A cumulative grade point average of at least 2.00 is required to begin upper-division work.

### Classification

Undergraduate and law students are classified according to the chart above, on the basis of quarter hours passed.

To be considered as a full-time undergraduate student in any quarter, a student must be enrolled in 12 quarter hours. (Audit hours are not considered in this computation.) For the summer quarter, an undergraduate student must be enrolled in 6 quarter hours each six-weeks term to be classified as full-time for the term.

### Teacher Certification

Teacher certification is a responsibility of the College of Education of The University of Tennessee, Knoxville. Students desiring certification must meet general education, professional education, and area of specialization requirements described in the College of Education section of this catalog. In keeping with requirements of the Tennessee Department of Education, programs leading to teacher certification include a nine (9) hour requirement in Health or Physical Education.

### Honors Courses

Courses specifically designed as honors courses will be designated "Hon." Individuals selected on the basis of ACT scores and previous academic performance may be enrolled. There is no limit on the number of credits that may be earned in these courses except in the senior readings courses not requiring regular class attendance; these senior readings courses may total not more than nine hours credit toward graduation. (In the fields of science offering four-hour courses the total may be twelve hours.) There is also a non-departmental honors course open to a limited number of freshmen entering in any college.

### Auditors

Students registered for credit courses may enter classes as auditors, subject to the approval of the instructor whose class is visited. Auditors are under no obligation of regular attendance, preparation, recitation, or examination. They receive no credit. They may not take part in class discussion or laboratory or field work.

Students not registered for credit courses may be admitted as auditors only with the consent of the Director of Admission; they are required to register, pay the fees for auditors, and to have class cards for the courses they elect to attend.

### Minimum Class Size

An undergraduate course will not be given for fewer than five students except by permission of the Vice Chancellor for Academic Affairs.

### Undergraduate Academic Continuation

To be eligible to continue at The University of Tennessee, Knoxville, an undergraduate student must maintain a cumulative grade point average of at least 2.00 or above the minimum acceptable level shown in the chart below. There are additional restrictions in individual programs, such as nursing and architecture, and the appropriate section of this catalog should be consulted.

<table>
<thead>
<tr>
<th>Total Quarter Hours Attempted</th>
<th>Minimum Acceptable Grade Point Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-35.9</td>
<td>1.00</td>
</tr>
<tr>
<td>36-83.9</td>
<td>1.50</td>
</tr>
<tr>
<td>84-149.9</td>
<td>2.00</td>
</tr>
</tbody>
</table>

A student whose grade point average falls below this minimum acceptable level in any quarter will be placed on academic probation for the subsequent quarter. During the probationary quarter the student must attain the minimum acceptable average shown, or a 2.00 average for that quarter, or be dropped from the University.

A student who has attempted over 150 hours will be checked for graduation requirements only, except when on academic probation. Such students, if on academic probation, must attain a cumulative average of 2.00 of a 2.00 for that quarter, or be dropped from the University.

A student who has been dropped, has withdrawn, or has been absent for a quarter other than the Summer Quarter, must make application for readmission. Readmission is not automatic. Application must be made at least six weeks before registration. The Committee on Readmissions may approve or refuse the application for readmission. Students are strongly encouraged to appear in person before the Committee on Readmissions.

A student who has been previously dropped and readmitted will be placed on academic probation. Failure to meet the regular University standards of retention during the probationary quarter or subsequent thereto will result in the student's being dropped from the University and required to remain out of school for at least three quarters before becoming eligible to apply for re-enrollment.

A transfer student who is conditionally admitted and fails to meet the regular University standards during the probationary quarter or subsequent thereto will be dropped from the University and may not make application for readmission for three academic quarters.
GENERAL POLICIES
A. Any student who attains a quarterly average of 2.00 may continue in residence at the University, even though the cumulative average does not meet the minimum acceptable level above.
B. Summer is considered a regular quarter in determining absence from the University.
C. The quarter hours attempted in determining continuation are used for readmission purposes only. Pass/Fail, Satisfactory/No Credit, and Pass/No Grade hours and units attempted but excluded in determining minimum cumulative grade point average requirements for retention and graduation.
D. To register for credit or audit courses in any branch, center, or division of the University controlled by the Knoxville campus, a student must meet the admission or readmission regulations that govern courses for credit at the Knoxville campus. Correspondence courses are open to students regardless of admission or readmission status.
E. A student will not be readmitted when the record indicates a very low probability of success in college work. In its review of an application, a Committee on Readmissions shall consider the applicant's total record, including the academic record and other factors which may be expected to influence academic performance.
F. No student refused by the Committee on Readmissions may be permitted to re-enter the University without the approval of the Comptroller.
H. There will be no tentative readmissions.
I. Students in Architecture and Nursing are advised to note the special requirements as stated in those sections of this catalog.
Comment: The University of Tennessee, Knoxville, is committed to helping students overcome academic deficiencies. A letter advising of academic probation will be sent at about the same time as the quarterly grade report. This letter will advise the student to see his/her dean before completing registration for the probationary quarter.

General Requirements for a Bachelor's Degree
To receive a bachelor's degree from The University of Tennessee, Knoxville, a student must complete all of the requirements listed below. It should be noted that some of the Colleges and Schools within the University have special requirements above and beyond those stated here, and students are advised to consult the appropriate section of this catalog for any further degree requirements.

1. Complete satisfactorily all requirements of the curriculum for which the student is enrolled, as described in the portion of this catalog devoted to the college or school offering the curriculum. Curricular requirements are detailed in the specific section of the catalog, and students should note the caution on the second page of this catalog. A student is allowed to satisfy requirements for a bachelor's degree under any curriculum in effect during the student's attendance at UT.
2. Complete at least forty-four quarter hours beyond the first bachelor's degree.
3. Attend the University for at least three quarters beyond the minimum time required for the first bachelor's degree.

Seniors Eligible for Graduate Credit
A senior is eligible for undergraduate credit at UT-KNOXVILLE who fulfills the requirements of the senior credit system, in the particular major in which the student has been enrolled. The student must have a grade point average of 2.00 or better in all courses attempted at UT.

Correspondence Work
The candidate may offer correspondence courses in his major subject, or other required courses, for credit.

Proficiency Examination
Any student may apply for proficiency examinations in selected undergraduate subjects in the Colleges of Agriculture, Business Administration, Education, Engineering, Home Economics, and Liberal Arts, in the School of Nursing (Knoxville), and in the Department of Military Science. A student applying for a proficiency examination should present evidence that he or she has developed those abilities and attitudes expected of students who have taken the course involved. The application must be approved by the department offering the course. A fee of $10.00 will be charged per course. A student who "passes" a proficiency exam is allowed a choice of taking the grade on the exam (A, B, or C) or taking an S as credit in the course. Exception to this is when a proficiency course is graded on a S/NC basis. By taking an S a student would not affect the grade point average. The maximum credits obtainable through proficiency examinations and the use of proficiency examinations to remove failing
grades (also the grade of I) are determined by the department offering the proficiency examination.

When approved by a given department, nationally recognized examinations, such as the appropriate subject examinations of the College Level Examination Program (CLEP) of the College Entrance Examination Board, may be used as proficiency examinations in one or more courses offered by that department. In such cases the final decision as to whether or not credit is to be given on this basis rests with the department awarding credit, as does the determination of the number of credit hours and the specific courses for which such examinations are to be taken as evidence of acceptable proficiency. The University will charge a fee of $5.00 for the evaluation of such an examination.

**Honors Categories for Graduation**

The diplomas of graduating seniors show honors categories based on the following scale:

- "honors" 3.00 through 3.39
- "high honors" 3.40 through 3.74
- "highest honors" 3.75 through 4.00

These honors categories are based on a student's cumulative average at the end of the quarter preceding the graduation quarter. The honors category is also based on both the average earned at UT, Knoxville and the combined average on all college work attempted, with the lower of the two averages determining the honors category.

If, at graduation, a student's cumulative grade point average would allow a higher honors category than that determined at the end of the quarter preceding the graduation quarter, the student may, upon written request, receive a substitute diploma indicating the higher category.

**Accelerated Program**

The University operates on a four-quarter plan, and a majority of its courses, especially at the lower division, are offered every quarter. Through appropriate arrangements of courses and attendance during the summer quarters, students may frequently complete their degree programs in less than four years. A student's faculty adviser should be consulted for assistance in planning an accelerated program.

**Personnel Forms**

Each candidate for a degree may file personnel material with the Bureau of Personnel Service. The services of the Bureau are available to all candidates for degrees during the year previous to the payment of the graduation fee and thereafter. The payment of the graduation fee entitles the graduate to all alumni privileges for the two-year period immediately following graduation.

**Advanced Military Science and Air Force Aerospace Studies**

Students who elect to enroll in the advanced military courses (junior and senior years) are obligated by written agreement with the government to complete the courses and to accept a commission if tendered.

### Degrees

**AT KNOXVILLE**

**Graduate School**
- Doctor of Business Administration
- Doctor of Education
- Doctor of Philosophy
- Specialist in Education
- Master of Arts
- Master of Science
- Master of Arts in College Teaching
- Master of Business Administration
- Master of Engineering
- Master of Fine Arts
- Master of Mathematics
- Master of Music
- Master of Public Health
- Master of Science
- Master of Science in Library Science
- Master of Science in Planning
- Master of Public Administration
- Master of Science in Social Work

**College of Agriculture**
- Bachelor of Science in Agriculture
- Bachelor of Science in Agricultural Engineering
- Bachelor of Science in Forestry
- Bachelor of Science in Wildlife and Fisheries Science

**School of Architecture**
- Bachelor of Architecture

**College of Business Administration**
- Bachelor of Science in Business Administration

**College of Communications**
- Bachelor of Science in Communications

**College of Education**
- Bachelor of Science in Education

**School of Health, Physical Education, and Recreation**
- Bachelor of Science in Education

**College of Engineering**
- Bachelor of Science in Aerospace Engineering
- Bachelor of Science in Chemical Engineering
- Bachelor of Science in Civil Engineering
- Bachelor of Science in Electrical Engineering
- Bachelor of Science in Engineering Physics
- Bachelor of Science in Engineering Science
- Bachelor of Science in Industrial Engineering
- Bachelor of Science in Mechanical Engineering
- Bachelor of Science in Metallurgical Engineering
- Bachelor of Science in Nuclear Engineering

**College of Home Economics**
- Bachelor of Science in Home Economics

**College of Law**
- Doctor of Jurisprudence

**College of Liberal Arts**
- Bachelor of Arts
- Bachelor of Fine Arts
- Bachelor of Music
- Bachelor of Science in Chemistry

**School of Nursing**
- Bachelor of Science in Nursing

**College of Veterinary Medicine**
- Doctor of Veterinary Medicine

**CENTER FOR THE HEALTH SCIENCES**
- (See CHS Bulletin)

**Graduate School — Medical Sciences**
- Doctor of Philosophy
- Master of Science

**College of Medicine**
- Doctor of Medicine

**College of Dentistry**
- Doctor of Dental Surgery
- Master of Science in Orthodontics
- Master of Science in Pedodontics

**College of Pharmacy**
- Bachelor of Science in Pharmacy

**College of Nursing**
- Bachelor of Science in Nursing
- Master of Science in Nursing

**College of Community and Allied Health Professions**
- Bachelor of Science in Cytotechnology
- Bachelor of Science in Dental Hygiene
- Bachelor of Science in Medical Records Administration
- Bachelor of Science in Medical Technology
- Bachelor of Science in Physical Therapy
- Bachelor of Science in Radiological Technology

**AT CHATTANOOGA**
- (See Bulletin of UT Chattanooga)
  - Bachelor of Arts
  - Bachelor of Music
  - Bachelor of Science
  - Bachelor of Science in Engineering
  - Bachelor of Science in Nursing
  - Master of Business Administration
  - Master of Education
  - Master of Science

**AT MARTIN**
- (See Bulletin of UT Martin)
  - Associate of Arts in Nursing
  - Bachelor of Arts
  - Bachelor of Science
  - Bachelor of Science in Agriculture
  - Bachelor of Science in Business Administration
Bachelor of Science in Chemistry.
Bachelor of Science in Education.
Bachelor of Science in Engineering Technology.
Bachelor of Science in Home Economics.
Bachelor of Science in Law Enforcement.
Bachelor of Science in Natural Resources Management.
Master of Science in Education.
Master of Science in Home Economics.

AT NASHVILLE
(See Bulletin of UT Nashville)
Associate of Arts in Fire Science.
Associate of Arts in Nursing.
Bachelor of Arts.
Bachelor of Science.
Bachelor of Science in Business Administration.
Bachelor of Science in Education.
Bachelor of Science in Engineering.
Bachelor of Science in Nursing.
Master of Business Administration.

Fees and Expenses

Maintenance Fee. All students, including both in-state and out-of-state, are required to pay the established maintenance fee.

Tuition. Tuition is free to residents of Tennessee. However, tuition is required of all students who are classified as non-residents for fee assessment purposes.

Student Hospitalization and Medical Insurance. The University makes available, by contract with an insurance company, group hospitalization insurance expressly for students. Changes in the group plan may be authorized by the University after annual review depending on prevailing hospital costs in the Knoxville area.

As would be expected with a large student group contract, a low premium cost for the individual student is obtained. Students are urged to avail themselves of this insurance, or other comparable adequate insurance, since the paying for hospital care is the student's own responsibility.

Information about the insurance is mailed by the company to the student's home and his participation is solicited. Enrollment in the insurance program remains open for a designated period after classes begin. The student wishing to avail himself of this insurance after arriving on the campus may obtain the application from the Office of Student Health Services. Whether application is made from his home or from the campus, the student applies directly with the Knoxville agent of the insurance company. Enrollment in insurance is not a part of registration for classes.

NOTE: Some family policies do not cover the dependent child after his fourteenth birthday. The family hospitalization insurance policy should be reviewed from this aspect.

Military Deposits. All students registering for Air-Science and members of the band are required to make a deposit of $35.00 each to cover damage to or loss of property issued to them. The unused portion of the deposits will be refunded to the students after completion of training.

Identification Card. ID cards, issued to all students, are prepared during registration of the first quarter a student enrolls in the University. The cards are required for many purposes such as use of library facilities, check cashing facilities in the UT Bookstore, and admission to various athletic, social, and cultural events. These cards are non-transferable and may not be duplicated. IDENTIFICATION CARDS MUST BE CARRIED AT ALL TIMES FOR PURPOSES OF IDENTIFICATION. Lost or stolen cards should be replaced by contacting the Student ID Card Office at Room 342, University Center.

University Fees

University fees and other charges are determined by the Board of Trustees and are subject to change without notice. The general fees in effect at the time of publication are as follows:

MAINTENANCE FEE

Undergraduate Students Per Quarter $136.00
Graduate and Law Students Per Quarter $146.00

TUITION (additional for all-out-of-state students) Per Quarter $284.00

NOTE: In lieu of the above charge for tuition and/or maintenance fee, part-time students may elect to pay fees computed by the quarter hour credit (or audit) at the rates shown below, total charge not to exceed the regular maintenance fee for in-state students or the maintenance fee plus tuition for out-of-state students.

Undergraduate Students:
In-State $16.00 per quarter hour or fraction thereof; minimum charge $48.00
Out-of-State $35.00 per quarter hour or fraction thereof; minimum charge $105.00

Graduate and Law Students:
In-State $22.00 per quarter hour or fraction thereof; minimum charge $66.00
Out-of-State $48.00 per quarter hour or fraction thereof; minimum charge $144.00

UNIVERSITY PROGRAMS AND SERVICES Fee Per Quarter $15.00

All undergraduate and graduate students taking in excess of six quarter hours per quarter will be assessed a University Programs and Services Fee of $15.00 per quarter. Part-time students taking six quarter hours or less will be assessed at the rate of $1.00 per quarter hour or fraction thereof (minimum charge $3.00), but are not entitled to admission to general activities programs.

This fee is not refundable.

The University Programs and Services Fee for the Summer Quarter will be $12.00. Part-time students taking six quarter hours or less will be assessed at the rate of $1.00 per quarter hour or fraction thereof (minimum charge $3.00) but are not entitled to admission to general activities programs.

Students taking a course load of six hours may elect to pay the Full Programs and Services Fee.

Graduate and teaching assistants as well as fellowship students who may have waiver of fees (tuition and/or maintenance) must pay the appropriate University Programs and Services Fee. Students enrolled exclusively in Evening School or at Oak Ridge and Kingsport Centers will be exempt from the University Programs and Services Fee.

Activities cards are non-transferable and may not be duplicated.

MUSIC FEE

One half-hour less per week, per quarter $20.00
One hour lesson per week, per quarter $40.00
Payable by eligible full-time students receiving individual instruction in music.

GRADUATION FEE

Bachelor's Degree $10.00
Master's Degree $16.00
Doctoral Degree (except J.D.) $36.00
Payable at the beginning of the quarter in which the candidate is to be graduated. This fee is non-refundable and is valid for service fees.

DELAYED REGISTRATION FEE

Graduated Late Service Fee $2.00 per day
Students who pre-register and for whom a class schedule (either complete or partial) is available on the regular registration dates must pay their fees (or make satisfactory arrangements with the Treasurer's Office) on these dates. Effective the first regular business day (excluding Saturday, Sunday, and any holidays) following the last regular registration day a graduated late service fee of $2.00 per day will be charged during the next ensuing five regular business days. ($2.00 first day, $4.00 second day, $6.00 third day, $8.00 fourth day, and $10.00 fifth day.)

Students who do not pre-register but register through the "secondary" registration procedures will be granted two additional days after the final regular registration day to pay their late fees before the graduated late service fee begins. Such students will be charged the graduated late service fee beginning with the third regular business day following the last regular registration day. (Minimum charge $6.00 third day, $8.00 fourth day, $10.00 fifth day.)

Additional Late Service Fee $10.00

All students who have not completed registration and paid their appropriate charges (or made satisfactory arrangements with the Treasurer's Office) within five regular business days after the last regular registration day will be charged an additional $10.00 late service fee (total $20.00).

This $10.00 service fee is also applicable to delays in payment occasioned by checks which fail to clear the bank on which drawn, and to room and board charges which are not paid (or satisfactory arrangements made for deferral) within five regular business days after registration or assignment date, whichever is later.

Reinstatement Service Fee $10.00

Students who have not completed registration and paid their appropriate charges (or made satisfactory arrangements with the Treasurer's Office) within ten regular business days after the last regular registration day may, at the discretion of the University, be automatically withdrawn from the University. A student withdrawn for such reason will be assessed the appropriate fees.
notify the Office of Special Services when withdrawing could result in a larger percentage fee assessment. The effective date of withdrawal is the date the Office of Special Services is notified by completion of the official withdrawal request form. For all refunds
withdrawal within 7 calendar days beginning with the first day following regular registration permits an 80 per cent fee refund. Withdrawal between 8 and 14 calendar days following regular registration permits a 60 per cent fee refund. Withdrawal between 15 and 21 calendar days following regular registration permits a 40 per cent fee refund. Withdrawal between 22 and 28 calendar days following regular registration permits a 20 per cent fee refund. Refunds, in accordance with the refund policy, will be made after the drop deadline.

Refund is due on courses which are dropped unless the sum of the remaining hours calculated at the hourly rate plus the adjusted charge for the course(s) dropped is less than the total amount paid or the maximum charged in tuition, fees, and maintenance fee. On the Knoxville campus for a regular quarter no refund is made for courses dropped later than twenty-one calendar days after the last regular registration day. Refunds resulting from dropped courses will be made after the final audit at the end of the quarter.

Rental charges and adjustments are determined by the Office of Residence Halls in accordance with the terms of the housing agreement or contract.

Note: All charges and refunds will be made to the nearest even dollar. All charges are subject to subsequent audit and verification. Errors will be corrected by appropriate additional charges or refund. Other information on fees, expenses, refunds, and adjustments is given in the Timetable (Schedule of Classes) for each quarter.

Summer Quarter Fees and Expenses

Fees and expenses for the Summer Quarter are the same as for the other quarters during the academic year with the exception of the University Programs and Services Fee as noted above.

Although the Summer Quarter is divided into terms of varying lengths (three-, four- six-week, etc.), tuition and fees are assessed at the regular quarter hour rate up to the maximum charge for a complete regular quarter.

The refund policy covering withdrawals and dropped courses for the Summer Quarter is based on the length of the term for the course(s) dropped. No refund is applicable to six-week and four-week courses dropped later than fourteen calendar days after the regular registration day for the course(s) involved.

Estimate of Expenses

The following estimates of the necessary expenses for an academic year are average. Actual expenses vary greatly according to the habits of economy or extravagance of the individual student. The room and meal estimates are averages based on accommodations and 20-meal board plan in university facilities. Estimates for equivalent accommodations and meals elsewhere will usually be somewhat higher.

Under-Graduate & Law

Maintenance Fee

Programs & Services Fee

Room and Meals

Books, Supplies, etc.

These figures give a fair idea of average expenses, exclusive of clothing, travel, and personal expense. Expenditures for extracurricular activities are not included in the above.

Housing

The University provides modern residence facilities in order to give students comfortable housing at reasonable cost and with an atmosphere conducive to academic achievement and personal development.

Undergraduate Students: Single freshman or sophomore students are required to reside in University residence halls when space is available unless they commute from the home of their parent or legal guardian. Other single students are encouraged to reside in University facilities.

Housing contracts are a commitment for the academic year, September to June, or for shorter periods if the student enters the University during winter or spring. A housing application will be mailed as a part of the Application for Admission. Residence halls assignments for the academic year are made in the summer. The student must be admitted to the University prior to assignment. If a student withdraws from the University, his housing contract is suspended in accordance with policies stated in the contract. Students assigned to residence halls on the room and board plan will be given contracts written to include both room and board. A contract for housing signed by a student is binding for the term of contract and is rigidly enforced by the University.

Additional information pertaining to single student housing may be obtained from the Office of Residence Halls, The University of Tennessee, 37916.

Off-Campus Housing

Students living in off-campus housing are expected to observe the same rules of conduct and standards that are applicable to all students. The student is responsible for obtaining his off-campus housing. The University does not inspect or approve these facilities. The terms and conditions for the rental of off-campus housing are between the student and the landlord.

Graduate Students: Single graduate students may be assigned to the University’s residence halls or the single student apartments. Special graduate floors are available upon request. For information concerning University residence facilities, please refer to the appropriate paragraphs above describing Undergraduate Students and Off-Campus Housing.

Married Students: The University has provided modern apartment facilities in several locations for married students with families. Information and application for these facilities should be secured from the Office of Rental Properties, The University of Tennessee, 37916.
Food Service Facilities
Excellent University-operated food service facilities have been provided. They are air-conditioned, conveniently located in relation to residence halls, and serve nourishing food at reasonable prices.

The University recognizes the educational role that its food service facilities play in student life and group living. The Food Services Department employs a skilled dietetic and management staff to insure that the student gets the highest quality meal at the lowest possible cost.

Room and board meal arrangements are available. This plan offers the best combination of balanced, nutritious meals, carefully planned and served at a reasonable charge to the student. For students not under the Board Plan, meals can also be obtained from cafeterias operated on a cash basis.

In addition, the Food Services Department offers "Charge Plan" whereby students charge the meals billed to their parents monthly.

For the late evening snack or morning coffee break, popular spots on the campus are the delicatessens and grill operations. Students are invited to take advantage of the many special meals offered at the University Center throughout the year.

Student Financial Aid
The University of Tennessee offers a comprehensive program of financial aid for full-time students who otherwise would not be able to attend the University. Through a financial aid program, an eligible student may receive one or more types of assistance to help pay college expenses.

Financial need is defined as the difference between a family's resources and the total expenses of attending the University. If there is a deficit, the student is considered to be in need of financial assistance. To assist in determining the need for financial aid, the University uses the need-analysis system of the College Scholarship Service (CSS). Through the use of the CSS forms, the Parents' Confidential Statement (CS) and Student's Financial Statement (SFS), the Financial Aid Office determines the amount that the parents and students could generally be expected to contribute toward meeting educational expenses. For more detailed information on determination of need, please refer to the brochure entitled, "Financial Assistance For Students." Since a student's family resources can decrease and increase significantly during an academic year, the University requires each student to apply annually for renewal of financial aid.

The University of Tennessee has three basic types of financial aid — scholarships and grants, loans, and part-time employment. These may be awarded individually or in combination according to the needs of the student.

Scholarships and Grants
Scholarships. The University of Tennessee (Knoxville) scholarship program for new and currently enrolled students is made possible through funds provided by the University, outside foundations, estates, private business, civic groups, individuals, and alumni. The majority of these scholarships are coordinated by the Financial Aid Office. Some undergraduate scholarships are currently enrolled students who demonstrate strong academic achievement and proven need for assistance.

Most scholarships are awarded to students who demonstrate strong academic achievement and proven need for assistance. There is, however, an academic merit scholarship program, based only on academic achievement. If you wish to compete for merit scholarships only, you must submit an Application for Student Financial Aid. A Parent's Confidential Statement is not necessary. Academic achievement is judged for entering freshmen students by the applicant's secondary school academic record and scores on the American College Test Battery (ACT). Academic achievement for currently enrolled students is judged by the applicant's cumulative grade point average.

All scholarships, including merit scholarships, are highly competitive; despite the generosity of foundations and alumni, there are not enough funds to provide scholarship aid to all qualified students.

Annual scholarship stipends range from $100 to $750.

Most scholarships are awarded for one year, with the recipient competing for scholarships each year of enrollment in the University. The Application for Student Financial Aid is required, and all applicants will be considered for every scholarship coordinated through the Financial Aid Office.

High school students should contact their school counselor for principal concerning scholarships offered by local individuals, national foundations, and other organizations.

Supplemental Educational Opportunity Grants. This is a program of direct grants available to entering freshmen, transfer, and enrolled undergraduate students with exceptional financial need. Eligible students accepted for enrollment or who are currently enrolled in good standing may receive a Supplemental Educational Opportunity Grant (S.E.O.G.). Grants may be extended for a maximum of 12 quarters. An S.E.O.G. must be matched by funds from other sources of financial aid, i.e., scholarships, loans, and/or earnings from University part-time employment. A Supplemental Educational Opportunity Grant may not be less than $200 or more than $1,500, or exceed one-half of the student's need for assistance. The above regulations and provisions of the Supplemental Educational Opportunity Grants are subject to change by federal legislative action.

Law Enforcement Education Program.
The University of Tennessee participates in the Law Enforcement Education Program. This program provides grants for loans to police, court, and correction employees, and students preparing for careers in these fields. Grants up to $250 per academic quarter may be made for tuition, mandatory fees, and books related to the courses being studied. Loans up to $2,000 per academic year can cover living expenses in addition to tuition, fees, and books. Application forms are available in the Financial Aid Office.

Nursing Scholarship Program.
The purpose of this program is to assist students of exceptional financial need who are enrolled as full-time students in a course of study leading to a baccalaureate degree or a graduate degree in Nursing.

The amount of scholarship which a student may receive depends upon financial need. The maximum scholarship available for any student in a fall semester period is $2,000. The above regulations and provisions of the Nursing Scholarship Program are subject to change by federal legislative action.

Student Loans
National Direct Student Loans. Long-term loans are available primarily through the National Direct Student Loan. Proven need for financial assistance determines your eligibility.

Loan repayment and interest payments on National Direct Student Loans are deferred until after graduation or as long as the individual remains in full-time attendance at an accredited institution of higher education in the United States. Repayment may also be deferred for a period of three (3) years while the borrower is serving in the Armed Forces, Peace Corps, or VISTA. Professional rates are 5% per year on the unpaid balance, the maximum repayment period is ten (10) years with the current minimum annual repayment of $180.00 or 10 percent of the accumulated loan, whichever is greater.

If upon graduation you become a full-time teacher in a public or non-profit school which is designated by the commissioner as having a high enrollment of low-income families or as a teacher of the handicapped, 15 percent of total principal plus interest is cancelled for the first year of teaching, 20 percent for the third and fourth years, and 30 percent for the fifth year. If after graduation you become a staff member in a preschool program which is operated for a period comparable to a full school year, 15 percent of principal plus interest will be cancelled for each year of service.

Cancellation at the rate of 12% per cent of the total principal plus interest will also be made up to 90 percent of the loan for each year of Armed Forces service, military, or public service.

An undergraduate may be extended a maximum annual loan of $1,250 to an accumulated loan total of $5,000. Graduate level students may be extended annual loans of $2,500 to a maximum accumulated loan total of $10,000. Because of the limited availability of federal loan funds, priority will be given to students who have maintained a 2.0 cumulative grade point average for renewal of the NDSL. First year students must have a 2.0 high school grade point average for initial receipt of the loan. The above regulations and provisions of the National Direct Student Loan are subject to change by federal legislative action.

The University of Tennessee Student Loans. Student loans from University sources, are available to currently enrolled students with a 2.0 or above cumulative grade point average. You can be extended a loan of up to $2,500 per quarter to an annual maximum of $7,500. The interest is 5 percent per annum payable annually on the anniversary date of the note. The loan is made for a specific time period and is due at the end of a stated number of years from the date of the note. Extensions may be obtained if you continue your academic studies at the graduate school.
level. The borrower may, without penalty, pay all or part of his loan at any time before the maturity date.

**Nursing Student Loans.** The Nursing Student Loan is available to students who are enrolled or admitted as students in a course of study leading to a baccalaureate degree in Nursing and who show need of assistance in order to pursue their course of study. The program provides a long-term low-interest loan with repayment beginning nine months following the completion of full-time study in an accredited school of nursing. Repayment may also be deferred for a period up to three (3) years while the borrower is serving in the Armed Forces or Peace Corps or up to five (5) years for full-time course of study leading to advanced professional training. If upon graduation you become employed full-time as a registered nurse in a public or non-profit priotal agency or institution, up to 85 per cent of the principal may be cancelled at the rate of 15 per cent of the loan that was unpaid on the first day of employment plus interest for the first three years of employment and 20 per cent for the fourth and fifth year.

A Nursing Student Loan or any other educational loan will be repaid by HEW if the nursing graduate enters into an agreement to serve in a full-time registered nurse for a continuous period of at least two (2) years in an area designated as having a shortage of nurses. Thirty per cent of principal and interest will be cancelled for the first two (2) years of service and 25 per cent for the third year. The above regulations and provisions of the Nursing Loan Program are subject to change by legislative action.

**Student Employment**

Two employment programs are administered in the Financial Aids Office to help students find part-time employment.

The College Work-Study Program is a federal employment program which provides jobs for students who have financial need and who must earn a part of their educational expenses. Eligible students are placed in jobs on or off campus where they work approximately fifteen (15) hours per week.

The Student Employment Service operates as a central referral agency. It coordinates listings of part-time employment from both University and private employers who will hire students seeking part-time employment. Referrals are made in accordance with the student's skills and qualifications. Part-time jobs average from 15 to 20 hours per week. If part-time employment is a financial necessity to the student with a low grade average, he is advised to accept a job requiring fewer hours of work per week.

Spouses of full-time students or students not enrolled full-time in the University should contact the Personnel Office, 1900 Terrace Avenue, The University of Tennessee, Knoxville, 37916, concerning employment.

**Other Assistance**

The Basic Educational Opportunity Grant Program's central purpose is to assist in making available the benefits of post-secondary education to qualified students who display a financial need for funds. The program is administered by the U.S. Office of Education, and applications are available in high schools and post-secondary educational institutions. The student submits the application for determination of family contribution to the specified agency, contracting with the Office of Education. The contractor then notifies the student of the expected family contribution, and the student forwards a copy of the notification form to the institution he/she plans to attend. The University then reviews the expected family contribution, computing and dispersing the B.E.O.G. funds to the student.

When the program is fully funded, maximum grants are $1400 less the parent contribution and not more than one-half of the cost of education. For information write to U.S. Office of Education, Washington, D.C.

All undergraduate applicants for financial assistance must apply for the Basic Educational Opportunity Grant if they meet the eligibility requirements. The total amount of aid offered by the Financial Aid Office is based on the receipt of this program.

The Guaranteed Student Loan Program enables lending institutions to make long term personal loans to help pay educational expenses. The loan is guaranteed by a state or private nonprofit agency or insured by the Federal Government. Interest on such loans is paid by the Federal Government while the student is in school if the student is eligible for interest subsidy. After the repayment period which begins no less than nine months after graduation or withdrawal from the University, the student pays up to 7 per cent simple interest. The maximum amount of a loan to an undergraduate in a twelve-month period cannot exceed $2500.

Total loans outstanding may not exceed $7,500 for the undergraduate or $10,000 for the graduate student.

Complete information is available at most banks and credit unions. In the state of Tennessee, write the Tennessee Student Assistance Corporation, 707 Main Street, Nashville, Tennessee 37208.

**Application Procedures**

**ENTERING FRESHMEN AND UNDERGRADUATE TRANSFERS**

1. Complete and submit an undergraduate application for Admission, and the Application for Student Financial Aid on or before the following priority deadlines: Freshmen — March 1; Undergraduate Transfers — April 1.

2. (a) Complete and submit a Parents' and/or Student's Financial Statement to the College Scholarship Service approximately three (3) weeks prior to the March 1 or April 1 deadline.

(b) Complete and submit an application for the Basic Educational Opportunity Grant if you are requesting assistance based on financial need.

**CURRENTLY ENROLLED STUDENTS**

1. Complete and submit the application for financial aid on or before April 1.

2. (a) Complete and submit the Parents' and/or Student's Financial Statement to the College Scholarship Service approximately three (3) weeks before the April 1 priority deadline.

(b) Complete and submit an application for the Basic Educational Opportunity Grant if you are requesting assistance based on financial need.

Honors and Awards

The honors and awards available to students at The University of Tennessee, Knoxville are listed with donors below. The University reserves the right not to award any of the honors or awards listed herein.

Dean's List

Public announcement of students passing a quarter's work "With Highest Honors" (grades from
3.75 through 4.0), "With High Honors" (3.40 through 3.74), "With Honors" (3.0 through 3.39). To be eligible, a student must complete at least 12 hours, not counting work taken on satisfactory/no credit basis.

**College of Agriculture**

The American Society of Agricultural Engineers each year selects an outstanding agricultural engineering student for the ASAEE Student Honor Award. Based on scholarship, activities, and community contributions, the award consists of a key and certificate. The American Society of Agronomy has made available a Certificate of Merit for an outstanding senior in the Department of Plant and Soil Science who has a superior academic record and displays evidence of high potential in this field.

The American Society of Animal Science awards scholarship medals and embossed certificates to sophomore, junior, and senior students in the Animal Science Department who are of good moral character and rank scholastically in the top 10 percent of their class.

The Block and Bridle Club recognizes students in Animal Science who are successful in their academic program, have made unusual contributions to the Club's program, and show evidence of leadership in their chosen field.

The Danforth Foundation Inc. provides a fellowship to support six weeks of leadership training at Camp Miniwanca on the shores of Lake Michigan for an outstanding agricultural student following his/her freshman year.

The Forestry Faculty Scholarship Award, given annually at the end of the junior year of the recipient who is selected by the Forestry faculty on the basis of outstanding scholarship and contribution to the Forestry program.

Kentucky-Tennessee Section, Society of American Foresters Scholarship, awarded every third year to the freshman forestry student with the highest scholastic average. The award is in cash and a framed certificate.

M. Jacob Animal Husbandry Award, given by East Tennessee Packing Company.

J.B. Madden Memorial Foundation Fund, established by J.B. Madden family. Income from $1,000 fund, for prizes in livestock judging competition.

Student-Faculty Council Awards. Each year the College of Agriculture Student-Faculty Council presents plaques to four seniors, three juniors, and two sophomore students in the College judged to be outstanding. Selection is based on scholarship, character, and demonstrated leadership ability. Plaques are also presented to the two students in each class with the highest scholastic average.

Tennessse Poultry Improvement Board Awards, $100 available for awards to students competing in poultry and poultry products judging.

**School of Architecture**

Malcolm Rice Achievement Award. $1,000 awarded annually to the third-year student showing most improvement with design studio.

**College of Business Administration**

Beta Gamma Sigma Awards. Plaques given to the freshman and sophomore students with highest grade point averages by this national honor society.

Delta Sigma Pi Scholarship Key, given by international fraternity to male senior with highest four-year scholastic average.

John Fred Holly, Jr. A memorial scholarship endowed by the parents.

John M. and Suzanne W. Larsen Phi Kappa Phi Scholarship Award. Awarded to the College of Business Administration junior with the highest grade point average.

Knoxville Sales Executive Club Award. Plaque, plus dinner in student's honor, to outstanding senior marketing major.

Lutz Award, given by J.E. Lutz & Co., Inc., Knoxville. Cash award to student with minimum of 120 quarter hours having highest scholastic record after completion of first eight quarters of required courses in chosen curriculum.

Lutz Insurance Award, given by J.E. Lutz & Co., Inc. Cash award to finance major submitting most scholarly, complete, and satisfactory written project in insurance field.

Fulton Beverly Moore, III, Memorial Real Estate Scholarship. A memorial scholarship fund endowed by the parents.

Pi Omega Pi Scholarship Key. Key to senior business education major with highest 11-quarter scholastic average.

John Sample Agency for Connecticut Mutual Life Insurance Company. Cash award to a student majoring in insurance.

Smoky Mountain Chapter of the Bank Administration Institute. Cash award to a junior or senior who is a resident of Tennessee and majoring in banking.

Wall Street Journal Award. Student Award Medal, year's subscription to The Wall Street Journal to outstanding student in finance classes using this newspaper during the year.

William Way, Jr., Memorial Award. Gold medal or key to senior transportation major with highest academic average.

Zeta Lambda Chapter of Alpha Kappa Psi, professional business fraternity, awards annually the Alpha Kappa Psi Scholarship Award to the male student pursuing a degree in business who has attained the highest scholastic average for three years of collegiate work in this University.

**College of Communications**

Advertising Club of St. Louis College Award Citation, given to outstanding man and woman graduating in Department of Advertising.

Alcoa Foundation Scholarship, $600 to an outstanding undergraduate planning a career in public relations.

Alcoa Foundation Minority Scholarship, $600 to an outstanding undergraduate minority student in the College.

Karl and Madira Bickel Scholarships. Freshman Scholarships up to $1,000, Upperclassman Scholarships up to $1,000. Doctoral Scholarships up to $4,000. Open to all students showing academic performance (3.00 or B or better), professional promise and need.

Campus Honorary and Professional Fraternities

A number of honorary and professional fraternities have chapters on the University's Knoxville campus. Membership in these organizations is generally based on the initiate's good character, professed interest in his chosen field, leadership characteristics, and a high scholastic record.

Those honor fraternities, both national and local, with chapters at The University of Tennessee are:

Alpha Chi Sigma, for chemical engineering and chemistry students. Student must have a point average of 2.5 in chemistry and/or chemical engineering combined and 2.5 in all academic work and must have been enrolled in this school for at least one quarter and be elected to membership by others in the local chapter.

Alpha Epsilon Delta, for students preparing for study of medicine. Students with minimum 3.0 average in all courses may be elected at end of their first three quarters in the University, or at end of four quarters with a minimum 2.8 overall average. They may be initiated at end of five quarters if an overall 2.8 average has been maintained.

Alpha Phi Omega. Any undergraduate who is a former Student Government officer is eligible for membership. A pledge must have completed one quarter of academic work with an average grade of 2.0 to be eligible for initiation.

Alpha Pi Mu, for industrial engineering students. Prospective members are chosen from the upper one-third of the senior class and upper one-fifth of the junior class. A minimum 2.5 average is required.

Alpha Zeta, for agricultural fraternity for juniors and seniors. Prospective members must be among the upper two-thirds of their respective class and show leadership ability.

Beta Alpha Psi, for accounting students. Any undergraduate or graduate accounting major registered in advanced accounting, with a minimum "B" average in accounting subjects and a minimum "B" average in all subjects, is eligible for active membership.

Beta Gamma Sigma, for students in the field of business studies. Membership is limited to those commerce and business administration students ranked in the upper one-third of their graduating class. Juniors among the highest 3 per cent of their class may be elected in the last quarter of the year.

Chi Epsilon, for civil engineering students. Junior and seniors earning majors ranking in the highest one-third of their respective class are eligible for membership.

Delta Nu Alpha, for transportation students. Prospective members must have completed the basic transportation courses and have a minimum 2.3 average.

Delta Pi Epsilon, for business education graduate students. Prospective members must have a minimum 3.4 average for nine hours of graduate work in business education. Candidates are required to show evidence of their scholarship before initiation by presenting a talk, research abstract, or written paper to the group.

Delta Sigma Pi, professional business fraternity for students enrolled in the College of Business Administration. A minimum of 45 quarter hours University credit with a scholastic average of at least 2.5 for initiation.

Delta Sigma Rho-Tau Kappa Alpha honor societies for junior and senior students who have participated at a high level of one-on-one intercollegiate forensics or original speaking activities and who rank in the upper 35 percent of their college class.

Delta Theta Phi, for law students.

Eta Kappa Nu, for electrical engineering students. Members may be selected from junior ranking in the upper one-fourth of seniors or junior ranking in the upper one-third of their respective electrical engineering class.

Eta Sigma Phi, honor society for students in classical languages. Membership is open to students who have attained at least a 3.0 average in Latin or Greek courses.

Gamma Sigma Delta, agricultural honorary society for graduating seniors, graduate students, faculty, and agricultural alumni. Seniors selected must be in the upper one-fourth of the graduating class in the college of agriculture and must have a 3.0 average or better. Graduate students must have attained a 3.5 average or better on at least 24 hours toward the advanced degree. They must have shown promise of superior ability in carrying on advanced study and/or research directly concerned with agriculture and of making worthy contributions in their respective fields.

Gamma Theta Upsilon, honor society for students majoring in geography.

Iota Lambda Sigma, for industrial education students. No one may be initiated until he has acquired a minimum of 9 hours industrial education courses with at least "B" average.

Mortar Board, for senior women. Members are elected from students with a minimum 3.0 average for nine quarters of University studies.

Omicron Delta Kappa, for junior and senior men.

Omicron Nu, for home economics students. Members are elected from the upper one-fourth of the senior class and upper one-fifth of the junior class, not to exceed 20 per cent of any given class.

Order of the Coif, for law students.

Phi Alpha Delta, for law students.

Phi Beta Kappa, the oldest national scholarship honor society. Students who have completed 30 hours of liberal arts courses (junior and seniors) and one year of college-level mathematics and rank in the upper 10 per cent of candidates for the B.A. and B.S. in Chemistry degrees in their graduating class can be eligible for election.

Phi Chi Theta, professional fraternity for women interested in a business career. Any woman student enrolled in the College of Business Administration, or specializing in business and/or economics, being at least a third-year freshman and having at least the all-student average, is eligible for membership.

Phi Delta Kappa, honorary professional fraternity in education connected with approved colleges and universities of graduate rank maintaining schools, colleges or departments of education; pursuing excellence in service, teaching, and research.

Phi Delta Phi, for law students.

Phi Eta Sigma, for freshmen who have a minimum grade point average of 3.0 for the first quarter or semester. Membership is limited to students who rank in the upper one-quarter of their class.

Phi Kappa Phi, broadest of the national honor societies, recognizing all fields of learning. Prospective members must be seniors ranking among the top 10 per cent of their college class, with a minimum 3.0 average. Meeting these requirements does not necessarily assure election.

Phi Mu Alpha, (Sinfonia), professional music fraternity for students interested in music. Require-ments are 2.5 overall average on the 4.0 scale. The main purpose of the organization is to further American music in the campus and community.

Phi Delta Phi, for French students. Prospective members must have a minimum "B-minus" average in all French courses taken.

Phi Kappa Lambda, for students in music and music education.

Phi Lambda Theta, A national honor and professional association in education. Open to juniors and seniors with a minimum 3.5 GPA and graduate students with a minimum 3.5 GPA. Membership by invitation.

Phi Sigma Alpha, for political science students and faculty. Student members are elected solely on the basis of scholarship.

Phi Tau Sigma, for mechanical engineering students. Prospective junior members must rank in the upper one-fourth and seniors in the upper one-third of their respective mechanical engineering class.

Scabbard and Blade, military science honor society for upperclassmen.

Scarabean Senior Society, local society for stu-dents and faculty. Membership is by invitation.

Sigma Delta Chi, professional journalistic society. Active membership shall be limited to journalism
Student Affairs and Services

Office of the Vice Chancellor for Student Affairs

The Vice Chancellor for Student Affairs coordinates the various offices and departments of the University which offer assistance to students in their education and life beyond the classroom.

Office of the Dean of Admissions and Records

All matters relating to undergraduate admission to the University and to credit for work at other schools and colleges are administered by the Dean of Admissions and Records. All credit, applications for admission, and inquiries about admissions should be addressed to the Director of Admissions, The University of Tennessee, Knoxville, Tennessee 37916.

Student Financial Aid is also administered under the direction of this office. Information on available financial aid may be obtained by writing the Director of Financial Aid, 301 Student Services Building, The University of Tennessee, Knoxville, Tennessee 37916.

UNIVERSITY INTERNATIONAL CENTER

The "International House" is located approximately two blocks from the heart of the campus. It is provided by the University and operated by the Office of International Student Affairs. The house was first opened in February, 1969, to provide a facility where domestic and foreign students could come together to relax and discuss matters of mutual interest.

An executive committee composed of students and faculty representing all national student groups, campus student government groups, and administration oversees the operation of the House and supervises a variety of weekly programs.

Office of Director of Student Activities

The Office of the Director of Student Activities, Suite 413 Student Services Building, Circle Park Drive, coordinates all student activities and programs. Its area of operation encompasses the University Center, the Student Aquatic Center and Recreational Facilities, Student Publications, and all other extracurricular activities of University students.

University Center

Playing a unique role in the University community, the Carolyn P. Brown Memorial University Center is a central gathering place for students, faculty, and staff as well as campus visitors.

A variety of activities and facilities is available in the newly enlarged Center. The lower level houses 12 automatic bowling lanes, 14 billiard tables, dark room facilities, and art and crafts area. These facilities are among the best in the nation for student recreational pursuits.

The expansive food service on the ground level provides the finest food available. The entrance to the large, modern, two-level bookstore is on Stadium Drive. Such facilities as central ticket office, day student lounge, and the post office are conveniently located on the ground level.

The first floor is the student program area. An auditorium with 575 seats, a 150-seat seminar room, a music listening room, and four public lounges supplement the large ballroom and meeting rooms for any type of campus event. Large banquets, dances, and receptions are planned and serviced in the expansive area.

Administrative offices for the building, student programs and organizations, and additional dining facilities are located on the third floor.

The meeting rooms and services of the Center are available to all approved student groups. Requests for usage are completed with the Reservations Office. This office also maintains a campus calendar for all major events.

THE UNIVERSITY BOOK AND SUPPLY STORES

The main store, at the Stadium Drive entrance of the University Center, is the official store for the University. A tobacco and sundries shop at the Stadium Drive entrance is open 12 hours daily.

Used and new textbooks are bought and sold on the lower level of the two-level store. In addition to textbooks, a 96,000-packet
