Admission to the University of Tennessee, Knoxville

Applications, credentials, and inquiries should be directed as follows:

For admission to all undergraduate programs, including the University Evening School and the College of Veterinary Medicine:

Director of Admissions
The University of Tennessee
Knoxville, Tennessee 37916
(615) 974-2184

For readmission of former undergraduate students:

Director of Readmissions
The University of Tennessee
Knoxville, Tennessee 37916

For admission to the College of Law (see College of Law Bulletin for information on admission to the College of Law):

Dean, College of Law
The University of Tennessee
Knoxville, Tennessee 37916

For admission to the Graduate School (see Graduate Catalog for information on admission to the Graduate School):

Graduate School
The University of Tennessee
Knoxville, Tennessee 37916
(615) 974-3251

For admission to the Colleges of Basic Medical Sciences, Dentistry, Medicine, Nursing (except Knoxville College of Nursing), and Pharmacy, and programs in the allied health professions, administered by The University of Tennessee Center for Health Sciences in Memphis (see Health Sciences Catalog for information on admission to these colleges):

Director of Admissions
The University of Tennessee
Center for the Health Sciences
62 South Dunlap
Memphis, Tennessee 38103

Deadlines for Applications

Applications for undergraduate admission and all supporting credentials must be received by the Director of Admissions no later than August 1 for fall quarter admission, and no later than three weeks before the start of classes for admission to any other quarter, except as noted below.

Applications for the College of Veterinary Medicine must be received by the Director of Admissions by January 31 for admission into the fall quarter.

Applications for the School of Architecture must be received no later than March 1 for admission to the summer and fall quarters. Selection will be made by April 1. November 1 is the deadline for applications for the spring quarter; enrollment is closed for the winter quarter. Applications for the College of Nursing must be received by March 1. Selection will be made by April 1; enrollment is closed for the winter and spring quarters.

Former students who have been dropped from the University for academic deficiency or disciplinary reasons must apply for readmission to the Director of Readmissions no later than six weeks before the start of classes of the quarter the student wishes to enter.

Undergraduate Admissions Requirements

Applicants for undergraduate admissions to the University must meet the following:

1. general requirements as indicated below,
2. specific requirements for the applicant's specific admissions category as shown in Table I, and
3. requirements of the academic college or school the applicant seeks to enter as shown in Table II.

ACADEMIC CREDENTIALS

Freshman Applicants—Transcript of high school credits and score report of the American College Testing Program (ACT). These should be received at the University preferably in the fall of the senior year; a supplementary high school credit sheet of final senior grades should be sent after graduation.

ACT tests are administered five times each year, in October, December, February, April and July. Score reports must be sent directly from ACT to the University. Information concerning ACT may be obtained from high school guidance counselors or by writing American College Testing Programs, P.O. Box 186, Iowa City, Iowa 52240.

Transfer Applicants—Complete transcripts of all college work at each college or university attended.

EVIDENCE OF GOOD CHARACTER

Freshman Applicants—Recommendation of high school principal.

Transfer Applicants—Character report from college student personnel officer(s).

AMERICAN HISTORIC

All Applicants—Effective July 1, 1978, and afterwards, all students receiving a bachelor's degree must have completed one unit of American history on the high school level or nine quarter hours of collegiate American history in order to receive a bachelor's degree as required by the General Assembly of the State of Tennessee.

Residency Classification

Students are classified as in-state or out-of-state for the purpose of determining fees and tuition on the basis of regulations established by the Board of Trustees. Basically, these regulations state that:

1. students receiving support from their parents are residents of the same state as their parents, and
2. students independent of parental support may establish Tennessee residency for fee purposes by producing evidence of domicile to the Office of the University, proving that they came to Tennessee for reasons other than obtaining an education for themselves or their spouses.

A student's residency classification for fee purposes also determines whether the student will be considered under in-state or out-of-state admissions requirements. Children of alumni and scholarship recipients are admitted under the same requirements as in-state students, even though they may be required to pay out-of-state tuition. Inquiries concerning residency should be addressed to the Director of Admissions.

Residency classification may be appealed to the following University offices or persons in order as listed:

1. Respective Admissions Office
2. Undergraduate Students appeal to Admissions Office, 320 Student Services Building; Graduate Students appeal to Graduate Office, 115 Student Services Building; Law Students appeal to Law Admissions Office, 112 Law Building; Veterinary Medicine Students appeal to Admissions Office, 320 Student Services Building; (2) Residency Classification Coordinator, 320 Student Services Building, and (3) Residency Classification Committee, 320 Student Services Building.

Admission to the University's professional programs (health professions [see p. 180], law, etc.) is becoming increasingly restricted to Tennessee residents. An out-of-state student completing a pre-professional program at the University of Tennessee, Knoxville does not gain preferential priority in admission to a professional program.

<tr>
<td>------------------------------</td>
<td>-------------------------</td>
</tr>
<tr>
<td>FRESHMAN In-State</td>
<td>Graduation from an approved high school; completion of all high school units required for the program student seeks to enter, as specified in Table II; applicants having neither a high school grade point average of at least 2.25 nor an ACT composite score of at least 17 will be assigned a special adviser. ACT score report is required for counseling and advisement.</td>
</tr>
<tr>
<td>FRESHMAN Out-of-State</td>
<td>Same as for in-state freshman except that applicants from states in the region served by the Southern Association of Colleges and Schools, and from Arkansas, must have minimum high school grade point average at least 2.25 and ACT composite score at least 18. Applicants from other states must have high school grade point average at least 2.25 and ACT composite score at least 20.</td>
</tr>
<tr>
<td>FRESHMAN—GED</td>
<td>Applicant’s high school class must have graduated; must be at least 18 years old; average standard score of at least 50 on the high school level General Education Development Tests; completion of high school units required for the program student seeks to enter, as specified in Table II.</td>
</tr>
<tr>
<td>FRESHMAN—EARLY ADMISSION</td>
<td>Completion of junior year in high school; completion of high school units required for the program student seeks to enter; high school grade point average at least 3.50 and ACT scores at or above the 95th percentile for University of Tennessee freshman; nomination by the student’s high school principal and consent of parents; review and approval by the Director of Admissions.</td>
</tr>
<tr>
<td>TRANSFER In-State</td>
<td>At least 12 hours of college credit work at an accredited institution of higher learning; honorable dismissal from all such institutions attended; grade point average on all college work attempted, at least the minimum that the University of Tennessee requires of its own students for readmission (see Undergraduate Retention Standards).</td>
</tr>
<tr>
<td>TRANSFER Out-of-State</td>
<td>Same as for in-state transfer applicants except that grade point average on all college work must be at least 2.00 to be eligible for consideration. Eligible students will be screened by the Committee on Admissions for final decision.</td>
</tr>
<tr>
<td>SPECIAL STUDENT</td>
<td>Applicant’s high school class must have graduated; may not be candidate for bachelor’s degree; must show satisfactory evidence of preparation for courses attempted. Special students may accumulate no more than 90 hours of college credit toward a degree (including any previous college work). To enroll in a degree program, a special student must meet transfer admissions requirements. Former University of Tennessee students may not be admitted as special students unless they have already earned a bachelor’s degree.</td>
</tr>
</tbody>
</table>

*Grade point averages are expressed on a 4.00 scale.
*Applicants refused admission may appeal to the Committee on Admissions, Office of Admissions, 330 Student Services Building.
*See Special Requirements for International Students.
*Transfer applicants for the School of Architecture must have a college grade point average of 2.30. Transfer applicants for the College of Communications must have an average of at least 2.00. Transfer applicants who have attempted at least 36 quarter hours of college work must have grade point averages of at least 2.00 for admission to the College of Education, the College of Business Administration or the College of Home Economics.

*Minor available.
*Minor available in Portuguese.
*Minor available to students in the College of Education and the College of Liberal Arts.
Units—Entrance requirements are stated in terms of units. A unit represents nine months of study in a subject in a secondary school, constituting approximately a quarter of a full year's work. A four-year secondary school curriculum should be regarded as representing sixteen units of work as a minimum.

Unit Requirements—For admission into the University, with high school graduation, are required as specified on the following pages. Graduates of Tennessee high schools must present one unit in American history or take a comparable course during the first year in college, with college credit.

Unit Requirements for Individual Programs

A number of programs offered by the University require specific high school units for admission beyond the general University admissions requirements. These are shown in Table II.

Unclassified Students. Students who meet University admissions requirements but do not satisfy specific unit requirements of the program they seek to enter may be admitted as unclassified students. They will be assigned special advisers in the college they plan to enter. Students so admitted should remove entrance deficiencies as soon as possible, and in no event later than one year following enrollment. Students who have not removed entrance deficiencies by the start of their third year in college will not be allowed to continue at the University.

Special Requirements for International Students

In making application for admission to undergraduate study, each international student will be required to provide the following:

1. A completed application for undergraduate admission;
2. Authenticated copies of all academic records. These records should describe the coursework in English in terms of years spent in school and subjects covered, with grades earned in each subject;
3. Evidence of English proficiency according to the following requirements for students whose first language is not English:
   a. Any applicant to the undergraduate program whose first language is not English—including all transfers from any college or university in the United States—must present a TOEFL score of at least 525 (earned within two years prior to application) before being admitted; final consideration cannot be granted until test results are received by the Director of Admissions. Then the University of Tennessee English Proficiency Test must be taken prior to registration; this test will determine whether the student needs to take more English and, if so, at what level.
   Students assigned to special English courses must enroll the first quarter of attendance, stay continuously enrolled in the assigned courses until completion of all requirements, and should complete the requirements within the first year for continued enrollment at The University of Tennessee, Knoxville.
   b. A United States citizen or permanent resident whose first language is not English but who has graduated from a high school in the United States, or from its equivalent secondary school in a country whose first language is English, may be admitted under the conditions that apply to United States citizens whose first language is English. Any other United States citizen or permanent resident whose first language is not English must conform to the regulations stated in a. above.
   A fee of ten dollars, in addition to regular tuition and fees, will be charged each applicant who takes the University of Tennessee English Proficiency Test. The English Proficiency Test, which grants no credit, is to be distinguished from other forms of proficiency testing which do grant credit.

Advanced Standing by Examination

Students at The University of Tennessee, Knoxville may accelerate their programs through credit by examination. To receive such credit, a student must be regular matriculated at the Knoxville campus.

ADVANCED PLACEMENT EXAMINATIONS

Students who satisfactorily pass Advanced Placement Examinations prepared and administered under the auspices of the College Entrance Examination Board are eligible to receive credit in courses offered by the College of Liberal Arts on the basis of such tests. In each case the final decision as to whether or not credit is to be given on this basis rests with the appropriate department, as does the determination of the number of credit hours and the specific courses for which such examinations are to be taken as evidence of acceptable proficiency. Participating departments are Botany, Chemistry, Classical Languages, English, German, History, Mathematics, Physics, Romance Languages, and Zoology.

PROFICIENCY EXAMINATIONS

Proficiency examinations for advanced standing are offered in the Colleges of Agriculture, Business Administration, Education, Engineering, Liberal Arts, and Home Economics, and in the College of Nursing (Knoxville). A student may obtain the privilege of taking proficiency examinations on recommendation of the head of the department and approval of the Registrar. See additional discussion on page 28.

Faculty Advising

Once students are admitted, the University accepts certain responsibilities for their guidance and placement in order that they may secure the greatest benefit from their university experience. At registration each student is assigned to a member of the faculty, who acts as the student's adviser. The duties of the adviser are to assist the student in selecting subjects to ensure a well-rounded education, and to aid the student in interpreting the University's requirements. The responsibility for the selection of courses rests, in the final analysis, upon the student, and it is not the province of the adviser to refuse approval of a course which the student elects. Similarly, it is the full responsibility of all students to meet the requirements of their courses of study in their proper order, so that they may not in the senior year find themselves ineligible for graduation. Although all students are urged to consult frequently with advisers, students in the Colleges of Agriculture, Engineering, and Nursing are required during the fall quarter to have a conference sometime within a five-week period between early October and mid-November at which time students will receive winter quarter preregistration scan sheets. A triplicate memorandum will be made at each conference recording student's progress, academic programs, career planning, professional development and other related activities. Specific procedures for mandatory advising for other colleges and schools will be implemented during the fall of 1978.

All beginning students, and former students whose grade point averages are below 2.00, must obtain adviser approval of their course selections at registration.

The Colleges of Business Administration, Education, and Liberal Arts have established advising centers where students may go at any time for advice on academic matters. The Student Counseling Center, 900 Volunteer Boulevard, is available to any student desiring help with individual or personal problems. Facilities are also available for improving reading skills and study habits. Students may go to the Center themselves or they may be referred by members of the faculty.

Special State and Federal Laws for Educational Purposes

ELDERLY AND DISABLED PERSONS

Persons sixty years of age or older and totally disabled persons who are domiciled in Tennessee, may audit courses without payment of course fees if space is available in the individual class. Persons sixty-five years of age or older and totally disabled persons who are domiciled in Tennessee, may enroll in courses for credit at reduced fees. Interested persons should inquire at The University of Tennessee Evening School Office during regular office hours.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

This act provides for confidentiality of student records; however, it also provides for basic identification of people at UTK without the consent of the individual. Release of information to third parties includes directory information, such as contained in the campus telephone book and sports brochures. Such information includes name, address, telephone number, date and place of birth, major, dates of attendance, degree and awards, the most recent previous educational
agency or institution attended, participation in school activities and sports, and weight and height (for special activities).

Public notice of the categories to be contained in a directory is given, and a period of one week is provided during which a student may request that such information not be released.

EEO/TITLE IX/SECTION 504 STATEMENT

The University of Tennessee, Knoxville does not discriminate on the basis of race, sex, color, national origin, age, handicap, or veteran status in provision of educational opportunities or employment opportunities and benefits.

UTK does not discriminate on the basis of sex or handicap in the education programs and activities which it operates pursuant to the requirements of Title IX of the Education Amendments of 1972, Pub. L. 92-318, and Section 504 of the Rehabilitation Act of 1973, Pub. L. 93-112, respectively. This policy extends to both employment by and admission to the University.

Inquiries concerning Title IX and Section 504 should be directed to the Office of the Vice Chancellor for Planning and Administration, 525 Andy Holt Tower, 974-4391. Charges of violation of the above policy should also be directed to the Office of the Vice Chancellor for Planning and Administration.

AMERICAN HISTORY

Effective July 1, 1978 and afterwards, all student receiving a bachelor’s degree must have completed one unit of American history on the high school level or nine quarter hours of collegiate American history in order to receive a bachelor’s degree as required by the General Assembly of the State of Tennessee (Tennessee Code Annotated 549-3253).

SOCIAL SECURITY NUMBER USE

The University of Tennessee, Knoxville requires assignment of an individual student number for internal identification of each student’s record. The University began using the social security number as the student identification number prior to January 1, 1975; therefore, the federal law allows continued use of this number. However, if a student does not desire the social security number to be used, a student identification number will be assigned. For prompt and accurate retrieval of records and for conducting business about their own records, students and alumni must give their student identification numbers, whether a social security number or an assigned number, are used administratively within the University only and are not given to third parties without expressed consent of the student concerned.

General Academic Regulations

Credit Hours, Grades, and Grade Point Average

The basic unit of credit at The University of Tennessee, Knoxville, is the quarter hour. This normally represents one hour of lecture or recitation or two hours of laboratory work per week. Each course at the University carries a number of quarter hours of credit specified in the course description. At the completion of each course, a student will be assigned a grade reflecting the student’s performance in the course. Passing grades normally carry with them a certain number of quality points per quarter hour of credit in the course. A student’s grade point average is obtained by dividing the total number of quality points the student has accumulated by the total number of quarter hours the student has attempted, not including hours for which grades of N, NC, NG, P, S, SI, and W have been received.

Undergraduate students are graded on the following scale:

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Quality Points</th>
<th>Performance</th>
<th>Per Quarter Hour of Credit</th>
</tr>
</thead>
<tbody>

</tr>
</tbody>
</table>

TEMPORARY GRADES

A student receiving a grade of I or SI should arrange with the teacher to take whatever action is needed to remove the grade at the earliest possible date, and in any event, within two years after the course was attempted. A student need not be enrolled at the University to remove a temporary grade.

I (Incomplete) is assigned to a student whose work is satisfactory but who has failed to complete a laboratory, shop, or other parallel exercise. The I carries no quality points and counts as a failure in the computation of grade point average until removed. The grade of I may also be assigned by any faculty member to students who appear to be deficient in their usage of English in the course, but otherwise passing; the grade of I is removed when the Committee on Student English certifies to the instructor that a student has made the necessary improvements.

SI (Incomplete) is assigned when the work is satisfactory but when a portion of the course is not completed. The grade is awarded only in courses where S/NC grading has been elected. The grade of SI for incomplete work will be recorded as an SI, which is not computed in the average.

GRADES THAT DO NOT INFLUENCE GRADE POINT AVERAGE

The grades of N, NG, P, and W carry no quality points, but hours on which these grades are earned are not counted in computing a student’s grade point average. Hence these grades have no effect on grade point average.

NC (No credit) indicates failure to complete a course satisfactorily when taken on an S/NC basis. S (Satisfactory) is assigned for C or better work when a course is taken on an S/NC grading basis. SI (Incomplete) is assigned in S/NC grading courses only. See below. W (Withdrawal) is assigned in courses from which a student has officially withdrawn. Regulations concerning withdrawal from courses or from the University appear in the following section of this catalog, entitled “Changes in Registration.”

SATISFACTORY/NO CREDIT GRADING SYSTEM

The purpose of this system is to encourage the student to venture beyond the limits of those courses in which the student usually does well and, motivated by intellectual curiosity, explore subject matter in which performance may be somewhat less outstanding than work in preferred subject fields. To this end a Satisfactory/No Credit (S/NC) system of grading has been developed for undergraduate courses (1000-, 2000-, 3000-, and 4000-level courses). Neither grade is counted in a student’s grade point average but, like all other grades, is entered on the permanent record. S is given for C or better work on the traditional grading scale and NC is given for less than C work. The student only receives credit in the course if an S is received. A student may not repeat a course for S/NC if the student received a conventional grade (A, B, C, D, F, or I). The instructor of a conventionally graded course will not be informed which student, if any, has elected S/NC grading. If the student elects nonconventional grading, the computer converts an A, B, or C to an S and F or I. The grade of I for incomplete work will be recorded as an SI, which will not be computed in the average. A student is permitted to change the system of grading in a course through the add deadline. The grade W will be applied in the same manner for either a regular grading system or S/NC grading. The changing of an S/NC grade to a regular letter grade or vice versa is not permitted unless a bona fide error is determined by the Registrar.

REPEATING COURSES

With a course repeated the last grade only is counted in computing the grade point average. All grades are entered on the permanent record. A student may not repeat a course more than twice in order to obtain a better grade.

Graduate students and undergraduates taking courses for graduate credit are graded as follows:

A — (4 quality points per quarter hour); indicates superior work.
B+ — (3.5 quality points per quarter hour); indicates above satisfactory work.
B — (3 quality points per quarter hour); indicates satisfactory work.
C+ — (2.5 quality points per quarter hour); indicates performance less than expected.
C — (2 quality points per quarter hour); indicates work of borderline quality. This grade represents work below the standard expected of graduate students.
D — (1 quality point per quarter hour); indicates clearly unsatisfactory work and carries no credit.
F — (no quality point value); indicates extremely unsatisfactory work.
—(no quality point value); indicates that the student has done satisfactory work in the course, but—because of circumstances beyond control—has been unable to finish all requirements. It is not to be given to a student to do additional work to bring up a deficient grade. All incompletes must be removed within 2 quarters. If a supplementary grade report has not been received in the Graduate Office one week prior to the end of the second quarter, the I will be converted to an F. The incomplete will not be counted in the cumulative average until a grade is assigned. No student may graduate with an I on the record.

S/NC—(carries credit hours, but no quality point value); S is equivalent to B or better, and NC means no credit earned. NC grades may be repeated for an S. S/NC grading is allowed only where indicated in the Graduate Catalog. S/N is used for courses which culminate in a thesis, dissertation, or preliminary examination. The N grades take the value of the S when the thesis or dissertation is accepted by the Graduate School. The number of S/NC courses to be allowed in a student's program of study shall be limited to one-fourth of the course work hours required (excluding thesis or dissertation) in a program. (This would be 9 hours or 12 hours in a 48-hour non-thesis program or 18 hours in a doctoral program of 72 hours excluding dissertation hours.)

Graduate students are required to make an overall minimum grade average of B in courses taken for graduate credit. No student will be allowed to repeat a course for the purpose of raising a grade already received. Transfered work will not be counted in computing the grade average on courses completed in Graduate School.

Law students are graded on a numerical scale from 0.0 to 4.0. Quality points per quarter hour of credit in a given course are equal to the numerical grade received in the course. Grades of 0.5 and below count as failures. Some courses are graded on an S/NC basis.

GRADUATING SENIOR PRIVILEGES

A senior who fails one subject during the quarter of intended graduation has the privilege of standing an examination in that subject at the beginning of or during the next quarter and, if successful, receiving the degree at the next commencement.

A senior who receives the grade of I in any subject will, on request to the instructor, be given the opportunity to remove the deficiency before the close of the quarter, but not later than the last day before commencement, providing that successfully passing these courses will make the senior eligible for graduation.

FRESHMAN ENGLISH

English 1010, 1020, 1031-32-33, 1018-28-38, 1211, 1221, 1431, 1441 and 1451 are offered on a system of A, B, C, I, NC, W grading.

ENGLISH PROFICIENCY

Students are expected to maintain a satisfactory standard of oral and written English throughout their college programs. Any student may be reported by a member of the faculty for examination in English, and, if found deficient by the Committee on Student English, be required to take without credit such further work as the Committee may direct. To facilitate the reporting of students deficient in English, faculty members are to check the column headed "English" on the quarterly grade sheets. A student checked by any faculty member will be required to remedy the deficiency through work in the Writing Laboratory. Remedial work in the laboratory shall be started as soon as possible after the student has been notified of the deficiency and it shall continue until the student's performance in English has been declared satisfactory by the laboratory instructor.

Registration

Dates for orientation and registration are announced to new transfer and freshmen students when the Certificate of Admission is issued. Graduate students are instructed when to register upon receipt of their Admission Status. Former students who have been absent from UTK other than the summer term and students who have withdrawn from the previous quarter will receive registration information with their letter of readmission. Law students should consult the Admissions Office, College of Law. Students enrolled in that college and in the college of Veterinary Medicine will be governed by the University's registration date changes unless specified differently by the college.

REQUIREMENTS FOR REGISTRATION OF ADMITTED STUDENTS

Medical History. Though a physical examination is not required, a Medical History Questionnaire is sent to all admitted students and must be completed by the student. The person responsible who is familiar with the student's medical history. Such information will facilitate University physicians in providing continuing health care. This form must be returned to the Student Health Service before enrollment.

Participation in Orientation. Beginning freshmen and transfer students are required to attend an orientation session prior to their first registration at the University. Schedules for these programs are mailed to admitted students by the Dean of Student Conduct and Orientation. Orientation programs are designed to help new students become acquainted with opportunities and services at the University, and to provide information needed for registration.

FIRST CLASS MEETING

Students who fail to attend the first class meeting or who are not familiar with the department may be dropped from the course to make their spaces available to other students. Students have the responsibility to assure that they have not been dropped, otherwise, they are liable for a grade of "F" in the course.

MAXIMUM HOURS PER QUARTER

Undergraduate students may enroll for a maximum of 19 credit hours each quarter unless a lower maximum is specified by the college or school to which the student is enrolled. Enrollment in more than 19 hours must be approved by the dean of the student's college or school. Graduate students may enroll for a maximum number of 15 credit hours each quarter. Enrollment in more than 15 hours must be approved by the Vice Chancellor for Graduate Studies and Research or the Dean for Graduate Studies. Law and Veterinary Medicine students may enroll for the maximum number of credit hours each quarter as specified by the respective college.

Changes in Registration

Mid-term is an announced date midway between the beginning and ending days of classes each quarter or session (35 calendar days after the beginning of classes, except for winter sessions). Prior to mid-term undergraduate students may withdraw from courses as specified below. A course may be added without departmental permission through the seventh calendar day counted from the beginning of classes. Due to the nature of some courses, permission of the department head or course instructor is required. Change of section within a given course must be made in accordance with departmental policy and in all instances no later than seven calendar days counted from the beginning of classes. The student has the responsibility to process section changes. Otherwise proper credit may not be received after classes begin. All change of sections must be approved by the department head or the instructor of the class the student wishes to enter. Undergraduate students are made through the Office of Special Services. It is important that all students who leave the University prior to the completion of their work report their withdrawal to this office.

Withdrawing from University before Mid-Term (35 calendar days). If an undergraduate student officially withdraws from the University before mid-term (for summer quarter drop deadlines, see summer quarter timetable), the grade of W will be recorded in all courses in which the student is currently enrolled. In cases of withdrawal prior to mid-term, the Office of Special Services will verify the date of withdrawal to the Registrar, who will then inform the instructor that the grade in those courses is a W. Graduate students should consult the Graduate Catalog for regulations concerning withdrawal from the University.

Dropping Courses before Mid-Term (35 calendar days). A course may be dropped with a W (withdrawal) before mid-term (for summer quarter drop deadlines, see summer quarter timetable). A drop form must be executed by the student and submitted to the Registrar. Prior to mid-term neither the instructor's nor the adviser's permission is required. Students
Graduate students should consult the Graduates Catalog for regulations concerning the dropping of courses.

Dropping Courses or Withdrawing from the University after Mid-Term (35 calendar days). An undergraduate or graduate student withdrawing from a course, or from the University, after 35 calendar days from the start of classes will receive the grade of "F" unless it can be demonstrated that the request for withdrawal is based on circumstances beyond the student’s control. Examples of circumstances beyond the student’s control are illness or injury of the student (verified by the Student Health Service or private physician), or necessary change in work schedule following after the drop deadline (verified by the student’s employer). Examples of causes which are within the student’s control and which would not be acceptable to grant withdrawal include an improper registration on the part of the student, or failure to achieve academically.

Course Numbers and Levels

Each course offered by the University is identified by the name of the department offering the course and a four-digit course number. These numbers indicate course level, as follows:

<table>
<thead>
<tr>
<th>Course Numbers Level</th>
<th>0000-0999</th>
<th>1000-9999</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Non-credit; preparatory</td>
<td>Lower division—primarily for freshmen and sophomores</td>
</tr>
<tr>
<td></td>
<td>3000-4999</td>
<td>Upper division—primarily for juniors and seniors; usually available for graduate credit; when taken for graduate credit, the letter “G” will precede the course credit hours on the grade report</td>
</tr>
<tr>
<td></td>
<td>5000-5999</td>
<td>Graduate; sometimes available for undergraduate credit; when taken for undergraduate credit, the letter “U” will precede the course credit hours on the grade report</td>
</tr>
<tr>
<td></td>
<td>6000-6999</td>
<td>Advanced graduate; open to graduate students only</td>
</tr>
<tr>
<td></td>
<td>8000-9999</td>
<td>Law; occasionally open to other qualified students</td>
</tr>
</tbody>
</table>

To be eligible for upper-division work a student must have attained junior (third-year) status, as defined in the following section, unless approval is granted by the dean of the student’s college. This rule applies to transfers, as well as those who have previously attended the University. A cumulative grade point average of at least 2.00 is required to begin upper-division work.

Classification

Undergraduate, law, and veterinary medicine students are classified according to the chart above, on the basis of quarter hours passed.

To be considered as a full-time undergraduate student in any quarter, a student must be enrolled in 12 quarter hours, including the full summer quarter. Six hours for each separate term of the summer session are required for full-time

A student whose grade point average fails below the minimum acceptable level in any quarter will be placed on academic probation for the subsequent quarter of enrollment. During the probationary quarter the student must attain the minimum acceptable grade point average shown above, or a 2.00 average for that quarter, or be dropped from the University.

A transfer student who has been conditionally admitted and fails to meet the regular University standards of retention during the probationary quarter, or any subsequent quarter before attaining good standing, will be dropped from the University and may not make application for readmission for three academic quarters.

A student who has been previously dropped and readmitted will be placed on academic probation. Failure to meet the regular University standards of retention during the probationary quarter, or any subsequent quarters prior to attaining good standing, will result in the student’s being dropped from the University and being ineligible to make application for readmission for three academic quarters.

A student in good academic standing who has withdrawn from school or has been absent for a quarter other than the summer quarter must make application for readmission.

A student who has been dropped academically must make application for readmission. Readmission is not automatic. Application must be made at least six weeks before registration. The Committee on Readmissions may approve or refuse the application for readmission. Students are strongly encouraged to appear in person before the Committee on Readmissions.

Former students who have been enrolled at accredited colleges or universities must apply for readmission. An official transcript and an acceptable combined grade point average is required for readmission.
General Policies

A. Any student who attains a quarterly average of 2.00 may continue in residence at the University, even though the cumulative average does not meet the minimum acceptable level above.
B. Summer quarter is considered a regular academic quarter in satisfying the requirement of compulsory absence due to academic deficiency.
C. Quarter hours attempted are used only for determining the minimum acceptable level for the grade point average. Satisfactory/no credit hours are included in hours attempted but excluded in calculating minimum cumulative grade point average requirements for retention and graduation.
D. Students who transfer to other accredited colleges or universities must submit official transcripts and have an acceptable combined grade point average before being readmitted to the University.

E. Correspondence courses are open to students regardless of admission or readmission status.
F. To register for credit courses in any branch, center or division of the University controlled by the Knoxville campus (except correspondence courses), a student must meet the admission or readmission regulations that govern courses for credit in the Knoxville campus.

The Admissions Committee on Readmissions shall consider the applicant’s total record, including the academic record and other factors which may be expected to influence academic performance. A student will not be readmitted when the record indicates a very low probability of success in college work.

H. No student refused by the Committee on Readmissions may be permitted to reenter the University without the approval of the Committee.

I. There will be no tentative readmissions.

J. Students in architecture and nursing are advised to note the special requirements as stated in sections of this catalog.

Comment: The University of Tennessee, Knoxville is committed to helping students overcome academic deficiencies. A letter advising of academic probation will be sent about the same time as the quarterly grade report. This letter will advise conferring with the student’s dean before completing registration for the probationary quarter.

General Requirements for a Bachelor’s Degree

To receive a bachelor’s degree from The University of Tennessee, Knoxville, a student must complete all of the requirements listed below. It should be noted that some of the colleges and schools within the University have special requirements above and beyond those stated here, and students are advised to consult the appropriate section of this catalog for any further degree requirements.

1. Complete satisfactorily all requirements of the curriculum for which the student is enrolled, as described in the portion of this catalog devoted to the college or school offering the curriculum. Curricular requirements change frequently, and students should note the caution on the second page of this catalog. A student is allowed to satisfy requirements for a bachelor’s degree under any curriculum in effect during the student’s attendance at UT, Knoxville provided the curriculum has been in effect within ten years of the date of graduation. This does not oblige the University to offer a discontinued course. Other sets of requirements will be available only upon approval of a student’s faculty adviser and college dean, in consultation with the Registrar’s Office. A student who transfers to UTK subsequent to prior enrollment at a community college, junior college, or another senior institution may elect the UTK catalog in effect at the time of enrollment at the other institution provided that the student enrolls at UTK within one year after the last period of study at the institution from which the student is transferring.

2. Maintain a cumulative grade point average of at least 2.00 on all college work attempted at all institutions attended.

3. Maintain a grade point average of at least 2.00 on all work attempted at The University of Tennessee. A 2.00 average is obtained by having two quality points for each quarter hour attempted, not including hours for which grades of NC, S, and W have been received.

4. Maintain a grade point average of at least 2.00 on the last 45 hours (last three quarters as a minimum) of work at The University of Tennessee.

5. Complete the last 90 hours of credit offered for the bachelor’s degree at an accredited senior college.

6. Complete the last 45 hours of credit offered for the bachelor’s degree in residence at The University of Tennessee, Knoxville. In the College of Agriculture at least twenty-seven quarter hours of upper-division technical agriculture approved by the student’s faculty adviser must be completed at The University of Tennessee, Knoxville. Work taken for credit through the University’s Continuing Education programs in courses presented by the faculty of the Knoxville campus may be counted as part of this requirement, with the exception of the correspondence credit limitation noted below. Special arrangements to allow work taken at other University of Tennessee campuses to be counted as part of this requirement must be approved by the dean of the student’s major college or school.

7. Complete the state law that one unit of American history at the high school level or nine quarter hours of collegiate work be satisfactorily completed. This requirement is effective for those graduating July 1, 1978 or afterwards. It may be satisfied by completing History 2510-20 (or 2518-28) and History 2511 or 2521. History 3311 or 3321 may be used in lieu of the requirement. Students should consult the college of enrollment to determine how the nine hours credit for fulfillment of this requirement is to be included in the individual curricula.

8. Satisfy all financial obligations (fees or fines) owed to the University.

9. Pay to the Treasurer’s Office a $10.00 graduation fee no later than six weeks before the date of graduation.

SECOND BACHELOR’S DEGREE

A student who holds a bachelor’s degree may receive a second bachelor’s degree from The University of Tennessee, Knoxville, by satisfying the following requirements:

1. Meet all requirements for both degrees, as specified above.

2. Complete at least forty-five quarter hours beyond the first bachelor’s degree.

3. Attend the University for at least three quarters beyond the minimum time required for the first bachelor’s degree.

Seniors Eligible for Graduate Credit

A senior at The University of Tennessee, Knoxville who needs 45 quarter hours or less to complete the requirements for a bachelor’s degree, and has at least a 3.00 grade point average, may take sufficient work for graduate credit to fill out a schedule of 15 hours of combined undergraduate and graduate work per quarter, subject to the approval of the senior’s faculty adviser.

Correspondence Work

A student may offer by correspondence as much as one-fourth of the total hours required for the degree sought and have this work count toward the degree. Credit for undergraduate courses in correspondence or the major subjects shall be limited to one-fourth of the total credit hours required. Correspondence credits are not recognized by the College of Law or—except by prior permission—by the Center for the Health Sciences.

All courses taken by correspondence for which degree credit is given must meet degree program requirements of the Knoxville campus. Degree credit will not be granted for correspondence courses taken at an institution other than the University of Tennessee by a UTK student if an equivalent correspondence course is available from the University of Tennessee Correspondence program.

A senior may take only nine hours of the last year’s work (the last forty-five hours offered for the degree) by correspondence, and this must be taken with The University of Tennessee, Knoxville. If the student is a senior transfer, no work may be taken by correspondence or extension.

Students taking work for certification purposes should consult the State Department of Education of their respective states concerning the amount of extension and/or correspondence credit allowed for a teacher’s certificate.
Proficiency Examination

A proficiency examination may be given in any academic course offered for undergraduate credit. The University policy is to reserve to departments the decisions as to which courses, if any, cannot be passed by proficiency examinations. However, the University faculty feels that it is a rare course for which mastery cannot be tested by appropriate examination(s).

When applying to a department for a proficiency examination, a student should present evidence of having developed the abilities, knowledge, and attitudes expected of those who have taken the course in question. The giving of the examination must be approved by the head of the department in which the course is offered. A fee of $10.00 per course will be paid in advance at the Office of the Registrar.

Subject to the grading policy of the college in which the student is enrolled, and except for courses which are graded only on an S/NC basis, a student who passes a proficiency examination and who wishes to have the grade recorded can choose to take the grade on the examination (A, B, C or D) or take an S. An S gives credit for the course but does not affect the grade point average. If a grade of D or F is made on a proficiency examination, the department is expected to note the attempt but no record of the examination is made on the student’s transcript. The maximum credits obtainable through having developed the abilities, knowledge, and attitudes is determined by the department offering the proficiency examination.

Entering international students, whose native language is not English, are required to take the UT English Proficiency Examination to determine placement in the appropriate English course. The regular proficiency examination fee of $10.00 is charged. However, no credit for any English courses is awarded through this special examination.

When approved by a given department, nationally recognized examinations, such as the appropriate subject examinations of the College Level Examination Program (CLEP) of the College Entrance Examination Board, may be used as proficiency examinations in one or more courses offered by that department. In such cases the final decision as to whether or not credit is to be given on this basis rests with the department awarding credit, as does the determination of the number of credit hours and the specific courses for which such examinations are to be taken as evidence of acceptable proficiency. The University will charge a fee of $5.00 for the evaluation of such an examination.

Degrees

AT KNOXVILLE
Graduate School
Doctor of Business Administration.
Doctor of Education.
Doctor of Philosophy.
Doctor of Specialist Education.

Bachelor of Music.
Bachelor of Science in Chemistry.

College of Nursing
Bachelor of Science in Nursing.

College of Veterinary Medicine
Doctor of Veterinary Medicine.

Honors Categories for Graduation

The diplomas of graduating seniors show honors categories based on the following scale:

- "honors" 3.00 through 3.39
- "high honors" 3.40 through 3.74
- "highest honors" 3.75 through 4.00

These honors categories are based on a student’s cumulative average at the end of the quarter preceding the graduation quarter. The honors category is also based on the average earned at UT, Knoxville and the combined average on all college work attempted, with the lower of the two averages determining the honors category.

If, at graduation, a student’s cumulative grade point average would allow a higher honors category than that determined at the end of the quarter preceding the graduation quarter, the student may, upon written request, receive a substitute diploma indicating the higher category.

Accelerated Program

The University operates on a four-quarter plan, and a majority of its courses, especially at the lower division, are offered every quarter. Through appropriate arrangements of courses and attendance during the summer quarters, students may frequently complete their degree programs in less than four years. A student’s faculty adviser should be consulted for assistance in planning an accelerated program.

Advanced Military Science and Air Force Aerospace Studies

Students who elect to enroll in the advanced military courses (junior and senior years) are obligated by written agreement with the government to complete the courses and to accept a commission if tendered.
Fees and Expenses

Maintenance Fee. All students, including both in-state and out-of-state, are required to pay the established maintenance fee.

Tuition. Tuition is free to residents of Tennessee. Tuition is required of all students who are classified as non-residents for fee assessment purposes.

Student Hospitalization and Medical Insurance. The University makes available, by contract with an insurance company, group hospitalization insurance expressly for students. Changes in the group plan may be authorized by the University after annual review depending on prevailing hospital costs in the Knoxville area.

As would be expected with a large student group contract, a low premium cost for the individual student is obtained. Students are urged to avail themselves of this insurance, or other comparable adequate insurance, since the paying for hospital care is the student's own responsibility.

Information about the insurance is mailed by the company to the student's home and participation is solicited. Enrollment in the insurance program remains open for a designated period after classes begin. Students wishing to avail themselves of this insurance after arriving on the campus may obtain the application from the Office of Student Health Services. Whether application is made from the home or from the campus, the student applies directly with the Knoxville agent of the insurance company.

Enrollment in insurance is not a part of registration and is not automatic.

NOTE: Some family policies do not cover the dependent child after the fourteenth birthday. The family hospitalization insurance policy should be reviewed from this aspect.

Military Deposits. All students registering for Air Science and members of the band are required to make a deposit of $35.00 damage to or loss of property issued to them. The unused portion of the deposits will be returned to the students after completion of training.

Identification Card. ID cards, issued to all students, are prepared during registration of the first quarter a student enrolls in the University and are validated quarterly thereafter. These cards are required for many purposes such as use of library facilities, check-cashing facilities in the UT Bookstore, and admission to various athletic, social, and cultural events. These cards are nontransferable and may not be duplicated.

IDENTIFICATION CARDS MUST BE CARRIED AT ALL TIMES FOR PURPOSES OF IDENTIFICATION. Lost or stolen cards should be replaced by contacting the Student ID Card Office at Room 344, University Center.

Arrangement for Banking while at UTK. Banking arrangements can be made with Knoxville banks. Some Knoxville banks require a waiting period of ten days before honoring withdrawals, if the deposit is a personal check. New students who wish to open a local checking account are encouraged to deposit a certified check or cashier's check unless they plan to pay initial college expenses by a personal check on a bank account already fully established.

University Fees

University fees and other charges are determined by the Board of Trustees and are subject to change without notice. The general fees in effect at the time of publication are as follows:

MAINTENANCE FEE

Undergraduate Students Per Quarter $150.00
Graduate and Law Students Per Quarter $160.00
TUITION (additional for all-out-of-state students) Per Quarter $312.00

NOTE: In lieu of the above charge for tuition and/or maintenance fee, part-time students may elect to pay fees computed by the quarter hour credit (or audit) at the rates shown below, total charge not to exceed the regular fee for in-state students or the maintenance fee plus tuition for out-of-state students.

Undergraduate Students:
In-State $11.00 per quarter hour or fraction thereof; minimum charge $48.00
Out-Of-State $39.00 per quarter hour or fraction thereof; minimum charge $117.00

Graduate and Law Students:
In-State $22.00 per quarter hour or fraction thereof; minimum charge $66.00
Out-Of-State $53.00 per quarter hour or fraction thereof; minimum charge $159.00

UNIVERSITY PROGRAMS AND SERVICES FEE
Per Quarter $15.00

All undergraduate and graduate students taking in excess of six quarter hours per quarter will be assessed a University Programs and Services Fee of $15.00 per quarter for the fall, winter and spring quarters and $12.00 for the summer quarter. Part-time students taking six quarter hours or less will be assessed at the rate of $1.00 per quarter hour or fraction thereof (minimum charge $3.00) but are not entitled to admission to general activities programs. This fee is not refundable.

Knoxville campus students taking a course load of six hours may elect to pay the full Programs and Services Fee.

Graduate and teaching assistants as well as fellowship students who may have waiver of fees (tuition and/or maintenance) must pay the appropriate University Programs and Services Fee.

Students enrolled exclusively in Evening School or at Oak Ridge and Kingsport Centers are exempt from the University Programs and Services Fee.

Activities cards are nontransferable and may not be duplicated.

MUSIC FEE

One half-hour lesson per week, per quarter $20.00
One hour lesson per week, per quarter $40.00
Payable by eligible full-time students receiving individual instruction in music.

GRADUATION FEE
Bachelor’s Degree $10.00
Master’s Degree $16.00
Doctoral Degree (except J.D.) $41.00
Payable at the beginning of the quarter in which the candidate is to be graduated. This fee is nonrefundable and is valid for four quarters.

DELAYED REGISTRATION FEE
Graduated Late Service Fee
Upon receipt of a schedule (full, partial, or incomplete) a student is immediately responsible for payment of fees. Students who preregister for a quarter must pay their fees (or make satisfactory arrangements with the Treasurer’s Office) on the regular registration dates. Effective the first regular business day following the last regular registration day a graduated late service fee of $2.00 per day will be charged during the next ensuing five regular business days.

Students who do not preregister but register through the “secondary” registration procedures will be granted two additional days after the final regular registration day to pay their fees before the graduated late service fee begins. Such students will be charged the graduated late service fee beginning with the third regular business day following the last regular registration day. (Minimum charge $6.00, third day, $8.00 fourth day, $10.00 fifth day.)

Additional Late Service Fees
All students who have not completed registration and paid their appropriate charges (or made satisfactory arrangements with the Treasurer’s Office) within five regular business days after the last regular registration day will be charged an additional $10.00 late service fee (total $20.00). This $10.00 service fee is applicable to extension accounts and room and board charges which are not paid (or for which satisfactory deferral arrangements have not been made) within five regular business days after the date payment was due.

Students who have not completed registration and paid their appropriate charges (or made satisfactory arrangements with the Treasurer’s Office) within ten regular business days after the last regular registration day will be charged a second additional $10.00 late service fee (total $30.00) at any time, at the discretion of the University, be automatically withdrawn from school and assessed the appropriate fees as of the date dropped.

REINSTATEMENT SERVICE FEE $10.00
A student withdrawn (or subject to withdrawal) for the above reason (or any other reason) who may be permitted to continue enrollment for the quarter will be charged a $10.00 reinstatement service fee.

RETURN CHECK SERVICE FEE POLICY
In the event a check given to the University in payment of initial fees and charges fails to clear the bank, the late registration service fee in effect at the time the check is redeemed (or suitable arrangements are made) will be assessed, plus a $10.00 Return Check Service Fee (maximum $30.00).

If the student responds promptly to the first notice regarding the returned check but cannot return it that week, the $3.00 Delayed Payment Service Fee will be added to the Late Registration and Return Check Fee (maximum $33.00).

Any student who does not respond promptly and is thereby subject to withdrawal from the University will be assessed the $10.00 Reinstatement Service Fee and the $3.00 Delayed Payment Service Fee (maximum $43.00).

For other student checks in the amount of $30.00 or less (including checks for registration and related charges) returned by the bank, the service charge will be $5.00 if the bad check is made good within five days from the date of notice and $10.00 if made good after five days from the date of notice; for a bad check in excess of $30.00 (except for initial registration fees) the service charge will be $10.00 if the bad check is made good within five days from the date of notice and $15.00 if made good after five days from the date of notice. If it becomes necessary to retry a check for school for failure to clear a check, the $10.00 Reinstatement Service Fee will be added to the other return check service charges.

Only under extenuating circumstances will a student be reinstated after official withdrawal for failure to pay fees or redeem a bad check.

All students required to have a validated fee receipt to complete the registration process. This includes graduate and teaching assistants and others whose fees may be billed, prepaid, or waived. Delayed registration service fees are also applicable to such students.

No student is authorized to attend classes who has not obtained a class schedule from the Office of the Dean of Admission and a validated fee receipt from the Treasurer’s Office.

The University is authorized by statute to withhold diplomas, grades, transcripts and registration privileges on any student until student debts (other than Student Loan Fund notes) owed to the University are satisfied.

DEFERRED PAYMENT SERVICE FEE $3.00
This service fee is applicable when the payment of any part of a student’s account is deferred by satisfactory arrangement with the Treasurer’s Office, including accounts which must be billed to outside agencies, organizations and institutions. This fee is also applicable when any additional charge (out-of-state tuition, music fee, room and board adjustments, etc.) is not paid within five regular business days after the date it was incurred. Students are expected to meet the initial payment obligations promptly.

APPLICATION FEE $10.00
Each undergraduate, graduate, and College of Law application for admission must be accompanied by a fee of $10.00 before it will be processed. This fee is not refundable.

PROFICIENCY FEES $10.00
Fees for proficiency and substantiating examinations are $10.00 per course. See page 28 for information on proficiency, CLEP, or other organized examinations.

CO-OP REGISTRATION FEE $5.00
If credit is received, the fee will be determined by applying the appropriate quarterly hour rate.

AUDITOR’S FEE
Fees for courses being audited are the same as those taken for credit. Auditors do not take the examinations, receive credit, or participate in class discussions.

SPECIAL STUDENT AND POST-BACCALAUREATE FEES
Special students pay fees at the undergraduate rate. Post-Baccalaureate students pay fees at the graduate rate although graduate credit is not given for course work.

REFUND OF FEES AND ADJUSTMENTS
Withdrawal from school for the quarter after receiving a schedule must be by official notification to the Withdrawal Office, Student Counseling and Services Center, 900 Volunteer Boulevard. This is necessary whether or not fees have been paid, classes have been attended or the schedule is incomplete. Failure to attend class does not automatically withdraw or drop a student from school or class.

The effective date of withdrawal is the date the Withdrawal Office is notified by completion of the official withdrawal request form. The appropriate percentage of fees will be charged unless this action is completed by the close of the last day designated for regular registration and before the first official day of classes for the quarter. Failure to promptly notify the Withdrawal Office when withdrawing could result in a larger percentage fee assessment. Withdrawal does not cancel fees and charges already incurred.

The drop/add procedure must not be used to withdraw from school for the quarter.

For a regular academic quarter, withdrawal within 7 calendar days beginning with the first day following regular registration permits an 80 percent fee refund. Withdrawal between 8 and 14 calendar days following regular registration permits a 60 percent fee refund. Withdrawal between 15 and 21 calendar days following regular registration permits a 40 percent fee refund. Withdrawal between 22 and 28 calendar days following regular registration permits a 20 percent fee refund. Refunds, in accordance with the withdrawal refund policy, will be made after the drop deadline.

Part-time students may pay fees computed at the appropriate quarter hour rate as indicated above. There is no charge for courses dropped during the first five calendar days following regular registration. There is a 40 percent charge at the quarter hour rate for courses dropped between six and twenty-one calendar days following regular
Food Service Facilities

Excellent University-operated food service facilities have been provided. They are air-conditioned, conveniently located in relation to residence halls, and serve nourishing food at reasonable prices.

The University recognizes the educational role that its food service facilities play in student life and group living. The Food Services Department employs a skilled dietetic and management staff to ensure that the student gets the highest quality meal at the lowest possible cost.

Room and board meal arrangements are available. This plan offers the best combination of balanced, nutritious meals, carefully planned and served at a reasonable charge to the student. For students not under the Board Plan, meals can also be obtained from cafeterias operated on a cash basis.

In addition, the Food Services Department offers a plan whereby students can charge meals and may have the bill rendered to their parents monthly.

For the late evening snack or morning coffee break, popular spots on the campus are the delicatessens and grill operations. Students are invited to take advantage of the special "theme" meals offered in the University dining facilities throughout the year.

Student Financial Aid

The University of Tennessee offers a comprehensive program of financial aid for full-time students who otherwise would not be able to attend the University. Through these federal, state, and University financial assistance programs, an eligible student may receive one or more types of assistance to help pay college expenses.

Financial need is defined as the difference between a family's resources and the total expenses of attending the University. If there is a deficit, the student is considered to be in need of financial assistance. To assist in determining the need for financial aid, The University of Tennessee utilizes the national needs analysis system of the College Scholarship Service (CSS). Through the use of the CSS form and the Financial Aid Form (FAF), the Financial Aid Office determines the amount the parents and students could generally be expected to contribute toward meeting educational expenses. For more detailed information on the determination of need, please refer to the brochure entitled, "Financial Assistance For Students."

The University of Tennessee has three basic types of financial aid—scholarships and grants, loans, and part-time employment. These may be awarded individually or in combination according to the needs of the student.

Scholarships and Grants

Scholarships. The University of Tennessee (Knoxville) scholarship program for new and currently enrolled students is made possible through funds provided by the University, outside
foundations, estates, private businesses, civic groups, individuals, and alumni. The majority of these scholarships are coordinated by the Financial Aid Office. Some undergraduate scholarships for currently enrolled students are administered in the various schools and departments of the University.

Most scholarships are awarded to students who demonstrate strong academic achievement and proven need for assistance. There is, however, an academic merit scholarship program, based only on academic achievement. To compete for merit scholarships only, a student must submit an Application for Student Financial Aid. A financial statement is not necessary. Academic achievement is judged for entering freshmen students by the applicant’s secondary school academic record and scores on the American College Test Battery (ACT). Academic achievement for currently enrolled students and transfer students is judged by the applicant’s collegiate cumulative grade point average.

Scheduling merit scholarships, which are highly competitive; despite the generosity of University friends and alumni, there are not enough funds to provide scholarship aid to all qualified students. Scholarship stipends range from $100 to $750.

Most scholarships are awarded for one year, with the recipient competing for scholarships each year of enrollment in the University. The application for Student Financial Aid is a general application, and all applicants will be considered for every scholarship coordinated through the Financial Aid Office.

High school students should contact their school counselor or principal concerning scholarships offered by local individuals, national foundations, and other organizations.

**Basic Educational Opportunity Grants.** This is a federal grant program for undergraduate students displaying a financial need for funds. Because the BEOG is an entitlement program, all students needing for institutional assistance based on a financial need must apply for this program. Other forms of financial assistance will not be extended to a student who has been awarded a Basic Grant has been determined. To apply, the student submits the Financial Aid Form (FAP) to the College Scholarship Service. Approximately six weeks after the FAF is mailed, the student should receive the Basic Grant Student Eligibility Report (SER). Because the SER indicates eligibility, it needs to be sent to the Financial Aid Office. Annual scholarships under the Basic Grant program are subject to change by federal legislative action.

**Supplemental Educational Opportunity Grants.** This is a program of direct grants available to entering freshmen, transfer, and enrolled undergraduate students with exceptional financial need. Grants may be extended for a maximum of 12 quarters and must be matched dollar for dollar by other sources of financial aid, i.e., scholarships, loans, and/or earnings from University part-time employment. A Supplemental Educational Opportunity Grant must provide at least $500 per quarter or more than $1500, or exceed one-half of the student’s need for assistance. The above regulations and provisions of the Supplemental Educational Opportunity Grant are subject to change by federal legislative action.

**Nursing Scholarship Program.** The purpose of this program is to assist students of exceptional financial need who are enrolled as full-time students in a course of study leading to a baccalaureate degree or a graduate degree in nursing. The amount of scholarship which a student may receive depends upon financial need. The maximum scholarship available for any student in a twelve (12) month period is $2,000. The above regulations and provisions of the Nursing Scholarship Program are subject to change by federal legislative action.

**Student Loans**

**National Direct Student Loans.** Long-term loans are available primarily through the National Direct Student Loan. Proven need for financial assistance determines eligibility.

- Loan repayment and interest payments on National Direct Student Loans are deferred until after graduation, or as long as the individual remains in half-time attendance at an accredited institution of higher education in the United States. Repayment may also be deferred for a period of three (3) years when the borrower is serving in the Armed Forces, Peace Corps, or Vista. Interest is 3 percent per year on the unpaid balance. The maximum repayment period is ten (10) years with the current minimum annual repayment $360 or 10 percent of the accumulated loan, whichever is greater.

- If upon graduation the borrower becomes a full-time teacher in a public or non-profit school which is designated by the commissioner as having a high enrollment of low-income families or becomes a teacher of the handicapped, 15 percent of the total principal plus interest is cancelled for the first and second year of teaching, 20 percent for the third and fourth years, and 30 percent for the fifth year. If after graduation the student becomes a staff member in a preschool program which is operated for a period comparable to a full school year, 15 percent of principal plus interest will be cancelled for each year of service.

- Cancellation for up to 50 percent of the loan will also be in effect at the rate of 12½ percent of the total principal plus interest for each year of Armed Forces service in an area of hostility.

- An undergraduate may be extended a maximum annual loan of $1250 to an accumulated loan total of $5000. Graduate level students may be extended annual loans of $2500 to a maximum accumulated loan total of $10,000. The above regulations and provisions of the National Direct Student Loan Program are subject to change by federal legislative action.

The University of Tennessee Student Loans. Student loans from University sources are available to currently enrolled students with a 2.0 or above cumulative grade point average and up to $2500 per quarter or an annual maximum of $7500 can be extended. One surety or cosigner is required for each promissory note and a new promissory note must be completed for each loan installment. The interest is 3 percent per annum payable annually on the anniversary date of the note. The loan is made for a specific time period and is due at the end of a stated number of years from the date of disbursement may be obtained if academic studies are continued at the graduate school level. The borrower may, without penalty, pay all or part of the loan at any time before the maturity date.

**Nursing Student Loans.** The Nursing Student Loan is available to students who are enrolled or admitted as students in a course of study leading to a baccalaureate or graduate degree in nursing and who show need of assistance in order to pursue their course of study. The program provides a long-term loan at a 3 percent interest rate with repayment beginning nine months following the half-time study at an accredited school of nursing. Repayment may also be deferred for a period up to three years while the borrower is in the Armed Forces or Peace Corps or for up to five years for a full-time course of study leading to advanced professional training. If upon graduation the borrower becomes employed full-time as a registered nurse in a public or non-profit private agency or institution, up to 85 percent of the principal may be cancelled at the rate of 15 percent of the loan that was unpaid on the first day of employment plus interest for the first three years of employment and 20 percent for the fourth and fifth years.

The above regulations and provisions of the Nursing Loan Program are subject to change by federal legislative action.

**Health Professions Student Loan.** The Health Professions Student Loan is available to students who are enrolled or admitted in a course of study leading to a degree of Doctor of Veterinary Medicine and who show need of assistance in order to pursue their course of study. The program provides a long-term, low-interest loan with repayment beginning twelve months following termination of full-time study at an accredited health professions school. Repayment may also be deferred for a period up to three years while the borrower is serving in the Armed Forces or Peace Corps or for the years required for a full-time course of study leading to advanced professional training. Interest is 7 percent per year on the unpaid balance; the maximum repayment period is ten years. However, a minimum monthly payment may be required. Up to 85 percent of a Health Professions Student Loan will be repaid by HEW if the Armed Forces Veterinary Medicine graduate enters into a contract to serve as veterinarian in a shortage area designated by HEW. The maximum loan available to an individual borrower in an academic year is $3,500.
The above regulations and provisions of the Student Loans Program are subject to change by federal legislative action.

Student Employment
Two employment programs are available: the Federal Work-Study Program and the Financial Aid Office to help students find part-time employment.

The College Work-Study Program is a federal work program which provides jobs for students who have financial need and who must earn part of their educational expenses. Eligible students are placed in jobs on or off campus where they work approximately fifteen (15) hours per week.

The Student Employment Service operates as a central referral agency. It coordinates listings of part-time employment from both University and private employers with the requests of students seeking part-time employment. Referrals are made in accordance with the student's skills and qualifications.

Applications Procedures
Because a student's family resources can decrease and increase significantly during an academic year, the University requires each student to apply annually for renewal of financial aid.

(1) Complete and submit the Application for Financial Aid on or before the Financial Aid Office's deadline: March 1—Entering Freshmen, April 1—Current Enrolled and Transfer Students.

(2) Complete and submit a Financial Aid Form to the College Scholarship Service approximately six weeks prior to the priority deadlines. If applying only for an academic merit scholarship, a financial statement is not required.

(3) Transfer residents should complete and submit an application for the Tennessee Student Assistance Award if requesting aid based on financial need.

Financial aid programs, policies, and procedures are subject to annual change. Therefore, those interested in applying for financial aid should refer to the current informational brochure, "Financial Assistance Information," distributed by the Financial Aid Office.

Applications for financial aid can be obtained by writing to The Financial Aid Office, 301 Student Services Building, The University of Tennessee, Knoxville, Tennessee 37916. Graduating Tennessee high school students are encouraged to obtain application materials and information from their high school guidance counselor.

The University of Tennessee wishes to express gratitude to the contributors and donors of the following scholarships:

Honors and Awards

The honors and awards available to students at The University of Tennessee, Knoxville are listed with donors below. The University reserves the right not to award any of the honors or awards listed herein.

Dean's List

Public announcement of students passing a quarter's work "With Highest Honors" (grades from 3.75 through 4.0), "With High Honors" (3.40 through 3.74), "With Honors" (3.0 through 3.39). To be eligible, a student must complete at least 12 hours, not counting work taken on satisfactory/no credit basis.

College of Agriculture

The American Society of Agricultural Engineers each year selects an outstanding agricultural engineer as the ASAE Student Honor Award. Based on scholarship, activities, and community contributions, the award consists of a key and certificate.

The American Society of Agronomy has made available a Certificate of Merit for an outstanding senior in the Department of Plant and Soil Science who has a superior academic record and displays evidence of high potential in this field.

The American Society of Animal Science awards scholarship medals and embossed certificates to sophomores, junior, and senior students in the Department of Animal Science who are of good moral character and rank scholastically in the top 10 percent of their class.

The Block and Bridle Club recognizes students in Animal Science who are successful in their academic program, have made unusual contributions to the Club's program, and show evidence of leadership in their chosen field.

The Danforth Foundation Inc. provides a fellowship to support two weeks of leadership training at Camp Minniwanca on the shores of Lake Michigan for an outstanding agricultural student following the freshman year.

The Forestry Faculty Scholarship Award, given annually at the end of the junior year of the recipient who is selected by the forestry faculty on the basis of outstanding scholarship and contribution to the forestry program.

The Kentucky-Tennessee Society, Section of the American Foresters Scholarship, awarded every third year to the freshman forestry student with the highest scholastic average. The award is in cash and a framed certificate.

The Jacob Animal Husbandry Award, given by East Tennessee Packing Company.

The J. B. Madden Memorial Foundation Fund, established by J. B. Madden family. Income from $1,000, for prizes in livestock judging competition.

The Student-Faculty Council Awards. Each year the College of Agriculture Student-Faculty Council presents plaques to four seniors, three juniors, and two sophomores who are selected in the College judged to be outstanding. Selection is based on scholarship, character, and demonstrated leadership ability. Plaques are also presented to the two students in each class with the highest scholastic averages.

The Tennessee Poultry Improvement Board Awards. $100 available for awards to students competing in poultry and poultry products judging.

School of Architecture

Malcolm Rice Achievement Award. $100 awarded annually to the third-year student showing most improvement with design studio.

College of Business Administration

Beta Gamma Sigma Awards. Plaques and awards given to the freshmen and sophomore students with highest grade point averages by this national business honor society.

Delta Sigma Pi Scholarship Key, given by international fraternity to male senior with highest four-year scholastic average.

The John Fred Holly, Jr. A memorial scholarship endowed by the parents.

Knoxville Sales Executive Club Award. Plaque, plus dinner in student's honor, to outstanding senior marketing major.

John M. and Suzanne W. Larsen Phi Kappa Phi Scholarship Award. Awarded to the College of Business Administration junior initiates with the highest grade point averages.

John M. and Suzanne W. Larsen Beta Gamma Sigma Outstanding Male and Female Awards. Awarded to the male and female College of Business Administration junior initiates with the highest grade point averages.

Lutz Award, given by J. E. Lutz & Co., Inc., Knoxville. Cash award to student with minimum of 120 quarter hours having highest scholastic record after completion of first eight quarters of required courses in chosen curriculum.

Lutz Insurance Award, given by J. E. Lutz & Co., Inc. Cash award to finance major submitting most scholarly, completely satisfactory written project in insurance field.

Fulton Beverly Moore, III Memorial Real Estate Scholarship. A memorial scholarship fund endowed by the parents.

PI Omega Pi Scholarship Key. Key to senior business education major with highest 11-quarter scholastic average.

John Sample Agency for Connecticut Mutual Life Insurance Company. Cash award to a student majoring in insurance.

Smoky Mountain Chapter of the Bank Administration Institute. Cash award to a junior or senior who is a resident of Tennessee and majoring in banking.

Wall Street Journal Award. Student Award Medal, year's subscription to The Wall Street Journal to outstanding student in finance classes using this newspaper during the year.

William Way, Jr., Memorial Award. Gold medal or key to senior transportation major with highest academic average.

Zeta Lambda Chapter of Alpha Kappa Psi, professional business fraternity, awards annually the Alpha Kappa Psi Scholarship Award to the male student pursuing a degree in business who has attained the highest scholastic average for three years of collegiate work in this University.

College of Communications

Advertising Club of St. Louis College Award Citation, given to outstanding man and woman graduating in Department of Advertising.

Alcoa Foundation Scholarship. $600 to an outstanding undergraduate planning a career in public relations.

Alcoa Foundation Minority Scholarship. $600 to an outstanding undergraduate minority student in the College.

Kari and Madira Bickel Scholarships. Freshman Scholarships up to $1,000. Upperclass Scholarships up to $1,000. Doctoral Scholarships up to $4,000. Open to all students showing academic performance (3.00 or B or better), professional promise and need.

Edward J. Meeman International Communications Fellowships. Up to $1,500 each, to two outstanding graduate students from other countries.

Ennie Pyle Memorial Award, given by Scripps-Howard Newspapers. Certificate and basic journalism library awarded to the outstanding senior in recognition of scholarship and journalistic achievement.

Greater Knoxville Ad Club Award, given to outstanding graduate in Department of Advertising.

Hoyt B. Wooten Award, given by family. Plaque and basic broadcasting library awarded to the outstanding senior in recognition of scholarship and broadcasting achievement.

Journalism Faculty Scholarship. Up to $500 to an outstanding major in the School of Journalism.

Myron G. Chambers Scholarships, given by Scripps-Howard Newspapers. $1,000 total to one or more outstanding undergraduates in the Department of Advertising.

Pen Women of America Scholarship. $100 given by the Knoxville Branch to an outstanding junior journalism student who has shown promise as a writer.

Frank B. Powers Scholarship, given by Scripps-Howard Newspapers. $1,000 total to one or more outstanding undergraduates in the Department of Advertising.

Sammie Lynn Puet Award, given to outstanding student in the public relations sequence in the School of Journalism.

Society of Professional Journalists, Sigma Delta Chi Outstanding Graduate Citation. Certificate given by professional journalism society to outstanding graduate.
Tennessee Association of Broadcasters. $300 to outstanding freshman and outstanding junior or senior student majoring in broadcasting.

Willis C. Tucker Scholarship Award, given by Society of Professional Journalists, Sigma Delta Chi. Silver bowl or key to graduating senior with highest academic average.

College of Education
Kappa Delta Pi, honor society for professionals and students in education. Minimum 3.5 grade point average. Recognizes outstanding contributions to field of education. Membership by invitation.

Knoxville Branch of American Association of University Women Award. Membership to senior woman selected on basis of scholarship and leadership qualities.

Pi Lambda Theta Fraternity Scholarship Key, Key, to junior girl showing most outstanding qualities for professional leadership in education, attaining high scholastic average through junior year.

College of Engineering
American Chemical Society. East Tennessee Section. American Chemical Society offers an award each year to an outstanding senior in chemical engineering.

American Institute of Aeronautics and Astronautics. Award of one-year membership made each year to a branch member whose performance scholastically and in branch activities has been outstanding.

American Institute of Chemical Engineers Professional Achievement Award to chemical engineering senior who has contributed most to student chapter. Name engraved on permanent plaque, and certificate.

American Institute of Chemical Engineers Scholarship Award to chemical engineering junior who attained highest scholastic average in first two years. Certificate and handbook.

American Institute of Chemists Medal. Recognition of an outstanding student in chemical or metallurgical engineering. Medal and certificate.

American Society of Mechanical Engineers. Annual certificate presented each year to member of the student section for outstanding work with the professional society.

Armour T. Granger Memorial Scholarship. A cash award given jointly by the Department of Civil Engineering and the American Society of Civil Engineers, Tennessee Valley Section, to a senior. Based upon scholarship, need, and activity in the ASC. Certificate and $100.

The Arthur Brownlow Wood Memorial Scholarship Fund. A cash award made annually to one or more outstanding students in engineering.

Association of Textile Industrial Engineers Award. A $500 1-year award based on need, given by the Department of Industrial Engineering to a senior.

Billy J. and Sylvia F. Moore Scholarship Fund. A cash award given to one or more upperclass students engaged in electrical engineering, preferably seniors who have participated in the engineering co-op program. Based on both academic achievement and need.

East Tennessee Chapter of American Institute of Industrial Engineers Award. Award of handbook and plaque to the outstanding senior industrial engineering major.

East Tennessee Section of the Institute of Electrical and Electronics Engineers. Cash award made annually to junior in electrical engineering with an outstanding scholastic record.

Electrical Engineering Leadership Award. One or more cash awards may be made annually to juniors or seniors in electrical engineering who have exhibited outstanding leadership ability and have maintained a B average or above.

H.L. Weissberg Memorial Award. An annual award given by the Department of Mechanical and Aerospace Engineering to an outstanding senior majoring in engineering science. Letter of recognition, plaque.

J. Mack Tucker Outstanding Senior Award. Recognition by the Student Section of the American Society of Mechanical Engineers of the outstanding senior in the Department of Mechanical and Aerospace Engineering. Award is based on leadership, scholarship, and service. Name on plaque.

Joel F. Bailey Award. Recognition by Tennessee Tau Eta Chapter of Pi Tau Sigma of the student in mechanical and aerospace engineering having the highest grade point average in each calendar year. Name on plaque.

John Milton Snoddy Scholarship Endowment Fund. Cash award in recognition of scholastic achievement and evidence of high potential as a future civil engineer, to one or more upperclass civil engineering students as selected by the civil engineering faculty.

Patterson and DeWar Scholarship. Cash award to a senior in electrical engineering majoring in electrical power distribution.

Tau Beta Pi Outstanding Senior Award, given by the Tennessee Alpha Chapter. Recognition of a senior in engineering who displays outstanding service, leadership and scholarship. Name on plaque.

University of Tennessee Book and Supply Store Store Award. An electronic calculator awarded quarterly. Chosen by departmental committees in rotation. Given to an upperclassman on the basis of need and demonstrated academic performance.

College of Home Economics
Akima Club Interior Design Scholarship. Awarded to student enrolled in interior design. In-state tuition.

Central State Bank of Lexington. Awarded to student from Henderson County. $300.

Jack Daniel Distillery Scholarship. Awarded to student enrolled in the food and lodging administration program. $500.

Donelson Home Economists. $500.

Irene Hill Greene and Condon L. Greene Memorial Scholarship. Awarded to student from Anderson County. $500.

Gibson County Farm Bureau. $400.

Jessie W. Harris Scholarship. Awarded to sophomore, junior and senior with highest scholastic record. Three, $300 each.

Hawkins County Farm Bureau. Awarded to a freshman from Hawkins County. $300.

Herkord Dietetic Scholarship. Awarded to students enrolled in the coordinated undergraduate program in dietetics. Ten, $100 each.

Howard Johnson's Scholarship. Awarded to student enrolled in the food and lodging administration program. $700.

Tennessee Howard Johnson's Scholarship. Awarded to student enrolled in the food and lodging administration program. $700.

Knoxville Hotel-Motel Association Scholarship. Awarded to student enrolled in the food and lodging administration program. $500.

Lewisohn Scholarships, endowed by Frederick Lewisohn. Ten, variable.

Memphis Hotel-Motel Association Scholarship. Awarded to student enrolled in the food and lodging administration program. $500.

Nashville Area Home Economists in Homemaking Scholarship. Awarded to a Nashville resident. $500.

Nashville Hotel-Motel Association Scholarship. Awarded to student enrolled in the food and lodging administration program. $500.

Nellie Crooks Award. Award of reference books and journals to an outstanding junior.

National Institute of the Foodservice Industry. Awarded to student enrolled in the food and lodging administration program. $500.

Omicron Nu Sophomore Scholarship Award. $100. Awarded by the home economics honor fraternity.

Joe Powell Memorial Scholarship—District II 4-H All Stars. Awarded to 4-H All Star member from District II. $300.

Roane County Council of Home Demonstration Clubs. Awarded to freshman from Roane County. $250.

Schenley Industries Scholarship. Awarded to student enrolled in the food and lodging administration program. $300.

Scruggs Restaurant Equipment, Inc., Scholarship. Awarded to student enrolled in the food and lodging administration program. Two, $250 each.

Standard Textile Scholarship. Awarded to student enrolled in food and lodging administration program. $250.

Stouffer Foods Corp. Scholarship. $300.

Tennessee Chapter of Future Homemakers of America. One, $300.

Tennessee Dietetic Association. Awarded to upperclassman enrolled in dietetics program.

Tennessee Rehabilitation Corporation Scholarship. Ten, $425 each.

Tennessee Restaurant Association Scholarship. Awarded to student enrolled in food and lodging administration program. $500.

Association of Extension Home Economists. $250.

University of Tennessee General Scholarships. Variable.

Washington County Farm Bureau. Awarded to student from Washington County. $300.

Western Sizzlin Steak House Scholarship. Awarded to student enrolled in the food and lodging administration program. $500.

White Stores Scholarship. Awarded to an entering freshman. $450.

F. Dwight McDonald Scholarship. Awarded to an entering freshman. $450.

College of Law
Callaghan and Company Prize. A copy of Brown on Procedure to student who has attained the highest average during the junior year in the College of Law.

Herbert L. Davis Memorial Trust Fund. An award of $100 to law student who has the highest scholastic average for the first two years of work in the College of Law.

Knoxville Auxiliary to the Tennessee Bar Association. An award of $100 to law student who has the highest scholastic average in the first year of work in the College of Law.
Italian Studies Award, established by Italian division of Department of Romance Languages. Cash award to outstanding student in upper-division courses in Italian.

Knickbocker Poetry Prize, for excellence in writing poetry. Founded by the late Stephen L. Mooney in honor of a former head of the English department, $50.

Senior Latin Foundation Prize, established by friends of the classics. Cash award, to member of senior Latin class showing greatest proficiency in the course.

Charles L. McClung Prizes. First prize of $100, second prize of $50, to junior or senior for excellence in composition and declamation. Subjects are set by English department in first quarter of academic year. Manuscripts must be submitted by Feb. 15. Six finalists compete in public declamation contest on first Wednesday evening in March.

Students must have completed 110 credit hours in courses required in the forestry curriculum. Membership is limited to students who have earned a minimum of 15 hours in professional forestry courses.

Awards and Scholarships

Office of the Vice Chancellor for Student Affairs

The Vice Chancellor for Student Affairs coordinates the various offices and departments of the University which offer assistance to students in their education and life beyond the classroom.

Office of Career Planning and Placement Service

This service is engaged in two major types of activity. First, students are offered the opportunity of receiving many forms of career advising and are provided with a wide range of career literature and audio-visual materials. Second, students and alumni are given several aids for their job search process. These include on-campus interviews, job listings, employer information and address lists, a credentials service, placement interviews, and training in interviewing, résumé writing, and other job search skills.

Office of the Dean of Admissions and Records

All matters relating to undergraduate admission to the University and to credit for work at other schools and colleges are administered by the Dean of Admissions and Records. All credit for college work is recorded and is accepted for admission, and inquiries about admissions should be addressed to the Director of Admissions, The University of Tennessee, Knoxville, Tennessee 37916. Student Financial Aid is also administered under the direction of this office. Information on available financial aid may be obtained by writing the Director of Financial Aid, 301 Student Services Building, The University of Tennessee, Knoxville, Tennessee 37916.

In addition to undergraduate admissions, this office has general administrative responsibilities for precollege and academic retention and readmission activities, maintenance of student academic records, certification of completion of requirements for undergraduate degrees, registration procedures, and eligibility for athletic participation. This office also administers relations between students and the Social Security Administration and Veterans' Administration.

Handicapped students may receive special assistance in registering and arrangement of schedules through this office.

Office of the Dean of Student Activities

The Office of the Dean of Student Activities, Suite 413 Student Services Building, Circle Park Drive, coordinates all student activities and programs. Its area of

*These regulations do not apply to the College of Law or to the divisions in UT Center for the Health Sciences. For the Law College requirements, see the Law College section; for others, see appropriate catalog.
