establishing an Agricultural and Mechanical College. The new program was supported by an endowment resulting from the sale of land warrants received by Tennessee from the federal government.

Ten years later, in 1879, East Tennessee University was chosen by the State Legislature as Tennessee's State University, and its name was changed to "The University of Tennessee." By this act the University became pledged to the service and interest of the entire state. The state pledged to the University its own name and reputation, promising the institution a vital role in the progress of the state.

The University today is a statewide institution in terms of its physical locations as well as its services. The Center for the Health Sciences, founded in Nashville and taken over by the University in 1879, was moved to Memphis in 1911. The Martin campus was established in 1900 as a private institution, Hall-Moody Junior College, and it became a part of The University of Tennessee in 1927. The School of Social Work at Nashville became part of the University in 1951. A fourth primary campus was established at Chattanooga in 1959 with the merger of the University with the University of Chattanooga. The University's Nashville Center, established in 1947, was made the fifth primary campus in 1971. UTN's academic programs were merged with those of Tennessee State University in 1979.

Agriculture Experiment Stations were established at Jackson, Spring Hill (Columbia), Springfield, Lewisburg, Crossville, Wartburg, Oak Ridge, Greeneville, and Grand Junction. The University Division of Continuing Education coordinates programs offered by the primary campuses. The Division of Continuing Education, Knoxville, conducts evening classes, workshops and off-campus programs, conferences, and non-credit programs for the campus. The Agricultural Extension Service, with district offices at Jackson, Nashville, Cookeville, Chattanooga, and Knoxville, has agricultural extension leaders and agents in each of Tennessee's 95 counties.

In 1968 the Board of Trustees reorganized the institution into a University system, giving a central administrative staff responsibility for statewide functions of the University. Each primary campus came under the administrative direction of a chancellor.

State Legislatures and Governors of Tennessee, particularly those of the past half century, have shown an active interest in the development of The University of Tennessee. Such support has helped the University broaden and strengthen its efforts to meet the educational, research, and service needs of the people of Tennessee through programs which have earned national and international recognition.

Any and all course offerings, academic requirements, and other information contained in this publication are subject to change and/or revocation without notice. See page 2 for sources of current information.
A student is expected to complete the association process at a time well in advance of the completion of degree requirements. Many upper-division courses are available only to students who have been accepted into a particular major. Non-majors may not be allowed to take such courses. A University student should choose a degree with which association is desired to determine the latest time (in terms of coursework required for the degree) at which association is possible.

**SOURCES OF INFORMATION FOR PROSPECTIVE AND NEW UTK STUDENTS**

Table I below presents the most commonly-sought sources of information about admission and related matters at the University of Tennessee, Knoxville.

**REQUIREMENTS FOR ADMISSION AS A UTK UNDERGRADUATE STUDENT**

Anyone interested in attending UTK as an undergraduate student should contact the Admissions Office, 320 Student Services Building, for application forms and informational booklets. Return of completed forms and transcripts to the Admissions Office results in the formation of an admissions file for each applicant. When a file is complete, an admissions decision is made by personnel in the Admissions Office, and the applicant is notified of the decision.

The contents of a complete admission file for each of the various admission categories is described below and in Table III. When requesting application forms from the Admissions Office, an individual should be sure to state which category of admission is being sought.

**Freshman Applicants**

For admission purposes, a student is classified as an entering freshman if:

1. there has been no previous college-level credit earned or
2. the total of attempted college-level credit work at an accredited institution has been less than 12 quarter hours.

In addition to the application form, a freshman applicant should:

1. Have a complete high school credits sent to the Admissions Office by all high schools attended. At least three units of English must have been completed. A supplemental report is commonly sent by a high school when the initial transcript is submitted to UTK prior to graduation. If any courses have been taken for college credit (but the total credit hours of the courses attempted is 11 or less), the institution granting the credit must be contacted by the student and asked to send a transcript to the UTK Admissions Office as part of the admission file. Students who have achieved a high school diploma through the General Education Development Test must have the GED scores sent.
2. Have a score report of the American College Testing Program (ACT) sent by that organization to the Admissions Office. The score report is a necessary part of the application. Although Scholastic Aptitude Test (SAT) scores may be sent, they are not required and cannot substitute for the ACT scores. The ACT tests are administered five times a year: the first Friday of October, December, February, April, and June. Information concerning the ACT and application forms may be obtained from high school guidance counselors or directly from: American College Testing Programs, P. O. Box 168, Iowa City, Iowa 52240. The test can be taken in either the junior or senior year of high school.

Prospective freshmen must undergo a relatively low ACT composite score and/or high school grade point average in order to be admitted for admission by a University Admission Committee. Extremely low probability of academic success at UTK, based on available evidence, may result in non-approval of admission. Applicants will be promptly notified of the admission decision. The application deadlines stated elsewhere in this catalog should be closely observed.

**Advanced Placement Examinations**

Freshmen admitted to UTK may receive credit on the basis of performance on one or more of the Advanced Placement Examinations offered each May by the College Entrance Examination Board in 13 subject areas. The tests are usually taken by junior or senior high school students preparing to enter college.

Because the material covered by the tests is comparable to introductory courses at the college level, many colleges and universities have granted advanced placement or actual course credit with a score of 5 or more. Scholarship awards are often given to students who score 4 or 5 on Advanced Placement Tests.

**Transfer Applicants**

A student who has attempted 12 quarter hours or more of college credit coursework at one or more accredited institutions of higher learning must apply for admission as a transfer student. A complete transcript of all work at each institution attended should be sent by those institutions directly to the UTK Admissions Office. Transcripts carried by the student may be useful in the advising and course selection process, but they are not acceptable in the admissions file. ACT scores and high school transcripts are not normally required. When these are needed, notification will be sent by the Admissions Office following receipt of the application form. Upon admission to UTK, a transfer student may be classified as a freshman, sophomore, junior, or senior, according to the number of quarter hours passed (see page 32).

Prospective transfers to UTK are encouraged to complete a sequence of related courses rather than transferring a single course from a previous community college or school within the state of Tennessee. Transcripts should be submitted to UTK within six months after graduation. The institution granting the credit must be contacted by the student and asked to send a transcript to the UTK Admissions Office as part of the application file. Students who have achieved a high school diploma through the General Education Development Test must have the GED scores sent.

2. Have a score report of the American College Testing Program (ACT) sent by that organization to the Admissions Office. The score report is a necessary part of the application. Although Scholastic Aptitude Test (SAT) scores may be sent, they are not required and cannot substitute for the ACT scores. The ACT tests are administered five times a year: the first Friday of October, December, February, April, and June. Information concerning the ACT and application forms may be obtained from high school guidance counselors or directly from: American College Testing Programs, P. O. Box 168, Iowa City, Iowa 52240. The test can be taken in either the junior or senior year of high school.

Prospective students interested in the University of Tennessee, Knoxville, should be aware of the requirements for admission. Requirements are established by the University to ensure that only students capable of benefiting from the programs available will be admitted. The University of Tennessee, Knoxville, welcomes all qualified students to apply for admission. Admission is dependent on the availability of space, the acceptance of applications, and the meeting of the specific requirements.

</table>
| **TABLE II**
<p>| TERMS COMMONLY USED IN ADMISSION AND REGISTRATION PROCEDURES AT UTK |
|-----------------|--------------------------------------------------------------------------------------------------|
| <strong>Admission</strong>   | The process of being admitted to UTK as a university student with the opportunity to take classes. |
| <strong>Association</strong> | The process of acceptance of an admitted student into a particular academic degree program of a college or school at UTK. |
| <strong>Lower division</strong> | 1. A course normally taken during the freshman and sophomore years. In the UTK courses numbering system, lower division courses carry 1000 and 2000 numbers (see page 31). Credit for lower division courses completed at another institution may be labeled &quot;LD credit.&quot; |
|                 | 2. A term referring to a student's location in the progression of coursework leading to an undergraduate degree and implying freshman or sophomore classification. |
| <strong>Upper division</strong> | 1. Courses normally taken during the junior and senior years (3000 and 4000 numbers at UTK). A student taking primarily junior and senior courses is said to be an upper division student. Credit for upper division courses may be labeled &quot;UD credit&quot; on a transfer evaluation. |
|                 | 2. The state of being classified as a junior or senior. |
| <strong>Add deadline</strong> | The latest date in an academic quarter at UTK when a course may be added to a student's class schedule without approval of someone other than the student (exception: when the additional hours produce an academic overload, see page 31). |
| <strong>Drop deadline</strong> | The latest date in an academic quarter at UTK for removing a course from a student's official course schedule without approval of someone other than the student (see page 31). |
| <strong>Curriculum</strong>  | The set of courses offered in a particular degree program. More generally, the courses (in total) offered in a college or university. The plural word is curricula. |
| <strong>Prerequisite</strong> | A requirement to be completed (or a level of skill or knowledge to be demonstrated) before enrollment in a course, a degree program, or association with a college. |
| <strong>Corequisite</strong> | A course to be taken or a requirement to be fulfilled at the same time as a particular course is being taken. |
| <strong>Application deadline</strong> | The date which all documents required for the admissions file of a prospective student must be received by the UTK Admissions Office (see page 26). |
| <strong>Admissions file</strong> | The set of documents related to a request for admission to UTK. The set contains the application form and official transcripts of previous work in high school or college and may contain standardized test scores (ACT for freshman applicants), a statement of career objectives, forms for international students, or other information required by the Admissions Office or by a particular college or school. |
| <strong>Registration</strong> | The process of officially gaining entrance into one or more courses. |
| <strong>Orientation</strong> | A meeting (or series of meetings) designed to acquaint a new student with the facilities, policies, sources of information and assistance, and academic and social atmosphere of UTK. |
| <strong>Quarter hour</strong> | The unit of academic credit at UTK (see page 29). |
| <strong>Semester hour</strong> | A unit of academic credit used in the UT Law College and at many colleges and universities. Three quarter hours is equivalent to two semester hours. |
| <strong>Academic load</strong> | The total quarter hours of credit for all courses taken during a specified time—quarter, mini-term, semester. |
| <strong>Full-time undergraduate student</strong> | One who is registered for 12 quarter hours or more during a quarter. |
| <strong>Quarter</strong> | The division of the calendar year used in academic scheduling at UTK. A quarter is roughly 3 months in duration. More specifically, courses normally last for approximately 11 weeks. |</p>
<table>
<thead>
<tr>
<th>Term</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quality points</td>
<td>UTK compiles academic performance records through use of a scale assigning 4 “quality points” per quarter hour of credit for an “A” grade ranging to 1 quality point per quarter hour of credit for a “D” grade (see page 29).</td>
</tr>
<tr>
<td>Grade point</td>
<td>An average on the 4-point scale determined by dividing the total accumulated quality points by the corresponding total of quarter hours of credit attempted. Certain grades do not influence this computation (see page 29). High schools have a similar procedure for computing an average on the numerical grading scale (often abbreviated as HSGPA).</td>
</tr>
<tr>
<td>AP exam</td>
<td>An Advanced Placement Examination in a specific subject area available nationally to high school students from the College Entrance Examination Board (CEEB). Obtain information on taking the examination from a high school guidance counselor. Information on UTK course credit for these examinations is available from the Admissions Office. (See page 14.)</td>
</tr>
<tr>
<td>CLEP test</td>
<td>Subject area examination administered by the College Entrance Examination Board. Details and comparisons with the AP exam can be obtained from: The College-Level Examination Program Box 1821 Princeton, NJ 08540 Refer to page 34 for statements on acceptance of CLEP text scores for academic credit at UTK.</td>
</tr>
<tr>
<td>Proficiency exam</td>
<td>A test given to a student admitted to UTK to evaluate knowledge or skills normally acquired through completion of a particular UTK course. Refer to page 33 for details.</td>
</tr>
<tr>
<td>TOEFL test</td>
<td>An internationally-administered examination measuring ability to use the English language. Required of any international student applying to UTK whose native language is not English (see page 26 for exceptions). For information and to make arrangements to take the examination, contact: The Test of English as a Foreign Language Educational Testing Service Princeton, NJ 18540</td>
</tr>
<tr>
<td>English Proficiency Test</td>
<td>A test taken at UTK prior to initial registration (but after admission) by undergraduate international students to determine what English course (if any) must be taken at UTK. This local test is in addition to the minimum TOEFL test requirement. (See page 26.)</td>
</tr>
<tr>
<td>University honors course</td>
<td>A non-departmental enrichment course available (by invitation only) from the College of Liberal Arts (page 214).</td>
</tr>
<tr>
<td>Honors course or section</td>
<td>A version of a regular course reserved for students with superior preparation for that course. See, for example, English honors (p. 205); Chemistry honors (p. 195); Mathematics honors (p. 215); History honors (p. 212).</td>
</tr>
<tr>
<td>Evening school</td>
<td>An administrative unit of UTK’s Division of Continuing Education designed to serve students who work during the major portion of the day (see page 102).</td>
</tr>
<tr>
<td>Major</td>
<td>The principal education interest of a student as represented by one of the curricula offered by the various colleges at UTK. The undergraduate degree may or may not carry the same title as the major. Every student has one or more majors but may or may not have a concentration within a major or be following an option within a major.</td>
</tr>
<tr>
<td>Minor</td>
<td>A secondary subject area interest (to the major) represented by a specified set of hours and/or courses. Differs from “concentration” in that a minor is not a subdivision of the major subject area.</td>
</tr>
<tr>
<td>Concentration</td>
<td>A collection of courses within a major which focus on a particular subject area. The term “concentration” describes the nature of the set of courses; the term “option” designates the mechanism by which a student enters into a particular concentration.</td>
</tr>
<tr>
<td>Option</td>
<td>A concentration of elective courses within a major which emphasizes one aspect of the major, chosen by a student according to his/her interests.</td>
</tr>
<tr>
<td>Accredited</td>
<td>A term applied to a school or specific program which has been recognized by some national or regional organization as meeting certain academic standards for quality and educational environment.</td>
</tr>
<tr>
<td>Admissions Category</td>
<td>Admissions Requirements</td>
</tr>
<tr>
<td>---------------------</td>
<td>-------------------------</td>
</tr>
<tr>
<td>FRESHMAN In-state</td>
<td>Graduation from an approved high school; submission to UTK of transcript and ACT test results. Applicants whose ACT composite score is below 10 and whose high school GPA is below 2.00 will not be admitted. Others having relatively low scores will be reviewed for admission by a university committee.</td>
</tr>
<tr>
<td>FRESHMAN Out-of-State</td>
<td>Same as for in-state. In addition, applicants from states in the region served by the Southern Association of Colleges and Schools (AR, AL, FL, GA, KY, LA, MS, NC, SC, TX, and VA) must have a high school grade point average at least 2.25 and an ACT composite score at least 18. Applicants from other states must have high school grade point average at least 2.25 and ACT composite score at least 20.</td>
</tr>
<tr>
<td>FRESHMAN—GED Diploma</td>
<td>Applicant’s high school class must have graduated; must be at least 18 years old; and must have an average standard score of at least 50 on the high school level General Education Development Test. High School transcript(s) showing all work completed must be submitted. Out-of-state applicants must take ACT test and have a composite score of at least 20. High School GPA is not a factor in admission.</td>
</tr>
<tr>
<td>FRESHMAN—EARLY ADMISSION</td>
<td>Must have completed junior year in high school, have a high school grade point average of at least 3.50, and have an ACT composite score of 28 or above. Application is subject to review and approval by the Director of Admissions following an interview.</td>
</tr>
<tr>
<td>TRANSFER In-State</td>
<td>At least 12 quarter hours of college credit work attempted at an accredited institution of higher learning; honorable dismissal from all such institutions attended; transfer grade point average of at least 2.00.</td>
</tr>
<tr>
<td>TRANSFER Out-of-State</td>
<td>Same as for in-state transfer applicants except that those applicants desiring college or school association at the time of admission will have the admissions decision made by the College Committee on Admissions.</td>
</tr>
<tr>
<td>INTERNATIONAL</td>
<td>Refer to “International Student Applicants” in text.</td>
</tr>
<tr>
<td>TRANSIENT</td>
<td>Refer to “Transient Student Applicants” in text. One quarter limit in this category at UTK unless special permission is given by the Director of Admission.</td>
</tr>
<tr>
<td>NON-DEGREE</td>
<td>May not be a candidate for the bachelor’s degree. Must show satisfactory evidence of preparation for the courses to be taken at UTK. Applicant’s high school class must have graduated (this is not an early admissions category).</td>
</tr>
</tbody>

*Minor available.
†Minor available in Portuguese.
‡Minor available to students in College of Education and the College of Liberal Arts.
they are applying to UTK as freshmen, or transient students. In addition to the information below, a pamphlet entitled "The University of Tennessee Overseas Applicant Information" is available from the International Student Affairs Office or from the Office of International Student Affairs upon request. In making application for admission to undergraduate study, each international student is required to provide the following:

1. A completed application for undergraduate admission;
2. Authenticated copies of all academic records. These records should describe the course of studies in terms of years spent in school and types of subject matter covered, with grades earned in each subject;
3. Evidence of English proficiency according to the following requirements for students whose first language is not English.
   a. Any applicant to the undergraduate program whose first language is not English - with the exception of some transfers from certain colleges or universities in the United States (see (b) below) - must present a "Test of English as a Foreign Language (TOEFL)" score of at least 550 (earned within two years prior to application) before being admitted; final consideration cannot be granted until test results are received by the Director of Admissions.
   b. The University of Tennessee English Placement Test must be taken prior to registration; this test will determine whether the student needs to take more English courses, or if, at what level. The English Placement Test grants no credit. Students assigned to special English courses must enroll in the first quarter of attendance, stay continuously enrolled in the assigned courses until completion of all requirements, and should complete the requirements within the first year of continued enrollment at The University of Tennessee, Knoxville.
   c. An undergraduate student whose first language is not English is exempted from taking the UTK English Placement Test and from presenting a TOEFL score of 550 if the student has satisfied all requirements for freshman composition with a grade of C or better at a college or university in the United States which is accredited by a regional association.
   d. A United States citizen or permanent resident whose first language is not English but who has graduated from a high school in a country whose first language is English, may be admitted under the conditions that apply to United States citizens whose first language is English. Any other United States citizen or permanent resident whose first language is not English must conform to the regulations stated in (a) and (b) above.

4. Applicants from Ghana, Nigeria and Iran are required to make sufficient monetary deposit prior to insurance of Form I-20 to secure a student visa. This deposit is credited to tuition and fees. The balance is remitted to the student at the beginning of each quarter.

Information on these requirements is sent to international student applicants along with the necessary forms upon receipt of a letter of inquiry about admission. Information may also be requested from the Office of International Student Affairs, 201 Alumni Hall. International students are subject to various enrollment limitation regulations comparable to those affecting U.S. citizens. The Admissions Office will notify any applicant of any applicable regulations in effect at the time of application.

**Transient Student Applicants**

A transient (temporary) student is one who is actively enrolled in a program at another accredited institution of higher learning but who desires to enroll temporarily at UTK because of the availability of certain coursework or because of temporary residence in the Knoxville area.

Transient students desiring to continue at UTK for more than one quarter must file an application for admission as a transfer student.

Students desiring to attend UTK on an interim basis only one quarter must submit, in addition to the application form, (1) a letter of good standing form the institution at which enrolled, and (2) a statement of the objective for enrolling one quarter at UTK. This statement should describe desired UTK courses, or at least the subject areas of coursework to be taken here.

Since academic records will not be available at UTK for transient students, academic advising will be made about information about courses in which the student enrolls. Such information is obtained from the department offering a course: Use of UTK courses in a transient student's degree program is a matter to be determined by the home institution, not by UTK. Transient students must have the required background (prerequisites) and meet all other course requirements the same as any other student. Academic overloads will not be permitted.

**Non-Degree Student Applicants**

Persons desiring to take courses for credit, but who do not intend to pursue a degree, should apply for non-degree status. Working adults may choose to apply through the University Evening School for convenience. There is no difference in regulations, and the Admissions Office should process all applications, regardless of source. Non-degree students are often part-time students, though this is not a requirement. Non-degree students must show evidence of satisfactory preparation for the courses they wish to take. The high school class of a non-degree student must have graduated (otherwise, an early admission application must be filed). Former University of Tennessee students may not be admitted in this category prior to the receipt of a bachelor's degree.

**If there is a change in educational goals towards a degree program, a non-degree student must apply for transfer admission and college association requirements for the degree program.**

No more than 90 quarter hours of accumulated college credit (from all institutions attended) may be used by a non-degree student in any subsequent degree program at UTK.

**Exceptions to Admissions Requirements**

University admission requirements for the various categories are thought to be reasonable and consistent with good educational practice. Thus, these requirements are not normally waived or modified for any applicant, except as specifically noted. However, unusual circumstances sometimes exist. If a potential student feels that some part of the requirements for the category sought should not apply as stated, that person should write a letter to the Director of Admissions. The letter should clearly state the specific circumstances prompting the appeal and what changes in the stated requirements are sought. The reply to this letter will indicate whether any exception to the requirements will be made, the reasons for the decision, and will describe any further action which the applicant should take.

**Deadlines For Applications**

Applications for undergraduate admission as a University student and all supporting credentials must be received by the Director of Admissions no later than August 1 for the fall quarter admission, and no later than three weeks before the start of enrollment to any other quarter, except as noted below.

Applications for the College of Veterinary Medicine must be received by the Director of Admissions by January 15 for admission into the fall quarter. Applications for the School of Architecture must be received no later than March 1 for admission to the summer and fall quarters. Selection will be made by April 1. November 1 is the deadline for application for the spring quarter; enrollment is closed for the winter quarter. Applications for the College of Nursing must be received by March 1. Selection will be made by April 1; enrollment is closed for the winter and spring quarters. Applications for the Professional Interior Design program must be received no later than March 1 for admission to the summer and fall quarters. Selection will be made by April 1. November 1 is the deadline for application for the spring quarter; enrollment is closed for the winter quarter. An applicant who is not accepted may be reconsidered if an application is made for a future class.

Former students who have been dropped from the University for academic deficiency or disciplinary reasons must apply for readmission to the Director of Admissions no later than six weeks prior to the start of classes of the quarter the student wishes to enter. Former students in good standing who have not been registered for at least one quarter must apply for readmission no later than three weeks prior to the start of classes.

**FEE CLASSIFICATION FOR THE PURPOSE OF PAYING UNIVERSITY FEES AND FOR ADMISSION PURPOSES**

Students are classified as in-state or out-of-state for the purpose of paying University fees. This classification is also the basis of some University admission requirements. The classification is determined by the information recorded on the application for admission and the subsequent fee classification questionnaire. Notice of classification is sent back shortly after the student applies to the University. The determination is made on the basis of the Regulations established by the Board of Trustees, with intent that all Public Institutions of Higher Education in Tennessee apply uniform classification rules.

Basically, these Regulations state that (1) students receiving parental support are classified according to parental domicile, and
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
This act provides for confidentiality of student records; however, it also provides for basic identification of people at UTK without the consent of the individual. Release of information to third parties includes directory information, such as contained in the campus telephone book. Such information includes name, address, telephone number, date and place of birth, major, dates of attendance, degree and awards, the most recent previous educational agency or institution attended, participation in school activities and sports, and weight and height (for special activities).

PUBLIC NOTICE OF CATEGORIES TO BE NOTIFIED
The University of Tennessee, Knoxville, does not discriminate on the basis of race, sex, color, religion, national origin, age, handicap, or veteran status in provision of educational opportunities or employment opportunities and benefits.

SOCIAL SECURITY NUMBER USE
The University of Tennessee, Knoxville, requires assignment of an individual student number for internal identification of each student's record. The University began using the social security number as the student identification number prior to January 1, 1975; therefore, the federal law allows continued use of this number. However, if a student does not desire the social security number to be used, notification to the University must be made at the time of registration; a student identification number will be assigned instead. For prompt and accurate retrieval of records and for conducting business about their own records, students and alumni must give their student identification numbers whether a social security number or an assigned number, are used administratively within the University only and are not given to third parties without expressed consent of the student concerned.

STATE BOARD OF EDUCATION
Effective November 1976, the Tennessee State Board of Education requires that all students preparing for a teaching career in Tennessee must pass a standardized test of basic skills (mathematics, reading, and language) prior to admission to teacher education programs. The University of Tennessee will administer such tests each quarter to allow students planning to enter teacher education programs to fulfill this certification requirement of the State Board of Education.

STATEMENT
1. Applicants must have a Bachelor's Degree from an accredited college or university with a minimum grade point average of 2.5.
2. Applicants are required to have credit for Math 1840-50 or Math 1550-60 and Physics 2240-50-60 or their equivalents before beginning the program.

SECOND YEAR ENTRY
1. Satisfactory completion of first year architectural program with grade point average of at least 2.3. Exceptions may be made by petition only.
2. A personal interview and evaluation of applicant's work by a designated member of the School of Architecture.
3. Application to the School of Architecture no later than June 15 preceding the start of the second year.

SECOND BACCALAUREATE DEGREE PROGRAM
1. Applicants must have a Bachelor's Degree from an accredited college or university with a minimum grade point average of 2.5.
2. Applicants are required to have credit for Math 1840-50 or Math 1550-60 and Physics 2240-50-60 or their equivalents before beginning the program.

OTHER REQUIREMENTS
Students must attain an overall 2.3 grade point average by the end of the 48 hours (attempted) in order to maintain "full status" in the program. Delinquent students will be put on "temporary status" for one quarter. These students will have one quarter to raise overall GPA to 2.3 or have minimum 2.3 on each quarter's work until overall average is raised to 2.3. If GPA is not brought up to a 2.3, the student will be dropped from the architecture program.

HIGH SCHOOL CREDITS
Students who seek School of Architecture association in candidacy for the Bachelor of Architecture must offer the following units:
- Algebra, 2;
- Trigonometry, 5;
- Geometry, 1;
- Science or Humanities, 4.5.
The College of Business Administration

The College of Business Administration encourages association at the earliest possible date for those with the proper background and credentials. Association takes place at two levels: at the lower division (pre-major) level and at the upper division (major) level. Association at the lower division level does not guarantee acceptance into a major at the upper division level.

I. ASSOCIATION AT THE LOWER DIVISION LEVEL

A. Entering Freshmen

1. Meet CBA high school distribution requirements (see IA above).
2. Association will be based on prior academic performance including high school record, ACT (or SAT) test scores, progress within undergraduate courses previously attempted, academic achievement in the lower division courses prescribed in the curricula of the College of Business Administration, and an assessment of the seriousness of purpose and interest in College of Business Administration association. CBA minors, and other UTK College premajors. They may apply for admission to the College of Communications at any time. College of Communications is temporarily classified as premajors. Students admitted to the College of Communications are temporarily classified as premajors. They may apply for admission to a major degree program after they pass typing and spelling proficiency tests and complete, with at least a 2.0 cumulative average, the following courses:
   - English 1010 or 1011; 1020; 1032 (with a minimum grade of C in each course)
   - 12 hours of natural science
   - History 1510-20
   - Communications 1110 or 1118
   - 9 hours of foreign language
   - Sociology 1100

A final decision on admission must be deferred until students complete the core courses in their intended major with a minimum grade of B in one core course and no grade below C in other core courses. Students granted early admission must also meet these standards. Students must pass the college's typing and spelling tests before enrolling in or preregistering for any course in the college other than Communications 1110 or 1118. Students may not enroll in courses numbered 3000 or above in the college (with the exception of Advertising 3000) until they have successfully completed the core courses. The core courses are:
   - Advertising - Communications 1110 or 1118
   - Journalism 2215, Advertising 3000
   - Broadcasting - Journalism 2215, Advertising 3000, Broadcasting 2750
   - Journalism - Journalism 2215, Journalism 2220, Journalism 2230

Transfer students may apply for admission into the College of Communications after they have completed all the premajor requirements including the core courses, and attained at least a 2.0 average in all work attempted.

B. Transfers from Other UTK Colleges

1. Meet requirements for association for transfers from other UTK Colleges as stated in (IA).
2. Students seeking association with the College of Business Administration as a major after completion of 84 quarter hours of coursework, included in the 84 hours, a student must have passed with a minimum GPA of 2.00 the number of credit hours indicated in the subject area, shown below (or equivalent work as prescribed in the major area desired):

   - Accounting 2110-20-30: 9
   - Computer Science elective: 3
   - Economics 2110-20-30: 9
   - English 1010 or 1011; 1020; 1031 or 1032 1033: 9
   - Mathematics 1540-50-60: 12
   - Statistics 2107: 3

   Students who intend to major in the College of Business Administration should follow closely the stipulated curricula in the first 84 hours.

   Students who have completed 84 hours and believe that they have met the minimum standards must apply to the Assistant Dean for Undergraduate Programs. This should be done as soon as the stated requirements are met so that the decision on granting association can be reached prior to the advanced registration date for the next quarter. Please note that acceptance to upper division association is not automatic for lower division association. Application must be made by all who seek to move from the lower division to the upper division.

   Upper division course enrolments are determined on a basis which gives first priority to students with College of Business Administration association, CBA minors, and those in other colleges whose major curricula require this work.

   PROVISIONAL ASSOCIATION:

   Students who have completed between 70 and 84 hours of coursework and can meet the conditions for upper division college association by completing the coursework in which they are presently enrolled may request provisional association. Application must be made to the Assistant Dean for Undergraduate Programs at least three months prior to the first day of registration for the term in which the student expects to have met the requirements for full association. Those accepted provisionally will be given advanced registration priority for core and other essential courses in the College. However, if they have not met the conditions for full association by the time they have completed 84 hours of coursework, they may be removed from the registration lists at late registration.

II. ASSOCIATION AT THE UPPER DIVISION LEVEL

The College of Business Administration grants association as a degree candidate (major) only after completion of 84 hours of coursework. Association is competitive and is based upon the space available in the College. Factors associated in determining association are both subjective and objective. Included is consideration of overall grade point average, grades earned in courses required in the lower division curricula of the College, the seriousness of interest in College programs as exemplified by regular and orderly progress through the prescribed curriculum without abuse of withdrawal and course repeat privileges. The standards applied for these criteria may be adjusted from time-to-time to balance overall demand with faculty resources and space availability.

Students seeking association with the College of Business Administration at the upper division level (as a major) must offer the following:

   HIGH SCHOOL CREDITS:

   - See IA above.

   COLLEGE WORK:

   - A university student may be granted association with the College of Business Administration as a major after completion of 84 quarter hours of coursework. Included in the 84 hours, a student must have passed with a minimum GPA of 2.00 the number of credit hours indicated in the subject area shown below (or equivalent work as prescribed in the major area desired):
     - Accounting 2110-20-30: 9
     - Computer Science elective: 3
     - Economics 2110-20-30: 9
     - English 1010 or 1011; 1020; 1031 or 1032 1033: 9
     - Mathematics 1540-50-60: 12
     - Statistics 2107: 3

   Students who intend to major in the College of Business Administration should follow closely the stipulated curricula in the first 84 hours.

   Students who have completed 84 hours and believe that they have met the minimum standards must apply to the Assistant Dean for Undergraduate Programs. This should be done as soon as the stated requirements are met so that the decision on granting association can be reached prior to the advanced registration date for the next quarter. Please note that acceptance to upper division association is not automatic for lower division association. Application must be made by all who seek to move from the lower division to the upper division.

   Upper division course enrolments are determined on a basis which gives first priority to students with College of Business Administration association, CBA minors, and those in other colleges whose major curricula require this work.

   PROVISIONAL ASSOCIATION:

   Students who have completed between 70 and 84 hours of coursework and can meet the conditions for upper division college association by completing the coursework in which they are presently enrolled may request provisional association. Application must be made to the Assistant Dean for Undergraduate Programs at least three months prior to the first day of registration for the term in which the student expects to have met the requirements for full association. Those accepted provisionally will be given advanced registration priority for core and other essential courses in the College. However, if they have not met the conditions for full association by the time they have completed 84 hours of coursework, they may be removed from the registration lists at late registration.

College of Communications

Association with the College of Communications may be made at any time. Those interested in this college should obtain a copy of the Program Planning Guidebook of the College of Communications.

Freshmen admitted to the College of Communications are temporarily classified as premajors. They may apply for admission to a major degree program after they pass typing and spelling proficiency tests and complete, with at least a 2.0 cumulative average, the following courses:

   - English 1010 or 1011; 1020; 1032 (with a minimum grade of C in each course)
   - 12 hours of natural science
   - History 1510-20
   - Communications 1110 or 1118
   - 9 hours of foreign language
   - Sociology 1100

A final decision on admission may be deferred until students complete the core courses in their intended major with a minimum grade of B in one core course and no grade below C in other core courses. Students granted early admission must also meet these standards. Students must pass the college's typing and spelling tests before enrolling in or preregistering for any course in the college other than Communications 1110 or 1118. Students may not enroll in courses numbered 3000 or above in the college (with the exception of Advertising 3000) until they have successfully completed the core courses. The core courses are:

   - Advertising - Communications 1110 or 1118, Journalism 2215, Advertising 3000
   - Broadcasting - Journalism 2215, Advertising 3000, Broadcasting 2750
   - Journalism - Journalism 2215, Journalism 2220, Journalism 2230

Transfer students may apply for admission into the College of Communications after they have completed all the premajor requirements including the core courses, and attained at least a 2.0 average in all work attempted.

College of Education

Application for association with the College of Education may be made at any time. Freshmen are required to have at least 16 units of high school credits. Students desiring to teach, in addition to associating with the College of Education, must also gain admittance to Teacher Education. Applicants are encouraged to begin the multiphase admission process during their first quarter as a full-time student and complete the process by approximately their 30th quarter hour. The specific admission criteria appear in the College of Education section of this catalog.

College of Engineering

Association with the College of Engineering may be undertaken at any time. Mathematics preparation is particularly important for engineering courses. A freshman applying for association with this college must have completed two units of high school algebra, one unit of geometry, and one-half unit of trigonometry. If trigonometry was part of a high school course carrying another name, such credit will also satisfy the trigonometry requirement. Regardless of course title, right-triangle trigonometry and basic trigonometric
laws must have been covered in sufficient depth to permit working with vector quantities. Transfer students must also show adequate mathematical preparation, either through high school courses or through successful completion of college-level math courses utilizing the equivalent subject matter.

College of Liberal Arts

The College of Liberal Arts grants and encourages association at the time of admission to the University for all programs except Professional Interior Design and the Coordinated Undergraduate Program in Dietetics. These restricted programs have specific entrance requirements noted before. Students must have an overall GPA of 2.0 in all previous college work for transfer into the College of Liberal Arts.

PROFESSIONAL INTERIOR DESIGN PROGRAM

1. Automatic admission
   a. Freshmen with composite ACT score of 18 and high school cumulative GPA of 2.25 or above.
   b. Transfers from other departments and colleges within UTK having a composite ACT of 18 and high school cumulative GPA of 2.25 or above.
2. Admission by departmental review
   a. Transfers not meeting automatic admission criteria: college GPA and high school GPA will be evaluated; composite ACT will be considered if available.
   b. Schedule for admission by departmental review
      (1) Transfers within UTK—each quarter, 2 weeks before end of quarter
      (2) Transfers outside UTK—twice a year, November 1 and March 1

COORDINATED UNDERGRADUATE PROGRAM IN DIETETICS

1. Complete freshman and sophomore courses or equivalents as listed on page 161 of this catalog.
2. Have an overall GPA of 2.2 or above
3. Participate in a personal interview
4. Submit recommendations from faculty and/or employer

College of Home Economics

The College of Home Economics grants and encourages association at the time of admission to the University for all programs except Professional Interior Design and the Coordinated Undergraduate Program in Dietetics. These restricted programs have specific entrance requirements noted below. Students must have an overall GPA of 2.0 in all previous college work for transfer into the College of Home Economics.

IN DIETETICS

1. Admission by departmental review
   a. Freshmen with composite ACT score of 18 and high school cumulative GPA of 2.25 or above.
   b. Transfers from other departments and colleges within UTK having a composite ACT of 18 and high school cumulative GPA of 2.25 or above.
2. Admission by departmental review
   a. Transfers not meeting automatic admission criteria: college GPA and high school GPA will be evaluated; composite ACT will be considered if available.
   b. Schedule for admission by departmental review
      (1) Transfers within UTK—each quarter, 2 weeks before end of quarter
      (2) Transfers outside UTK—twice a year, November 1 and March 1

College of Nursing

The College of Nursing has a two-fold selection process:
1. Entering freshmen are selected on the basis of a composite ACT score of 18 and a minimum high school GPA of 2.50.
2. Students must petition to progress to upper division nursing courses in the fall. The cut-off varies from year to year but generally will be found in the 2.80 to 3.00 range.

Transfer and change of major students must apply to the College by March 1 if they intend to begin upper division nursing courses in the fall. The cut-off varies from year to year but generally will be found in the 3.00 range.

Students who have a lower overall GPA but have shown significant improvement in lower division courses required by the College of Nursing will have this partial GPA weighted more heavily in the selection process.

General Academic Regulations

Credit Hours, Grades, and Grade Point Average

The basic unit of credit at The University of Tennessee, Knoxville, is the quarter hour. This normally represents one hour of lecture or recitation or two hours of laboratory work per week. Each course at the University carries a number of quarter hours of credit specified in the course description. The completion of each course, a student will be assigned a grade reflecting the student's performance in the course. Passing grades normally carry with them a certain number of quality points per quarter hour of credit in the course. A student's grade point average is obtained by dividing the total number of quality points the student has accumulated by the total number of quarter hours the student has attempted, not including hours for which grades of N, NC, P, S, SI, and W have been received.

Undergraduate Grades:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Performance Level</th>
<th>Quality Points Per Quarter Hour of Credit</th>
</tr>
</thead>
<tbody>
<tr>

<td></td>
</tr>
</tbody>
</table>

TEMPORARY GRADES

A student receiving a grade of I or SI should arrange with the teacher to take whatever action is needed to remove the grade at the earliest possible date, and in any event, within two years after the course was attempted. A student need not be enrolled at the University to remove a temporary grade.

I (incomplete) is assigned to a student whose work is satisfactory but who has failed to complete a laboratory, shop, or other parallel exercise. The I carries no quality points and counts as a failure in the computation of grade point average until removed. The grade of I may also be assigned to any faculty member to students who appear to be deficient in their usage of English in the course, but otherwise passing; the grade of I is removed when the Committee on Writing certifies to the instructor that a student has made the necessary improvements.

SI (incomplete) is assigned when the work is satisfactory but when a portion of the course is not completed. The grade is awarded only in courses where S/NC grading has been elected. The grade of SI is not computed in the average.

GRADES THAT DO NOT INFLUENCE GRADE POINT AVERAGE

The following grades carry no quality points, and hours on which these grades are earned are not counted in computing a student's grade point average.

NC (no credit) indicates failure to complete a course satisfactorily when taken on an S/NC basis.

S (satisfactory) is assigned for C or better work when a course is taken on an S/NC grading basis.

W, (withdrawal) is assigned in courses from which a student has officially withdrawn.

Regulations concerning withdrawal from courses or from the University appear in a following section of this catalog, entitled "Changes in Registration."

SATISFACTORY/NO CREDIT GRADING SYSTEM

The purpose of this system is to encourage the student to venture beyond the limits of those courses in which the student usually does well and, motivated by intellectual curiosity, explore subject matter in which performance may be somewhat less outstanding than work in preferred subject fields. To this end Satisfactory/No Credit (S/NC) grading has been developed for undergraduate courses (1000-, 2000-, 3000-, and 4000-level courses). Neither grade is counted in a student's grade point average, but, like all other grades, is entered on the permanent record. S is given for C or better work on the traditional grading scale and NC is given for less than C work. The student only receives credit in the course if an S is received. A student may not repeat a course for S/NC if the student received a conventional grade (A, B+, B, C+, C, D, F, or I). The instructor of a conventionally graded course will not assign an S/NC grade, if, any, has elected S/NC grading. If the student elects non-conventional grading, grades of A, B+, B, C+, C, will be recorded on the students permanent academic record as S, and D or F as NC. The grade of I for incomplete work will be recorded as an SI, which will not be computed in the average. A student is permitted to change the system of grading in a course through the add deadline. The grade W will be applied in the same manner for either a conventional grading system or S/NC grading. The changing of an S/NC grade to a conventional letter grade or vice versa is not permitted unless a bona fide error is determined by the Registrar.
FRESHMAN ENGLISH
English 1010 or 1011, 1020, 1031 or 1032 or 1033, 1018-28-38, 1211, 1221, 1431, 1441, and 1451 are offered on a system of A, B+, B, C+, C, I, NC, W, or NC.

ENGLISH PROFICIENCY
Students are expected to maintain a satisfactory standard of oral and written English throughout their college programs. Any student may be required to enroll in a member of the faculty for examination in English, and, if found deficient by the Committee on Writing, be required to take without credit such further work as the Committee may direct. To facilitate the recording of students deficient in English, faculty members may simply check the column headed "English" on the quarterly grade sheets. A student checked by any faculty member will be required to remove the deficiency through work in the Writing Laboratory. Remedial work in the laboratory shall be started as soon as possible after the student has been notified of the deficiency and it shall continue until the student's performance in English has been declared satisfactory by the laboratory instructor.

REPEATING COURSES
When a course is repeated the last grade only is counted in computing the grade point average. All grades and credits are entered on the permanent record. A student may not repeat a course more than twice in order to obtain a better grade. For any student entering higher education in September 1979 or thereafter, and majoring in the College of Engineering, all grades are counted for computation of grade point average for undergraduate students, except up to 12 hours of repeated courses for work in the last grade completed.

GRADUATING SENIOR PRIVILEGES
A senior who fails one subject during the quarter of intended graduation has the privilege of standing an examination in that subject at the beginning or during the next quarter, and, if successful, receiving the degree at the next commencement.

A senior who has received the grade of I in any subject will, on request to the instructor, be given the opportunity to remove the deficiency before the close of the quarter, but not later than the last day before commencement, providing that successfully passing these courses will make the senior eligible for graduation.

GRADUATE SCHOOL GRADES
Graduate students and undergraduates taking courses for graduate credit are graded as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A-</td>
<td>(4 quality points per quarter hour); indicates superior work.</td>
</tr>
<tr>
<td>A</td>
<td>(3.5 quality points per quarter hour); indicates above satisfactory work.</td>
</tr>
<tr>
<td>B+</td>
<td>(3 quality points per quarter hour); indicates satisfactory work.</td>
</tr>
<tr>
<td>B</td>
<td>(2.5 quality points per quarter hour); indicates performance less B+.</td>
</tr>
<tr>
<td>C+</td>
<td>(2 quality points per quarter hour); indicates work of borderline quality. This grade represents work below the standard expected of graduate students.</td>
</tr>
<tr>
<td>C</td>
<td>(1 quality point per quarter hour); indicates clearly unsatisfactory work and carries no graduate credit.</td>
</tr>
<tr>
<td>F</td>
<td>(no quality point value); indicates extremely unsatisfactory work.</td>
</tr>
<tr>
<td>I</td>
<td>(no quality point value); indicates that an incomplete is to be given if a student is not able to do additional work to bring up a deficient grade. All incompletes must be removed within 2 quarters. If a supplementary grade report is not received in the Graduate Office one week prior to the end of the second quarter, the I will be converted to an F. The incomplete will not be counted in the cumulative average until a grade is assigned. No student may graduate with an I on the permanent record.</td>
</tr>
<tr>
<td>S/NC-</td>
<td>(carries credit hours, but no quality point value); S is equivalent to B or better, and NC means no credit earned. NC grades may be repeated for an S. S/NC grading is allowed only when indicated in the Graduate Catalog. S/NC is used for courses which culminate in a thesis, dissertation, or preliminary examination. The N grades take on the value of the S when the thesis or dissertation is accepted by the Graduate School. The number of S/NC courses to be allowed in a student's program of study shall be limited to one-fourth of the course work hours required (excluding thesis or dissertation) in a program. (This would be 9 hours or 12 hours in a 48-hour non-thesis program or 18 hours in a doctoral program of 72 hours excluding dissertation hours.)</td>
</tr>
</tbody>
</table>

Graduate students are required to make an overall minimum grade average of B in courses taken for graduate credit. No graduate student will be allowed to take a course for the purpose of raising a grade already received. Transferred work will not be counted in computing the grade average on courses completed in Graduate School.

LAW SCHOOL GRADES
Law students are graded on a numerical scale from 0.0 to 4.0. Quality points per quarter hour of credit in a given course are equal to the numerical grade received in the course. Grades of 0.9 and below count as failures. Some courses are graded on an S/NC basis.

REQUIREMENTS FOR ASSOCIATION WITH A DEGREE-GRANTING UNIT
There are presently nine undergraduate degree-granting academic units on the Knoxville campus:

1. College of Agriculture
2. School of Architecture
3. College of Business Administration
4. College of Communications
5. College of Education
6. College of Engineering
7. College of Home Economics
8. College of Liberal Arts
9. College of Nursing

The College of Law and the College of Veterinary Medicine are not described here, since these units award a professional degree. Descriptions of these colleges, their programs, and admission requirements are found later in this catalog.

In order to become associated with one of these colleges or schools, one must:
1. Be admitted as a University student as previously described;
2. Apply to the desired school or college as outlined in the following sections, either through the Admissions Office at the time of application or departmental offices listed in Table I or by the major college and school sections.
3. Be accepted by the school or college, with all official records reflecting this acceptance.

If high school courses are needed to meet association requirements, the need may be met through non-credit or correspondence courses available through the UTK Evening School or the Center for Extended Learning. Such courses can be taken as a UTK student or prior to admission to the university.

Students admitted to the University on the basis of the GED Test (see Table III) must demonstrate the attainment of any required background knowledge or skill as specified in the association requirements for the desired college. Association requirements may be met through the presentation of high school credits, by the satisfactory completion of a proficiency exam or exams, or by any of the other means open to any student who lacks some college association requirement.

Questions concerning the association requirements and their implications should be directed to the offices listed in Table II. These sources can also supply information about the various programs offered. Detailed information is also presented in this catalog in the various college and school sections.

A listing of degrees, major subject areas, and various options within each college or school is presented in Table IV.

ACADEMIC ADVISING AT UTK
There are many situations during an academic program where students may not find informed academic and career advice helpful. For instance, a great number of students in U.S. colleges and universities change their programs of study at least once during the undergraduate years. This is the result of exposure to vocational possibilities they did not know about when they first enrolled, sometimes through recognition of aptitudes and interests in themselves of which they had been unaware, and sometimes out of the realization that there are aspects of their originally-chosen field for which they are unsuited. The objective of the academic advising system at UTK is to help a student at each stage to define the choices that must be made and to give any needed guidance.

At the time of application for admission to UTK, each student is asked to indicate whether he/she has already identified a preferred college or school. Students who complete the dual selection process at the time of university admission and are accepted into a particular college are assigned an advisor in that college at the time of initial registration for courses. Assignment of advisors is made through the offices listed in Table I or by the major department. Colleges which have limited or competitive enrollment plans normally select interested students only after several quarters.
at UTK. Advising centers exist in the colleges of Liberal Arts, Business Administration, and Education. Each college has a particular office or person who serves as a general advisor, with most advising activity taking place within the various departments.

Students who are admitted as university students but not in any specific college or program have such restrictions. Examples of causes for which would not be acceptable to grant withdrawal permission are improper circumstances beyond the student's control are unforeseen, and personal counseling exist on the UTK campus. These conferences are held prior to advance registration periods; specific information is available from advising centers, advisors, and departmental offices, as well as through notices and the campus newspaper.

Part-time students, particularly those registering through Evening School, should establish contact with an advisor in the college with which they are associated or with the Liberal Arts Advising Center prior to association.

Assistant to students with academic problems or questions is provided by course professors, advisors, department heads, and college deans or advising centers. Numerous other sources of academic, career, and personal counseling exist on the UTK campus and are available to students. These are described subsequently in this catalog under the title "Student Affairs and Services." Handicapped students with special requests should contact Handicapped Student Services, 900 Volunteer Boulevard, (615) 974-6087.

Registration

Dates for orientation and registration are announced to new transfer and freshman students. Each course offered by the University is assigned a number. These numbers indicate course level, academic, and credit hours each quarter as specified by the respective college.

PREREQUISITE AND COREQUISITE COURSES

It is the responsibility of the student to see that prerequisite and corequisite requirements are met when registering for courses which have such restrictions.

Changes in Registration

Mid-Term, or the drop deadline, is an Announced date midway between the beginning and ending days of classes each quarter or session (30 calendar days after the beginning of classes, except for summer sessions). Prior to mid-term undergraduate students may withdraw from courses as specified below. A course may be added without departmental permission through the seventh calendar day counted from the beginning of classes. Due to the nature of some courses, permission of the department head or course instructor is required. Change of section within a given course must be made in accordance with departmental policy and in all instances no later than seven calendar days counted from the beginning of classes. The student may be dropped from the course without prior arrangement with the instructor's nor the advisor's permission is required. Students are permitted to drop a course through the fifth calendar day counted from the beginning of classes without any notation of the academic record. Any student enrolled in undergraduate courses in the College of Engineering must drop a course by the end of the sixth calendar day from the beginning of classes (the day preceding the add deadline) in order to receive a grade of W. After the sixth day, late drop regulations apply.

The University Evening School will verify the date of withdrawal to the Registrar, who will then inform the instructors that the grade in those courses is automatically W.

Graduate students should consult the Graduate Catalog for regulations concerning withdrawal from the University.

Dropping Courses before Mid-Term (35 calendar days). A course may be dropped with a W (withdrawal) before mid-term (for summer quarter drop deadlines, see summer quarter timetable). A drop form must be executed by the student and submitted to the Registrar. Prior to mid-term neither the instructor's nor the advisor's approval is required. Students are permitted to drop a course through the fifth calendar day counted from the beginning of classes without any notation of the academic record.

Any student enrolled in undergraduate courses in the College of Engineering must drop a course by the end of the sixth calendar day from the beginning of classes (the day preceding the add deadline) in order to receive a grade of W. After the sixth day, late drop regulations apply.

The University Evening School will verify the date of withdrawal to the Registrar, who will then inform the instructors that the grade in those courses is automatically W.

Dropping Courses or Withdrawing from the University after Mid-Term (35 calendar days). An undergraduate student withdrawing from a course, or from the University, after 35 calendar days from the start of classes will receive the grade of F unless it can be demonstrated that the request for withdrawal is based on circumstances beyond the student's control. Examples of circumstances beyond the student's control are illness or injury of the student (verified by the Student Health Service or private physician), or necessary change in work schedule occurring after the drop deadline (verified by the student's employer). Examples of causes which are within the student's control and which would not be acceptable to grant withdrawal permission are improper registration on the part of the student or academic failure to achieve academically.

Course Numbers and Levels

Each course offered by the University is identified by the name of the department offering the course and the course number. These numbers indicate course level, as follows.

A student whose cumulative grade point average falls below the minimum acceptable level in any quarter will be placed on academic probation for the subsequent quarter of enrollment. During the probationary quarter the student must attain the minimum acceptable cumulative average shown above, or a 2.00 average for that quarter, or be dropped from the University.

A student who has previously dropped and readmitted will be placed on academic probation. Failure to meet the regular University standards of retention during the probationary quarter, or subsequent quarters prior to attaining good standing, will result in the student's being dropped from the University and being ineligible to make application for readmission for three academic quarters.

A transfer student who has been conditionally admitted and fails to meet the regular University standards of retention during the probationary quarter, or any subsequent quarter before attaining good standing, will be dropped from the University and may not make application for readmission for three academic quarters.

Readmission

A student in good academic standing who has withdrawn from school for a quarter other than the summer quarter must make application for readmission. Application must be made at least three weeks before the start of classes.

A student who has been dropped academically must make application for readmission. Readmission is not automatic. Application must be made at least six weeks before the start of classes. The Committee on Readmissions may require the student to make the application for readmission. Students are strongly encouraged to appear in person before the Committee on Readmissions. Former students who have been enrolled at another accredited college or university must apply for readmission. An official transcript from other institutions attended and an acceptable combined cumulative grade point average are required for readmission.

General Policies

A. Any student who attains a quarterly average of 2.00 may continue in residence at the University, even though the cumulative average does not meet the minimum acceptable level above.

B. Summer quarter is considered a regular academic quarter in satisfying the requirement of compulsory absence due to academic deficiency.

C. Quarter hours attempted are used only for determining the minimum acceptable level for the grade point average. Satisfactory/no credit hours are included.
in hours attempted but excluded in calculating minimum cumulative grade point average requirements for retention and graduation.

D. Students who transfer to other accredited colleges or universities and return to The University of Tennessee, Knoxville must submit official transcripts and have an acceptable combined cumulative grade point average before being readmitted to the University.

E. Correspondence courses are open to students regardless of readmission status.

F. To register for credit courses in any branch, center, or division of the University controlled by the Knoxville campus (except correspondence courses), a student must meet the admission or readmission regulations that govern courses for credit at the Knoxville campus.

G. The Committee on Readmissions will consider the applicant's total record, including the academic record and other factors which may be expected to influence academic performance. A student will not be readmitted when the record indicates a very low probability of success in college work.

H. There will be no tentative readmissions. I. Students in architecture, nursing, interior design, and coordinated undergraduate programs in dietetics are advised to note the special requirements as stated in those sections of this catalog.

Comment: The University of Tennessee, Knoxville, is committed to helping students overcome academic deficiencies. A letter notifying a student of academic probation will advise conferring with the student's dean before completing registration for the probationary quarter.

General Requirements for a Bachelor's Degree

To receive a bachelor's degree from The University of Tennessee, Knoxville, a student must complete all of the requirements listed below. It should be noted that some of the colleges and schools within the University have special requirements above and beyond those stated here, and students are advised to consult the appropriate section of this catalog for any further degree requirements. Each program presented by the candidate for the bachelor's degree is reviewed and approved for meeting the degree requirements by the Office of the Dean of Admissions and Records.

1. Complete satisfactorily all requirements of the curriculum for which the student is enrolled, as described in the portion of this catalog devoted to the college or school offering the curriculum. Curriculum requirements change frequently, and students should note the caution on the second page of this catalog. A student is allowed to satisfy requirements for a bachelor's degree under any curriculum in effect during the student's attendance at UT, Knoxville provided the curriculum has been in effect within 10 years of the date of graduation. This does not obligate the University to offer a discontinued course. Programs may be adjusted by the student's faculty adviser and college dean, in consultation with the Registrar's Office. A student who transfers to UTK subsequent to prior enrollment at a community college, junior college, or another senior institution may elect the UTK catalog in effect at the time of enrollment at the other institution provided that the student enrolls at UTK within one year after the last period of study at the institution from which the student is transferring.

2. Achieve a cumulative grade point average of at least 2.00 on all college work attempted at all institutions attended.

3. Achieve a grade point average of at least 2.00 on all work attempted at The University of Tennessee.

4. Achieve a grade point average of at least 2.00 on the last 45 hours (last three quarters as a minimum) of work at The University of Tennessee.

5. Complete the last 45 hours of credit offered for the bachelor's degree at an accredited senior college.

6. Complete the last 45 hours of credit offered for the bachelor's degree in residence at The University of Tennessee, Knoxville, in the College of Agriculture at least 27 quarter hours of upper-division technical agriculture approved by the student's faculty adviser must be completed at The University of Tennessee, Knoxville. Credit for correspondence courses taught by the faculty of the Knoxville campus may be counted as part of this requirement, with the exception of the correspondence credit limitation noted below. Special arrangements to allow work taken at other University of Tennessee campuses to be counted as part of this requirement must be approved by the dean of the student's major college or school and the Dean of Admissions and Records.

7. Comply with the state law that one unit of American history at the high school level or nine quarter hours of collegiate work be satisfactorily completed. This requirement is effective for those graduating July 1, 1978 or afterwards. It may be satisfied by completing History 2510-20 (or 2518-28) and History 2511 or 2521. History 3311 or 3321 may be used in lieu of three hours of American history. Students should consult the catalog of enrollment to determine how the nine hour's credit for fulfillment of this requirement is to be included in the individual curriculum.

8. Satisfy all financial obligations (fees or fines) owed to the University.

9. Pay to the Treasurer's Office a $10.00 graduation fee no later than the beginning of the quarter of graduation.

10. File an application for a degree with the Office of the Registrar, Room 209 Student Services Building, no later than six weeks before the date of graduation.

SECOND BACHELOR'S DEGREE

A student who holds a bachelor's degree may receive a second bachelor's degree from The University of Tennessee, Knoxville, by satisfying the following:

1. Meet all requirements of both degrees, as specified above.

2. Complete at least 45 quarter hour beyond the first bachelor's degree.
basis, a student who passes a proficiency examination and who wishes to have the grade recorded may choose to take the grade on the examination (A, +, B, C+, or C) or take an S. An S gives credit for the course but does not affect the grade point average. If a grade of D or F is made on a proficiency examination, the department is expected to note the attempt but no record of the examination is made on the student's transcript. The maximum credits obtainable through proficiency examination and the use of proficiency examinations to remove the failing grades (also the grade of I) are determined by the department offering the proficiency examination.

Entering international students whose native language is not English are required to take the UTK English Proficiency Examination to determine placement in the appropriate English course. The regular proficiency examination fee of $10 is charged. No credit for any English courses is awarded through this special examination.

CLEP Credit

When approved by a given department, nationally recognized examinations, such as the College Level Examination Program of the College Entrance Examination Board, may be used as proficiency examinations in one or more courses offered by that department. In such cases the final decision as to whether or not credit is to be given on this basis rests with the department awarding credit, as does the determination of the number of credit hours and the specific courses for which such examinations are to be taken as evidence of acceptable proficiency. The University will charge a fee of $5 for the evaluation of such an examination.

CLEP CREDIT FOR FRESHMAN COMPOSITION

I. Under the two conditions listed below, entering freshmen may be allowed credit in English Composition for the CLEP General Examination in English Composition or for the CLEP Subject Examination in either College Composition or Freshman English, provided that the examination selected include a writing sample.

a) Students entering with a CLEP score of at least 750 on the General or 65 on the Subject Examination (approximately 93rd percentile) and with ACT scores of 25, English and Composite, may take a sophomore English course, preferably Literature of the Western World. If they earn an A in it, they will receive credit for 1010-20 with a grade of A; if they earn a B in sophomore English, their grade in 1018-28 will be either S or B.

b) Students entering with a CLEP score of 700 at least on the General or 60 on the Subject Examination (approximately 84th percentile) and with ACT scores of 25, English and Composite, may take Honors Freshman Composition 1038. If they earn an A in it, they will receive credit for 1018- 28 with a grade of A. If they earn a B in 1038, their grade in 1018-28 will be either S or B.

II. Students transferring into the University with lower-division credit for any CLEP composition subject of at least 560 or 55 may have that credit substituted for the appropriate freshman course(s) provided (a) that they have already passed a sophomore literature course or courses with an average grade of at least B, and (b) that those with less than junior standing pass a sophomore or upper-division English course at the University with a grade of at least B.

Honors Categories for Graduation

The diplomas of graduating seniors show honors categories based on the following scale:

- "honors" 3.00 through 3.39
- "high honors" 3.40 through 3.74
- "highest honors" 3.75 through 4.00

These honors categories are based on a student's cumulative average at the end of the quarter preceding the graduation quarter. The honors category is also based on both the average earned at UT, Knoxville and the combined average on all college work attempted, with the lower of the two averages determining the honors category.

If, at graduation, a student's cumulative grade point average would allow a higher honors category than that determined at the end of the quarter preceding the graduation quarter, the student may, upon written request, receive a substitute diploma indicating the higher category. Courses may not be repeated for the purpose of raising an honors category.

Accelerated Program

The University operates on a four-quarter plan, and a majority of its courses, especially at the lower division, are offered every quarter. Through appropriate arrangements of courses and attendance during the summer quarters, students may frequently complete their degree programs in less than four years. A student's faculty adviser should be consulted for assistance in planning an accelerated program.

Advanced Military Service and Air Force Aerospace Studies

Students who elect to enroll in the advanced military courses (junior and senior years) are obligated by written agreement with the government to complete the courses and to accept a commission if tendered.

Special Requirements for Student-Athletes

Student-athletes participating in intercollegiate sports under the provisions of the National Collegiate Athletic Association and the Southeastern Conference, in addition to the University's academic continuation and retention policies, must fulfill the following academic, progress requirements for continuation of eligibility to participate in intercollegiate sports:

1. A Freshman who has had no previous college enrollment must, to maintain eligibility for competition during his second and third quarters, pass a minimum of five (5) quarter hours of acceptable degree credit in the quarter preceding his participation in a given sport.
2. Student-athletes qualifying for eligibility beyond the first year of residence must have satisfactorily completed 36 quarter hours between the beginning of the last season and the next season for the sport.

No more than ten (10) quarter hours of correspondence or transfer credit may be used to satisfy this requirement. The student-athlete must have also passed at least eight (8) quarter hours of acceptable degree credit during the term preceding the beginning of the sport season and each subsequent quarter in which the sport season continues.

College of Law
Doctor of Jurisprudence
If the student responds promptly to the first notice regarding the return check but cannot redeem the check within a week, the $5 Deferred Payment Service Fee will be added. Any student who does not respond within seven days from the date of the first notice will be subject to withdrawal from the University. This notice will be sent to the student's address as listed on the University's records. Failure to respond within seven days will result in the student being automatically withdrawn from the University. This action will result in the student's fees and other charges being made good on the University's books. A student must re-enroll to attend classes for the next quarter. The student is responsible for paying the appropriate fee to the University's Treasurer's Office.

Withdrawal Fee. Withdrawal fees are $10 per course for regular withdrawals and drops, $15 per course for withdrawals and drops within 30 days of the start of the quarter, and $20 per course for withdrawals and drops after 30 days of the start of the quarter. These fees apply to all students, regardless of their classification.

Refund Policy. The refund policy is subject to the University's policy on withdrawals and drops. The student must be dropped from the University's books before the end of the quarter to receive a refund. The refund policy is reviewed annually and subject to change.

Military Deposits. All students registering for Air Science and members of the band are required to make a deposit of $35 each to cover damage to or loss of property issued to them. The unused portion of the deposit will be returned to the students after completion of training.

Identification Card. ID cards, issued during registration or anytime during the year to all students, are prepared during registration of the first quarter. The University reserves the right to correct any errors by appropriate additional charges or refunds. All charges and refunds will be made to the nearest even dollar. All charges are subject to subsequent audit and verification. The University reserves the right to correct any errors by appropriate additional charges or refunds. All students are required to have a validated ID card for replacement or duplicate ID cards.

Arrangement for Banking while at UTK. Banking arrangements can be made with Knoxville banks. Some Knoxville banks require a waiting period of 10 days before honoring withdrawals, if the deposit is a personal check. Students are urged to avail themselves of this insurance, or other comparable adequate insurance, since paying for hospital care is the student's own responsibility. Information about the insurance is mailed by the company to the student's home and participation is solicited. Enrollment in the insurance program remains open for a designated period after classes begin. Students wishing to avail themselves of this insurance after enrollment on campus must apply for insurance with the Office of Student Health Services. Whether or not the student is a member of the group contract, a low premium cost for the family hospitalization insurance policy is available.

Summer Quarter Fees and Expenses. Fees and expenses for the summer quarter are the same as for the other quarters during the academic year.
the academic year with the exception of the University Programs and Services Fee as noted above.

Although the summer quarter is divided into terms of varying lengths, fees are assessed at the regular quarter hour rate not to exceed the maximum charge for a complete regular quarter.

The refund policy covering withdrawals and dropped courses for the summer quarter is based on the length of the term for the course(s) dropped. No refund is applicable to term courses dropped later than 14 calendar days after the regular registration day for the course(s) involved.

### Estimate of Expenses

The following estimates of the necessary expenses for an academic year are average. Actual expenses vary greatly according to the habits of economy or extravagance of the individual student. The room and meal estimates are averages based on accommodations and 20-meal plan in University residence halls. Estimates of equivalent accommodations and meals elsewhere will usually be somewhat higher.

<table>

Total for Tennessee Residents: $2,794
Add for Non-Resident Tuition: $1,530
Total: $4,324

*Add $159 for Graduate School; add $175 for College of Law; add $199 for Veterinary Medicine.*

These figures give a fair idea of average expenses, exclusive of clothing, travel, and pocket money. Expenditures for extracurricular activities are not included in the above.

### Housing

The University provides modern resident facilities in order to give students comfortable housing at reasonable cost and with an atmosphere conducive to academic achievement and personal development.

**Undergraduate Students.** Single freshman students are required to live in University residence halls when space is available unless their parents reside near the University. Single students are encouraged to reside in University facilities. Housing contracts are a commitment for the academic year, September to June, or for shorter periods if the student enters the University during winter or spring. A Housing Application will be mailed as a part of the Application for Admission. Residence hall assignments for the academic year are made in the late spring and summer. The student must be admitted to the University prior to occupancy. If a student withdraws from the University, the housing contract is canceled in accordance with the terms of the contract. Students assigned to residence halls on the room and board plan will be given contracts written to include both room and board. A contract for housing signed by a student is binding for the term of contract and is rigidly enforced by the University.

Additional information pertaining to single student housing may be obtained from the Office of Residence Halls, The University of Tennessee, Knoxville, Tennessee 37996—200.

### Off-Campus Housing

Students living in off-campus housing are expected to observe the same rules of conduct and standards that are applicable to all students. This student is responsible for living up to the standards expected in University housing. The University does not inspect or approve these facilities. Terms and conditions for the rental of off-campus housing are between the student and the landlord. Information and assistance in finding off-campus housing is available in the Off-Campus Housing Office located in 336 University Center.

**Graduate Students.** Single graduate students may be assigned to the residence halls or the single student apartment. For information concerning University residence facilities, please refer to the appropriate paragraphs above describing Undergraduate Students and Off-Campus Housing.

**Married Students.** The University has provided modern apartment facilities in several locations for married students with families. Information and application for these facilities may be secured from the Office of Rental Properties, The University of Tennessee, Knoxville, Tennessee 37996—0730.

### Food Service Facilities

Excellent University-operated food service facilities have been provided. They are air-conditioned, conveniently located in relation to residence halls, and serve nourishing food at reasonable prices. The University recognizes the educational role that its food service facilities play in student and group living. The Food Services Department employs a skilled dietetic and management staff to insure that the student gets the highest quality meal at the lowest possible cost.

Room and board meal arrangements are available. This plan offers the best combination of balanced, nutritious meals, carefully planned and served at a reasonable charge to the student. For students not under the Board Plan, meals can also be obtained from cafeterias operated on a cash basis.

In addition, the Food Services Department offers a charge meal plan whereby students can change meal plans and may have the bill rendered to their parents monthly.

For the late evening snack or morning coffee break, popular spots on campus are the delicatessens and grill operations. Students are invited to enjoy the many special "theme" meals offered in the University dining facilities throughout the year.

### Student Financial Aid

The University of Tennessee offers a comprehensive program of financial aid for students who otherwise would not be able to attend. Through these federal, state, and University programs, financial aid is provided in the form of scholarships, grants, loans, and part-time employment. These may be awarded individually or in combination according to the needs of the student.

### Deadlines for Applications

Because a student's family resources can change significantly during an academic year, UT requires each student to apply annually for renewal of financial aid. Students desiring assistance based upon financial need (some scholarships, grants, loans, and employment) must submit either the Financial Aid Form or the Family Financial Statement. Students desiring only scholarships based upon academic merit are not required to complete any application forms.

The University is not able to meet the financial needs of all applicants. Priority in awarding will be given to those students with completed financial aid files by the following dates: March 1 - undergraduate entering freshmen; April 1 - entering graduate, law, veterinary medicine, transfer, and currently enrolled students.

### Scholarship and Grants

**Scholarships.** The University of Tennessee, Knoxville, scholarship program is made possible through funds provided by the University, outside foundations, estates, private businesses, civic groups, individuals, and alumni. The majority of these scholarships are based on academic achievement and proven need for assistance. Some undergraduate scholarships for currently enrolled students are administered in the various schools and departments. Most scholarships are awarded to students who demonstrate strong academic achievement and proven need for assistance.

### Pell Grant

This is a federal grant program for undergraduate studentsdisplaying financial need for funds. Because the Pell...
Grant is an entitlement program, all students applying for need-based financial assistance from the University must apply for this program. Other forms of financial aid will not be extended to a student until eligibility for the Pell Grant has been determined.

When the program is fully funded, maximum grants are $1,600 and not more than one-half the cost of education. The above regulations and provisions of the Pell Grant Program are correct as of November 1981, and are subject to change by federal legislative action.

Supplemental Educational Opportunity Grants. This program of direct grants available to undergraduate students with exceptional financial need. Grants must be matched by an equal amount of assistance from other sources, i.e., scholarships, loans, deferred until after graduation, or as long as the individual remains in half-time attendance at an accredited institution of higher education in the United States. Repayment may be deferred for a period of three (3) years while the borrower is serving in the Armed Forces, Peace Corps, Vista, the U.S. Public Health Service, Action agency programs, or as a full-time volunteer in a similar tax-exempt service organization, or while (s)he is temporarily, totally disabled. Repayment may be deferred for a spouse who is totally temporarily disabled; repayment may be deferred for a person caring for the same household member who is totally disabled; repayment may be deferred for a person caring for a spouse who is totally temporarily disabled; repayment may be deferred for a person caring for a spouse who is totally temporarily disabled; repayment may be deferred as a full-time student leading to a degree of Doctor of Veterinary Medicine and who show exceptional financial need. The program provides a long-term, low-interest loan with repayment beginning 12 months following termination of full-time study at an accredited health professions school.

Repayment may be deferred for a period up to 3 years while the borrower is serving the Armed Forces, Peace Corps, the National Oceanic and Atmospheric Administration Corps, or the U.S. Public Health Service or for the years required for a full-time course of study leading to advanced professional training. Interest rate with repayment beginning nine months following termination of full-time study is 9 percent per year on the unpaid balance; the maximum repayment is 10 years. However, a minimum monthly payment may be required. Up to 85 percent of the loan will be repaid by the Bureau of Health Professions. The Health professions graduate enters into a contract to serve as a veterinarian in a shortage area designated by HPSDS. The maximum loan available to an individual borrower in an academic year is $2,500 plus the cost of tuition. The above regulations and provisions of the Health Professions Student Loan Program are correct as of November 1981, and are subject to change by federal legislative action.

The University of Tennessee Student Loan Program by writing to the Tennessee Student Assistance Corporation, Capitol B-3 Towers, Suite 9, Nashville, Tennessee 37219.

Student Loans

National Direct Student Loan. Long-term loans are available to students who have a proven need for financial assistance. Loan repayment and interest payments on National Direct Student Loan (NDSL) are deferred until after graduation or as long as the individual remains in half-time attendance at an accredited institution of higher education in the United States. Repayment may be deferred for a period of three (3) years while the borrower is serving in the Armed Forces, Peace Corps, Vista, the U.S. Public Health Service, ACTION agency programs or as a full-time volunteer in a similar tax-exempt service organization, or while (s)he is temporarily, totally disabled or providing care for a spouse who is temporarily totally disabled. Repayment may be deferred for two years while the borrower is serving an internship required for professional recognition. Interest is 6 percent per year on the unpaid balance. The maximum repayment period is 10 years with the current minimum annual repayment $300 or 10 percent of the accumulated loan, whichever is greater. The repayment period may be extended an additional 10 years for low-income borrowers whose income remains low during the repayment period.

If upon graduation the borrower becomes a full-time teacher in a public low-income-profit school, which is designated by the Secretary as having a high enrollment of low-income families or becomes a teacher of the handicapped, 15 percent of the total principal plus interest is canceled for the third and fourth year of teaching, 20 percent for the third and fourth years, and 30 percent for the fifth year. If after graduation the student becomes a staff member in a preschool program which is operated for a period comparable to a full school year, 15 percent of principal plus interest will be canceled for each year of service. Cancellation for up to 60 percent of the loan will also be granted to 12 percent of the total principal plus interest for each year of service in the Armed Forces in an area of hostility.

An undergraduate may borrow a maximum annual loan of $1,500 to an accumulated loan of $6,000. Graduate level students may borrow an annual maximum of $3,000 to an accumulated maximum loan total of $12,000 (including any amount borrowed as an undergraduate). The above regulations and provisions of the National Direct Student Loan Program are correct as of November 1981, and are subject to change by federal legislative action.

The University of Tennessee Student Loan. Student loans from University sources are available to currently enrolled students with a 2.0 or higher cumulative grade point average. A loan of $250 per quarter to an annual maximum of $1,000 can be extended. One surety or cosigner is required for each promissory note and a new promissory note must be completed each year a loan is received. The interest rate varies from 6 percent per year on the unpaid balance, whichever is greater. The borrower may choose to pay, without penalty, all or any part of the loan plus interest before entering the normal repayment period. The above regulations and provisions of the University of Tennessee Student Loan Program are correct as of November 1981, and are subject to change by action of the Board of Trustees.

Nursing Student Loan. These loans are available to students who are enrolled or admitted as students in a course of study leading to an associate degree in nursing and who demonstrate an exceptional financial need. The program provides a long-term loan at a 6 percent interest rate with repayment beginning nine months following termination of half-time study at an accredited school of nursing. Repayment may be deferred for a period of up to 3 years while the borrower is in the Armed Forces or Peace Corps, the National Oceanic and Atmospheric Administration Corps, or the U.S. Public Health Service or for the years required for a full-time course of study leading to advanced professional training. Interest rate with repayment beginning nine months following termination of half-time study is 9 percent per year on the unpaid balance, whichever is greater. The borrower may choose to pay, without penalty, all or any part of the loan plus interest before entering the normal repayment period. The above regulations and provisions of the University of Tennessee Student Loan Program are correct as of November 1981, and are subject to change by federal legislative action.

Grants. The above regulations and provisions of the Supplemental Educational Opportunity Grant are correct as of November 1981, and are subject to change by federal legislative action.

Nursing Scholarships. The purpose of this program is to assist students of exceptional financial need who are enrolled in a course of study leading to a baccalaureate degree or a graduate degree in nursing. The maximum scholarship available for a 12-month period of enrollment is $2,000. The above regulations and provisions of the Nursing Scholarship Program are correct as of November 1981, and are subject to change by federal legislative action.

The Tennessee State Educational Assistance Award is designed to further the educational opportunity to residents of the state who display a financial need for assistance. Awards cover one-half of the maintenance fees for Fall, Winter, and Spring quarters. Applications must submit a copy of their Financial Aid Form/Family Financial Statement to the Tennessee Student Assistance Corporation.

More information may be obtained on this program by writing to the Tennessee Student Assistance Corporation, Capitol B-3 Towers, Suite 9, Nashville, Tennessee 37219.

Student Loans
borrow for a 9 month period of enrollment is $5,000 up to an accumulated maximum of $25,000 (including any amount borrowed as an undergraduate). Complete information is available at most banks and credit unions. In the state of Tennessee, write the Tennessee Student Assistance Corporation, Capitol B-3 Towers, Suite 9, Nashville, Tennessee 37219.

**Health Education Assistance Loan.** These loans are available to students enrolled or admitted in a course of study leading to a Doctor of Veterinary Medicine or a doctoral degree in clinical psychology from a banking institution. Students in Veterinary Medicine may borrow an annual maximum of $20,000 up to an accumulated maximum of $80,000. Students in clinical psychology may borrow an annual maximum of $12,500 up to an accumulated maximum of $50,000. The rate of interest may not exceed 12 percent per year and repayment begins nine months following completion of formal training (including accredited internship and residency programs) or withdrawal from school. The maximum repayment period is 25 years and the entire loan must be repaid within 33 years of the date of execution of the promissory note. Repayment may be deferred for up to three years while the borrower is serving in the Armed Forces, Peace Corps, Vista, or the National Health Service Corps. Repayment may be deferred for a period of four years while the borrower is engaged in an accredited internship or residency training program. Borrowers may, at any time and without penalty, repay principal or interest or both at any time. Additional information may be obtained by writing HEAL, Post Office Box 23033 L’Enfant Plaza, Washington, D.C. 20024, or contacting the Financial Aid Office.

**Student Employment**

Two employment programs are administered by the Financial Aid Office to help students find part-time employment.

**College Work-Study.** This is a federal work program which provides jobs for students who have financial need and who must earn a part of their educational expenses. Eligible students are placed in jobs on campus where they work approximately 15 to 20 hours per week. The rate of pay is at least the federal minimum wage.

**Student Employment Service** operates as a central referral agency. It coordinates listings of part-time employment from both University and private employers with the requests of students seeking part-time employment. Part-time jobs average from 15 to 20 hours of work per week. If part-time employment is a financial necessity to the student with a low grade point average, the student is advised to accept a job requiring fewer hours of work per week.

The University of Tennessee, Knoxville, will endeavor to provide a list of the contributors and donors of the following scholarships:

- George G. Abraham Scholarship Fund
- Roy & Mildred Acuff Scholarships in Band
- The Roy & Mildred Acuff Scholarships/Choral Program & UT Singers

Campus Honorary and Professional Fraternities and Societies

A number of honorary and professional fraternities and societies have chapters at the University of Tennessee, Knoxville. Membership in these organizations is generally based on the initiate's good character, professed interest in the chosen field, scholarship, leadership, and, where appropriate, a high scholastic record.

Those honorary fraternities, both national and local, with chapters at UT are:

- **Alpha Chi Sigma**, for chemical engineering and chemistry students. Students must have a grade point average of 2.5 in chemistry and/or chemical engineering combined and 2.5 in all academic work and must have been enrolled in this school for at least one quarter and be elected by students in the course.

- **Alpha Epsilon Delta**, for students preparing for study in medicine. Students must maintain a 3.0 grade average in all courses and must be a senior who is a junior member of the college of arts and sciences in their fourth year of study.

- **Alpha Mu Chapter, Eta Sigma Gamma**, students with a major or minor in the field of nursing must maintain a 3.0 grade average in all courses and must be a senior who is a junior member of the college of arts and sciences in their fourth year of study.

- **Alpha Omega**, students must maintain a grade point average of 2.5 in all academic work and must have been enrolled in this school for at least one quarter and be elected by students in the course.

- **Alpha Pi Mu**, for industrial engineering students. Prospective members must be chosen from the upper 25% of the junior class and upper 50% of the senior class.

- **Alpha Zeta**, agricultural fraternity for juniors and seniors. Prospective members must be among the upper 10% of their respective class and show leadership ability.

- **Beta Alpha Psi**, for accounting students. Any undergraduate student with a cumulative grade point average of 3.0 or better in all courses and a grade point average of 3.5 in the major field of study must be invited to join.

- **Chi Epsilon**, for civil engineering students. Junior and senior civil engineering majors ranking in the highest one-third of their respective class are eligible for membership.

- **Delta Nu Alpha**, for transportation students. Prospective members must have completed the basic transportation courses and have a minimum 2.3 average.

- **Delta Pi Epsilon**, for business education graduate students. Prospective members must have a minimum 3.0 grade point average in all courses and a grade point average of 3.0 in the major field of study.

- **Delta Sigma Pi**, professional business fraternity for students enrolled in the College of Business Administration. A minimum of 45 quarter hours of University credit with a scholastic average of at least 2.5 for initiation.

- **Delta Sigma Rho-Tau Kappa Alpha**, honor societies for junior and senior students who have participated at a high level of excellence in intercollegiate athletics or intramural sports and who rank in the upper 25% of their class.

- **Delta Theta Phi**, for law students.

- **Eta Kappa Nu**, for electrical engineering students. Members may be selected from juniors ranking in the upper one-fourth, or seniors ranking in the upper one-third of their respective electrical engineering class.

- **Eta Sigma Phi**, national honor society for students in classical languages. Membership is open to students who have attained at least a 3.0 average in Latin or Greek courses.

- **Gamma Beta Phi**, national honor society, educational-service organization open to students in all fields of study. Prospective members, usually inducted in the fall and spring, must have completed 15 hours of study, rank in the upper one-third of their respective class, and have a minimum of 3.2 overall average.

- **Gamma Sigma Delta**, national honor society for graduating seniors, graduate students, faculty, and agricultural alumni. Students selected must be in the upper one-fourth of their class in the College of Agriculture and must have a 3.0 average or better. Graduate students must have attained a 3.5 average or be within 24 hours of graduation. They must have shown promise or superior ability in carrying on advanced study and/or research directly concerned with agriculture and of making worthy contributions in their respective fields.

- **Gamma Theta Upsilon**, national honor society for students majoring in geography.

- **Iota Lambda Sigma**, for industrial education students. No one may be inducted until he has acquired a minimum of 60 hours in industrial education courses with at least a B average.

- **Kappa Delta Pi**, honor society for professionals and students in education. Minimum 3.5 grade point average. Recognizes outstanding contributions to field of education. Membership by invitation.

- **Mortar Board**, for senior students. Members are elected on the basis of character, scholarship, and service to the institution.

- **National Slavics Honor Society (Dobro Slovo)**, for students in their third year of study of Slavic literature, history, or related subjects with a minimum grade point average of 85 percent or its letter or point equivalent in the subject area and an 80 percent overall average. Members must have shown promise or superior ability in their studies.

- **Omicron Delta Epsilon**, honor society in economics for students and faculty. Student members must have a minimum 3.0 overall average.

- **Omicron Delta Kappa**, for junior and senior students.

- **Omicron Nu**, for home economics students. Members are elected from the upper one-fourth of the junior class and upper one-fifth of the senior class, not to exceed 20 percent of any given class.

- **Order of the Coif**, for law students.

- **Phi Alpha Delta**, for law schools.

- **Phi Beta Lambda**, for liberal arts students. Students must be elected from the upper one-fourth of the junior class and upper one-fifth of the senior class, not to exceed 20 percent of any given class.

- **Phi Beta Kappa**, the oldest national academic honor society for liberal arts and sciences students who are candidates for either the Bachelor of Arts or the Bachelor of Science in Chemistry degree. Grade point average varies with number of hours completed. Membership is extended to graduating seniors, graduate students, faculty, and alumni. Membership is limited to students in the upper one-fifth of their class and upper one-fourth, or seniors ranking in the upper one-third of their respective educational engineering class.

- **Phi Sigma Pi**, professional business fraternity for students enrolled in the College of Business Administration. A minimum of 45 quarter hours of University credit with a scholastic average of at least 2.5 for initiation.

- **Phi Sigma Rho-Tau Kappa Alpha**, honor societies for junior and senior students who have participated at a high level of excellence in intercollegiate athletics or intramural sports and who rank in the upper 25% of their class.

- **Phi Sigma Sigma**, national honor society for students in the fields of business and economics. Membership is limited to students in the upper one-fourth of their class and upper one-fourth, or seniors ranking in the upper one-third of their respective educational engineering class.

- **Phi Sigma Nu**, for home economics students. Members are elected from the upper one-fourth of the junior class and upper one-fifth of the senior class, not to exceed 20 percent of any given class.

- **Phi Sigma Pi**, for business administration students. Prospective members must have a minimum 3.0 grade point average and have completed at least 24 hours in business courses.
takes place in October and April. For detailed information,联系Office of the Vice Chancellor for Student Affairs.

The University of Tennessee, Knoxville, Tennessee 37916.

Student Financial Aid is also administered under the direction of this office. Information on available financial aid may be obtained by writing the Director of Financial Aid, 115 Students Services Building, The University of Tennessee, Knoxville, Tennessee 37996.

In addition to undergraduate admissions, this office has general administrative responsibilities for academic retention and readmission activities, maintenance of student academic records, certification of completion of requirements for undergraduate degrees, registration procedures, and eligibility for athletic participation. This office also administers relations between students and the Social Security Administration and Veterans Administration.

Handicapped students may receive special assistance in registering and arrangement of schedules through this office.

Office of the Dean of Special Student Services

This office coordinates those programs designed to assist students with educational and physical handicaps. In addition, it is responsible for the operation of the lack Cultural Center and the general advisement of minority students. The office also works with academic units in the planning of special programs and services for minority and handicapped students.

Included in this area of operation are the Office of Handicapped Student Services, the Educational Assistance Program, and the Black Cultural Center.

Office of Handicapped Student Services

The Office of Handicapped Student Services provides counseling and academic support services to insure the handicapped students have access to educational opportunities provided at The University of Tennessee. Any student having a disability which restricts his/her participation in academic life is eligible for services. Services provided include personal and career counseling, interpreters, reader referral, and other services designed to meet the student's individual needs. Assistance is available for making special classroom arrangements. Information regarding transportation and housing is provided. The office serves in a liaison capacity with the Tennessee Division of Vocational Rehabilitation. Registration and other forms of administrative assistance are provided through the Office of Admissions and Records.

Participation in the program is on a voluntary basis; confidentiality is maintained. Students desiring any services are encouraged to attend The University of Tennessee so that any necessary arrangements can be made. The location is located at 900 Volunteer Boulevard. Phone number: 974-6087.

1 Those regulations do not apply to the College of Law or to the divisions in UT Center for the Health Sciences. For the Law College requirements, see Law College section, for others, see appropriate catalog.

The Educational Assistance Program

The Educational Assistance Program (EAP) is a federally funded project (Special Services for Disadvantaged Students) designed to help freshman and sophomore students who may, because of previous academic weaknesses or disadvantages, have difficulty in achieving academic success during their initial University
