CAUTION: The course offerings and requirements of the University are continually under examination and revision. This catalog presents the offerings and requirements in effect at the time of publication, but is no guarantee that they will not be changed or revoked. Current information may be obtained from the following sources:

Admission Requirements — Director of Admissions
Course Offerings — Department offering course
Degree Requirements — Office of the Registrar, faculty adviser, head of major department, College Advising Center, or dean of college/school

Fees and Tuition — Office of the Treasurer

EEO/TITLE IX/SECTION 504 STATEMENT
The University of Tennessee, Knoxville does not discriminate on the basis of race, sex, color, religion, national origin, age, handicap, or veteran status in provision of educational opportunities or employment opportunities and benefits. UTK does not discriminate on the basis of sex or handicap in the education programs and activities which it operates, pursuant to the requirements of Title IX of the Education Amendments of 1972, Pub. L. 92-318; and Section 504 of the Rehabilitation Act of 1973, Pub. L. 93-112; respectively. This policy extends to both employment by and admission to the University.
Inquires concerning Title IX and Section 504 should be directed to the Office of the Vice Chancellor for Planning and Administration, 525 Andy Holt Tower, 974-4391. Charges of violation of the above policy should also be directed to the Office of the Vice Chancellor for Planning and Administration.

### ACADEMIC CALENDAR FOR 1983-84

#### Summer Quarter 1983
- **June 13**: Orientation-Advising: Freshman and Transfer
- **June 14**: Registration, First or All Terms
- **June 15**: Classes Begin
- **July 4**: Independence Day (No Classes)
- **July 5**: Drop Deadline, First Term
- **July 19**: Classes End, First Term
- **July 19**: Drop Deadline, Full Term
- **July 15-19**: Registration, Second Term
- **July 20**: Classes Begin, Second Term
- **August 8**: Drop Deadline, Second Term
- **August 22**: Classes End
- **August 24**: Commencement

#### Fall Quarter 1983
- **September 19**: Orientation (Transfer)
- **September 20**: Orientation (Freshman)
- **September 19-20**: Upperclass and Graduate Registration
- **September 20-21**: Freshman and Transfer Registration
- **September 22**: Classes Begin
- **September 29**: Drop Deadline (All Colleges Except Education, Liberal Arts, and Nursing)
- **October 6**: Drop Deadline (Education, Liberal Arts, and Nursing)
- **October 13**: Drop Deadline (First Quarter Undergraduate Students, All Colleges)
- **October 28**: East Tenn. Educ. Assoc. (No Classes)
- **November 12**: Homecoming (No Classes)
- **November 24-26**: Thanksgiving (No Classes)
- **December 2-6**: Final Evaluation Period (Alternative Period)
- **December 6**: Classes End
- **December 9**: Commencement

#### Winter Quarter 1984
- **January 3**: Orientation
- **January 3-4**: Registration
- **January 5**: Classes Begin
- **January 12**: Drop Deadline (All Colleges Except Education, Liberal Arts, and Nursing)
- **January 19**: Drop Deadline (Education, Liberal Arts, Nursing)
- **January 26**: Drop Deadline (First Quarter Undergraduate Students, All Colleges)
- **March 10-14**: Final Evaluation Period (Alternative Period)
- **March 14**: Classes End
- **March 16**: Commencement

#### Spring Quarter 1984
- **March 22**: Orientation
- **March 22-23**: Registration
- **March 26**: Classes Begin
- **April 2**: Drop Deadline (All Colleges Except Education, Liberal Arts, and Nursing)
- **April 9**: Drop Deadline (Education, Liberal Arts, Nursing)
- **April 16**: Drop Deadline (First Quarter Undergraduate Students, All Colleges)
- **April 20-21**: Easter
- **June 1-5**: Final Evaluation Period (Alternative Period)
- **June 5**: Classes End
- **June 8**: Commencement

#### Summer Quarter 1984
- **June 14**: Orientation (Transfer and Freshman)
- **June 15**: Registration, First or All Terms
- **June 18**: Classes Begin
- **June 21**: Drop Deadline, First Term (All Colleges Except Education, Liberal Arts, Nursing)
- **June 25**: Drop Deadline, First Term (Education, Liberal Arts, Nursing)

The University

The University of Tennessee is a multi-campus, multi-purpose system of higher education encompassing all Tennessee. As Tennessee's State University and Federal Land-Grant Institution, it has been called "the capstone of the state's educational system." The institution is owned by the people of Tennessee. In addition to state funds and student fees, the University also receives support from private gifts, research grants and contracts, and federal appropriations.

The central administrative staff consists of the president and six vice presidents who have the responsibility of administering the affairs of the statewide educational organization. Each primary campus is under the direct supervision of a chancellor.

In carrying out its unique responsibilities, The University of Tennessee has a statewide mission beyond the scope of any other institution of higher learning in Tennessee. The University seeks to develop human and material resources of the state through three broad programs: instruction, research, and extension and public service.

Instruction

As the most comprehensive institution in the state's public education system, the University has the responsibility of providing the people of Tennessee with the educational opportunities they need to become intellectually prepared for responsible and successful citizenship. Students may specialize in a great number of professional and occupational fields, thus helping to fill the state's needs for trained personnel in medicine, business, law, agriculture, industry, and other vocations essential to the welfare and progress of the citizens of Tennessee.

In addition to fulfilling this traditional role, the University also offers a wide range of quality programs in continuing education which help contribute to the personal and professional growth of students of all ages.

Programs of Study

In student enrollments and the scope of its academic programs, The University of Tennessee ranks among the larger institutions of higher education in the United States. In the fall of 1982, a total of 42,136 students enrolled in the campuses of The University of Tennessee system. This total included 27,041 enrolled at Knoxville and centers; 2,026 at the Center for The Health Sciences (Memphis); 5,525 at Martin; and 7,544 at Chattanooga.

To serve the academic needs of all of those students, the University system offers 178 degree programs at the bachelor's level, 151 at the master's level, and 62 at the doctoral level. The degree programs offered by colleges and schools at the UT Knoxville campus are described in this catalog. Degree programs offered by the Center for the Health Sciences (at Memphis) and at Martin and Chattanooga are described in special catalogs issued from those campuses.

The various colleges, departments, and administrative offices of the University hold membership in more than 60 regional and national education associations. The University as a whole is fully accredited by the Southern Association of Colleges and Schools. Individual colleges and departments are accredited by appropriate professional accrediting agencies.

Colleges and Schools

The University's colleges and schools offer programs at the primary campuses at Knoxville, Memphis, Martin and Chattanooga. The Knoxville campus also offers programs at Oak Ridge, Tullahoma, Nashville, Chattanooga, Memphis, and Kingsport. These colleges and schools and other academic units are as follows:

**UT KNOXVILLE**
- Graduate School (offering programs leading to the master's or the doctor's degree)
- College of Agriculture
- School of Architecture
- College of Business Administration
- College of Communications
- Division of Continuing Education
- College of Education
- School of Health, Physical Education, and Recreation
- College of Engineering
- College of Home Economics
- College of Law

**College of Liberal Arts**

**Graduate School of Library and Information Science**

**College of Nursing**

**Graduate School of Social Work**

**College of Veterinary Medicine**

**At Oak Ridge**

**Oak Ridge Graduate School of Biomedical Sciences**

**Oak Ridge Evening School**

**Oak Ridge Resident Graduate Program**

**At Tullahoma**

**Space Institute**

**At Kingsport**

**Graduate Center**

**At Chattanooga**

**Graduate Engineering Center**

**UT CENTER FOR THE HEALTH SCIENCES**

**At Memphis**

**College of Basic Medical Sciences**

**College of Community and Allied Health Professions**

**College of Dentistry**

**College of Medicine**

**College of Nursing**

**College of Pharmacy**

**Graduate School — Medical Sciences**

**Other academic units associated with the Center for the Health Sciences**

**At Knoxville**

**UT Memorial Research Center and Hospital Clinical Education Center**

**UT AT MARTIN**

**School of Agriculture**

**School of Business Administration**

**School of Education**

**Department of Engineering and Engineering-Technology**

**School of Home Economics**

**School of Liberal Arts**

**Department of Military Science**

**Department of Nursing**

**Division of Extended Services**

**UT AT CHATTANOOGA**

**College of Arts and Sciences**

**College of Professional Studies**

**Engineering Division**

**Continuing Education and Public Service**

**Faculty**

A highly competent faculty is the most essential quality of a strong institution of
higher education. The University of Tennessee has a distinguished group of faculty members, nationally recognized for scholastic and professional achievements. The faculty elects a representative body called the Faculty Senate, which transacts most of its business. The Senate holds those powers and duties delegated to it by the Trustees and by the faculty of the University. The educational policies of the institution are established by the faculty. It determines the entrance requirements for students, prescribes and defines courses of study, establishes the requirements of degrees, determines rules for the academic guidance of students, and recommends to the administration the candidates for degrees who have completed prescribed courses of study.

Extracurricular Opportunities
In addition to a broad scope of specialized studies, the University offers numerous extracurricular opportunities that contribute to educational development. Students may take part in religious activities, social and cultural programs, and recreational and avocational activities. More than 200 different extracurricular organizations and activities are maintained on the University's Knoxville campus.

Research
As Tennessee's most broadly based institution of higher education, the University has the skilled personnel, the laboratories, and libraries needed for its role as the state's official research center. University research is conducted to find solutions to problems confronting the people of Tennessee and to discover new knowledge leading to greater development of human and material resources.

Funding of sponsored research at the Knoxville campus alone totaled more than $20.2 million in fiscal year 1982. This growth in the dollar value of grants and contracts parallels growth in the quality and diversity of research programs of importance to the Volunteer State and the entire nation. Increased crop yields, improved industrial processes, more effective medical services, and greater citizen understanding of our environment and our society are but a few of the benefits resulting from the practical applications of University research.

Research Organizations
The University's research is strengthened by a number of special organizations, within the colleges and schools, which sponsor and coordinate studies and experimentation in broad areas of investigation. These are: Agricultural Experiment Station (with research units at Knoxville, Oak Ridge, and Martin; six branch stations at Crossville, Greeneville, Jackson, Lewisburg, Springfield, and Spring Hill; and five field stations at Grand Junction, Wartburg, Chattanooga, Tullahoma, and Milan), Bureau of Educational Research and Service, Engineering Experiment Station, Center for Business and Economic Research, Bureau of Public Administration, Memorial Research Center and Hospital at Knoxville, Center for the Health Sciences at Memphis—all divisions have organized research programs. Water Resources Research Center, The Graduate School—embraces almost all departments in all colleges and is founded upon research; graduate students are required to do research as part of their study programs.

Extension and Public Service
University teaching programs and research findings extend beyond the limits of campuses to reach people in every community and county in Tennessee. Extension and public service programs are part of the work of every University department, and the institution has several large divisions created specifically to promote and coordinate statewide activities to meet the need that can be served by its educational resources. These special divisions are:

Agricultural Extension Service, specializing in agriculture and home economics, sponsored jointly with the U.S. Department of Agriculture. Agents to assist farmers and homemakers are stationed in every Tennessee county. District offices are maintained at Chattanooga, Cookeville, Jackson, Knoxville, and Nashville.

Division of Continuing Education, Knoxville extends academic programs and services from UTK to persons throughout the state through its Evening School, Off-Campus Credit Programs, Workshops and Conferences and Non-Credit Programs. The division cooperates with all other campuses of the University in statewide extension activities.

Institute for Public Service, which provides a system-wide focal point for the University's programs in the fields of industry, government, and urban development. Units of the institute are the Municipal Technical Advisory Service, the Grants and Contracts in Human Services, the Center for Industrial Services, the County Technical Assistance Service and the Technical Assistance Center. In addition, the Institute jointly supports with UT Knoxville two specialized research and service units, the Energy, Environment and Resources Center and the Transportation Center.

Physical Facilities of the University
Buildings on the main campus and agriculture campus at Knoxville are shown on the map printed in this catalog. A map of the state showing locations of the University's...
academic campuses and other physical facilities is located on page 11. Maps or aerial photographs showing buildings on the Center for the Health Sciences campus at Memphis and the Missionary Baptist Chattanooga campuses are printed in the catalogs issued by those units of the University.

Historical Background

The University of Tennessee traces its origin back to the days when George Washington was President of the United States—back to the years even before Tennessee became a state.

In 1794, two years before statehood was achieved, the Legislature of the Federal Territory which later became Tennessee granted a charter to Blount College, the earliest predecessor of the University at Knoxville. Blount College was named in honor of William Blount, Governor of the Territory, and was located near the center of Knoxville's present business district.

With its founding as Blount College, the University is listed as one of the older institutions of higher education in the nation. It was strictly non-sectarian in character, which was unusual for an institution of higher education in that day. The institution has remained non-denominational to the present time and is said to be the oldest such institution west of the Appalachian Divide.

Blount College for a few years admitted women as students, thus becoming the first coeducational college in the United States. It is probable, though, that these first coeds were engaged in preparatory rather than collegiate study. The institution later restricted enrollment to men, but reestablished its coeducational status on a permanent basis in 1882.

In 1807 the institution began to widen the scope of its service area. During that year the State Legislature changed the institution's name to "East Tennessee College" and made the recipient of one-half of the proceeds of the sale of land set aside by Congress for the support of colleges. In 1825 the present site at Knoxville, the 40-acre tract known as "The Hill," was acquired by East Tennessee College.

In 1840 the State Legislature changed the institution's name to "East Tennessee University." The Civil War forced the institution to close for a period; its buildings were used as a hospital for Confederate troops and were later occupied by Union troops. East Tennessee University reopened after the war, and from that time to the present the institution has enjoyed its most significant advances.

In 1869 East Tennessee University was selected by the State Legislature as Tennessee's Federal Land-Grant Institution, under terms of the Morrill Act passed by Congress in 1862. This designation enabled the University to broaden its offerings by establishing an Agricultural and Mechanical College. The new program was supported by an endowment resulting from the sale of land warrants received by Tennessee from the federal government.

Ten years later, in 1879, East Tennessee University was chosen by the State Legislature as Tennessee's State University, and its name was changed to "The University of Tennessee." In 1893, the University became pledged to the service and interest of the entire state. The state pledged to the University its own name and reputation, promising the institution a vital role in the progress of the state.

The University is a statewide institution in terms of its physical locations as well as its services. The Center for the Health Sciences, founded in Nashville and taken over by the University in 1879, was moved to Memphis in 1882. That campus was established in 1900 as a private institution, Hall-Moody Junior College, and it became a part of The University of Tennessee in 1927.

The School of Social Work at Nashville became part of the University in 1951. A fourth primary campus was established at Chattanooga in 1969 with the merger of the University with the University of Chattanooga. The University's Nashville Center, established in 1947, was made the fifth primary campus in 1971.

UTN's academic programs were merged with those of Tennessee State University in 1971.

Agriculture Experiment Stations were established at Jackson, Spring Hill (Columbia), Springfield, Lewisburg, Crossville, Wartburg, Oak Ridge, Greeneville, and Grand Junction. The Division of Continuing Education, Knoxville, conducts evening classes, workshops and off-campus programs, conferences, and non-credit programs for the campus. The Agricultural Extension Service, with district offices at Jackson, Nashville, Cookeville, Chattanooga, and Knoxville, has agricultural extension leaders and agents in each of Tennessee's 95 counties.

In 1969 the Board of Trustees reorganized the institution into a University system, giving a central administrative staff responsibility for statewide functions of the University. Each primary campus came under the administrative direction of a chancellor.

State Legislatures and Governors of Tennessee, particularly those of the past half century, have shown an active interest in the development of The University of Tennessee. Such support has helped the University broaden and strengthen its efforts to meet the educational, research, and service needs of the people of Tennessee through programs which have earned national and international recognition.

Academic Policies and Costs

Any and all course offerings, academic requirements, and other information contained in this publication are subject to change and/or revocation without notice. See page 2 for sources of current information.

Admission to The University of Tennessee, Knoxville

ADMISSIONS PHILOSOPHY AND GOALS

As the state's largest and most comprehensive university, The University of Tennessee, Knoxville (UTK) seeks to provide high quality educational programs for all students who have the academic ability and motivation to adapt to and profit from a baccalaureate education. Similar opportunities are available at the graduate level, via Graduate Catalog. While the majority of students at UTK are residents of the State of Tennessee, the university welcomes qualified students from other states and from outside the United States. Students from a variety of cultural backgrounds and religious affiliations are encouraged to apply.

Generally, UTK entering students have:

1. An outstanding record of total academic performance in high school or college;
2. A good past academic record particularly in subjects related to fields of interest;
3. A level of motivation and interest sufficient to offset negative aspects of prior academic performance;
4. A change in career goals as an adult, resulting in a need for formal education at the university level;
5. A quality education at the secondary or college level from an institution in another country.

UTK admission policies are designed to reflect sensitivity, flexibility, and quality. The goals are sensitive to the diverse needs and life histories of individuals, flexibility in the requirements worked out between a student and the University towards the achievement of individual goals, and quality in the standards and expectations for all involved in the various programs and programs.

Honors courses and sections and special programs challenge a student who previously has demonstrated outstanding overall academic attainment or skills in a particular subject area. However, experience has shown that many students whose past academic records are average can achieve a high level of attainment. This achievement is of vital importance to the student, the University, and the State. The student's talents must be sufficiently strong and the University must provide the necessary attention of concerned teachers and advisors. UTK encourages persons whose interests and goals have changed with time. Many adults who have little or no college work find that, after some years in the working world, they are both willing and able to take advantage of the study opportunities provided by a major university such as UTK. Others who have completed a program of study or have received a degree may desire to expand their knowledge or prepare for a different vocation and may re-enroll or transfer previous credits to UTK.

Thus the University is a point of re-entry into higher education for many. Not all who come here seek a degree. For some, the goal is the attainment of particular skills and the development of certain interests through selected courses. Although the same academic standards apply to all, individual variations in academic background are recognized to the maximum extent possible in admissions procedures. UTK attempts to assist each student in the identification and achievement of realistic academic goals.

ADMISSION TO THE UNIVERSITY AND ASSOCIATION WITH A COLLEGE OR SCHOOL

There are two distinct steps in the acceptance of a student by the University. These steps can be separated in time or may occur simultaneously. The initial step is admission to The University of Tennessee,
I. Admission

A student is expected to complete the college or school of choice and actively work toward association at the earliest possible date.

II. SOURCES OF INFORMATION FOR PROSPECTIVE AND NEW UTK STUDENTS

Tables I and II which follow list the most commonly-sought sources of information about admission and related matters at the University of Tennessee, Knoxville.

REQUIREMENTS FOR ADMISSION AS A UTK UNDERGRADUATE STUDENT

Anyone interested in attending UTK as an undergraduate student should contact the Admissions Office, 320 Student Services Building, for application forms and information of Enrollees. Return of completed forms and transcripts to the Admissions Office results in the formation of an admissions file for each applicant. When a file is complete, an admissions decision is made by personnel in the Admissions Office, and the applicant is notified of the decision by mail.

The contents of a complete admission file for each of the various admission categories is described below and in Table III.

Freshman Applicants

For admission purposes, a student is classified as an entering freshman if:

1. the student has no previous college-level credit earned;
2. the total of attempted college-level credit work at an accredited institution has been less than 12 quarter hours.

In addition to the initial transcript form, a freshman applicant should:

1. Have a transcript of all high school credits sent to the Admissions Office by all high schools attended. At least three units of English, two units of mathematics, two units of science, two units of social studies, and two units of foreign language must have been completed. A supplemental transcript must be sent by a high school when the initial transcript is submitted to UTK prior to mid-June. Students who have been taken for college credit, the institution(s) granting the credit must be contacted by the student and asked to send a transcript to the UTK Admissions Office as a part of the admission file. Students who have achieved a high school diploma through the General Education Development Test must have the GED scores sent.
2. Have the score report of the American College Testing Program (ACT) sent by that organization to the Admissions Office. The score report is a necessary part of the application. For students who have taken both the ACT and the Scholastic Aptitude Test (SAT) at the time of application for admission to the University of Tennessee, Knoxville, only the ACT results shall be included in the admissions file.

In considering the admission as University students of freshman applicants who have taken both the SAT, the SAT scores, properly reported to the Admissions Office by the testing body, may be accepted in lieu of the ACT at the discretion of the Director of Admissions. Such students may be required to take the ACT test for the purpose of assisting in placement decisions after being admitted to UTK. ACT scores provide a source of data normally essential to the awarding of scholarships and placement in honors programs and courses.

The ACT tests are administered five times a year throughout the country in October, December, February, April, and June. Information concerning the ACT and application forms may be obtained from high school guidance counselors or directly from American College Testing Programs, P.O. Box 168, Iowa City, Iowa 52240. The test can be taken during either the junior or senior year of high school.

Freshman applicants having a relatively low ACT (or SAT) composite score and/or high school grade point average may be screened for admission by a University Admission Committee (see Table III).

Advanced Placement Examinations:

Freshmen admitted to UTK may receive credit on the basis of advanced placement exams or for courses completed for the Advanced Placement Examinations offered each May by the College Entrance Examination Board in 13 subject areas. The tests are usually taken by high school students preparing to enter college during their junior or senior year.

Because the material covered by the tests is comparable to introductory courses at the college level, many eligible institutions have granted advanced placement or actual course credit with a letter grade or a "Satisfactory" notation. Scores of 5, 4, and 3 usually produce some credit at the college level.

Departments at UTK which grant advanced placement and/or grades for satisfactory test scores include Art, Biology, Chemistry, English, History, French, Spanish, German, Latin, Mathematics, Music, and Physics. The CEEB sends scores and test books on request to the Director of Admissions at UTK sometime in June or July. Each participating department decides how to grant credit.

Information can be obtained from either the Admissions Office or from the Liberal Arts Advising Center.

Transfer Applicants

A student who has attempted 12 quarter hours or more of college coursework at one or more accredited institutions of higher learning must apply for admission as a transfer student. A complete transcript of all work at each institution attended should be sent to the University of Tennessee, Knoxville, only if the student applicant who has attempted fewer than 12 hours in college credit coursework at accredited colleges.

Admission to UTK requires one to take many courses and to participate in programs which do not lead to an academic degree. However, completion of a baccalaureate degree requires the selection of, and acceptance by, one of the colleges on the Knox County undergraduate degrees. These units and the various degrees available are summarized subsequently in Table IV.

Admission as a University student does not guarantee acceptance by any particular school or college, since each degree-granting unit requires different prerequisites. A student must associate with a college or school in order to receive a degree, since there is no general university degree.

A student is expected to complete the association process at a time well in advance of the completion of degree requirements. Many upper division courses are available only to students who have been accepted into a particular major. Non-majors may not be allowed to take such courses. A University student should contact the college with which association is desired to determine the latest time allowed for work required for the degree) at which association is possible.
In order to be considered for admission to UTK, a transfer applicant must have a transfer grade point average of 2.00 or better (on a 4-point scale).

International Student Applicants

All foreign nationals on a non-immigrant visa are classified as international students, whether they are applying to UTK as freshmen, or transfer students. In addition to the regulations stated above, any applicant whose first language is not English must conform to the regulations stated in (a, b and c) above.

4. Applicants from Ghana, Nigeria and Iran are required to make a significant monetary deposit prior to issuance of Form I-20 and the visa. This deposit is credited to tuition and fees. The balance is remitted to the student at the beginning of each quarter in four quarterly installments. Information on these requirements is sent to international student applicants along with the necessary forms upon receipt of a letter of inquiry about admission. Information may also be requested from the Office of International Student Affairs, 201 Alumni Hall.

International students are subject to various enrollment limitation regulations comparable to those affecting U.S. citizens. The Admissions Office will notify any applicant of any applicable regulations in effect at the time of application.

Transient Student Applicants

A transient (temporary) student is one who is actively enrolled in a program at another accredited institution of higher learning but who desires to take courses temporarily at UTK because of the availability of certain coursework or because of temporary residence in the Knoxville area.

Transient students desiring to continue at UTK for more than one quarter must file an application for admission as a transfer student. Students desiring to attend UTK on an interim basis for no more than one quarter must submit, in addition to the application form, (1) a letter of good standing from the institution at which enrolled, and (2) a statement of the objective for enrolling one quarter at UTK. This statement should describe desired UTK courses, or at least the subject areas of coursework to be taken here.

Since academic records will not be available at UTK for transient students, academic advising will be limited to information about courses in which the student enrolls. Such information is obtained from the department offering a course. Use of UTK coursework for a degree program is a matter to be determined by the home institution, not by UTK. Transient students must have the required background (prerequisites) and course requirements the same as any other student. Academic overloads will not be permitted.

Non-Degree Student Applicants

Persons desiring to take courses for credit, but who do not intend to pursue a degree, should apply for non-degree status. Working adults may choose to apply through the University Evening School for convenience. All University admissions requirements apply, and the Admissions Office processes all applications, regardless of intended registration location. Non-degree students are often part-time students, though this is not a requirement. Non-degree students must show evidence of satisfactory preparation for the courses they wish to take. The high school class of a non-degree student must have graduated (otherwise, an early admission application must be filed). Former University of Tennessee students may not be admitted in this category prior to the receipt of a bachelor's degree.

If there is a change in educational goals leading to interest in a degree program, a non-degree student must meet all previously indicated transfer, admission, or college association requirements for admission at the time of application. No more than 90 quarter hours of accumulated college credit (from all institutions attended) may be used by a non-degree student in any subsequent degree program at UTK.

Exceptions to Admissions Requirements

University admission requirements for the various categories are thought to be reasonable and consistent with good educational practice. Thus, these requirements are not normally waived or modified for any applicant, except as specifically noted. However, unusual circumstances sometimes exist. If a potential student feels that some part of the requirements for the category sought should not apply as stated, that person should write a letter to the Director of Admissions. The letter should clearly state the specific circumstances prompting the appeal and what changes in the stated requirements are sought. The reply to this letter will indicate whether any exception to the requirements will be made, the reasons for the decision, and will describe any further action which the applicant might take.

Deadlines For Applications

Applications for undergraduate admission and all supporting credentials must be received by the Director of Admissions no later than August 1 for the fall quarter, no later than three weeks before the start of classes for admission to any other quarter, except as noted below.

Applications for the College of Veterinary Medicine must be received by the Director of Admissions by January 15 for admission into the fall quarter. Applications for the School of Architecture must be received no later than March 1 for admission to the summer and fall quarters. Selection will be made by April 1. November 1 is the deadline for application for the spring quarter; enrollment is closed for the winter quarter. Applications for the College of Nursing must be received by March 1. Selection will be made by April 1; enrollment is closed for the winter and spring quarters.

Applications for the Professional Interior Design program must be received no later than March 1 for admission into the summer and fall quarters. Selection will be made by April 1; enrollment is closed for the winter quarter. An applicant who is not accepted may be reconsidered if application is made for a future class.

Former students who have been dropped from the University for academic deficiency or disciplinary reasons must apply for readmission to the Director of Readmissions no later than six weeks before the start of classes of the quarter the student wishes to enter. Former students in good standing who have not been registered for at least one quarter must (except for summer quarters) apply for readmission no later than three weeks prior to the start of classes.

FEE CLASSIFICATION FOR THE PURPOSE OF PAYING UNIVERSITY FEES AND FOR ADMISSION PURPOSES

Students are classified as in-state or out-of-state for the purpose of paying University

<tr>
<td>Progression</td>
<td>An internal evaluation process in some colleges or degree programs by means of which an associated student’s academic standing is examined to determine if prior work is complete and if the student should proceed towards completion of the remaining degree requirements. The most common evaluation point is at the end of the sophomore year.</td>
</tr>
</tbody>
</table>
| Lower division            | 1. A course normally taken during the freshman and sophomore years. In the UTK courses numbering system, lower division courses carry 1000 and 2000 numbers (see page 31). Credit for lower division courses completed at another institution may be labeled "LD credit."  
2. A term referring to a student’s location in the progression of coursework leading to an undergraduate degree and implying freshman or sophomore classification. |
| Upper division            | 1. Courses normally taken during the junior and senior years (3000 and 4000 numbers at UTK). A student taking primarily junior and senior courses is said to be an upper division student. Credit for upper division courses may be labeled "UD credit" on a transfer evaluation.  
2. The state of being classified as a junior or senior. |
<p>| Add deadline              | The latest date in an academic quarter at UTK when a course may be added to a student’s class schedule without approval of someone other than the student (exception: when the additional hours produce an academic overload, see page 31). |
| Drop deadline             | The latest date in an academic quarter at UTK for removing a course from a student’s official course schedule without approval of someone other than the student (see page 30). |
| Curriculum                | The set of courses offered in a particular degree program. More generally, the courses (in total) offered in a college or university. The plural word is curricula.                                                        |
| Prerequisite               | A requirement to be completed (or a level of skill or knowledge to be demonstrated) before enrollment in a course, a degree program, or association with a college.                                                     |
| Corequisite                | A course to be taken or a requirement to be fulfilled at the same time as a particular course is being taken.                                                                                                                                 |
| Application deadline      | The date which all documents required for the admissions file of a prospective student must be received by the UTK Admissions Office (see page 26).                                                                    |
| Admissions file           | The set of documents related to a request for admission to UTK. The set contains the application form and official transcripts of previous work in high school or college and may contain standardized test scores (ACT for freshman applicants), a statement of career objectives, forms for international students, or other information required by the Admissions Office or by a particular college or school. |
| Registration              | The process of officially gaining entrance into one or more courses.                                                                                                                                          |
| Orientation               | A meeting (or series of meetings) designed to acquaint a new student with the facilities, policies, sources of information and assistance, and academic and social atmosphere of UTK.                                                |
| Quarter hour              | The unit of academic credit at UTK (see page 28).                                                                                                                                                           |
| Semester hour             | A unit of academic credit used in the UT Law College and at many colleges and universities. Three quarter hours is equivalent to two semester hours.                                                        |
| Academic load             | The total quarter hours of credit for all courses taken during a specified time—quarter, mini-term, semester.                                                                                                 |
| Full-time                 | One who is registered for 12 quarter hours or more during a quarter.                                                                                                                                        |
| Quarter                   | The division of the calendar year used in academic scheduling at UTK. A quarter is roughly 3 months in duration. More specifically, courses normally last for approximately 11 weeks.                                    |
| Quality points            | UTK compiles academic performance records through use of a scale assigning 4 &quot;quality points&quot; per quarter hour of credit for an &quot;A&quot; grade ranging to 1 quality point per quarter hour of credit for a &quot;D&quot; grade (see page 28). |</p>
<table>
<thead>
<tr>
<th>Term</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>Grade point</td>
<td>An average on the 4-point scale determined by dividing the total accumulated quality points by the corresponding total of quarter hours of credit attempted. Certain grades do not influence this computation (see page 29). High schools have a similar procedure for computing an average on the numerical grading scale (often abbreviated as HSGPA).</td>
</tr>
<tr>
<td>AP exam</td>
<td>An Advanced Placement Examination in a specific subject area available nationally to high school students from the College Entrance Examination Board (CEEB). Obtain information on taking the examination from a high school guidance counselor. Information on UTK course credit for these examinations is available from the Admissions Office. (See page 13.)</td>
</tr>
<tr>
<td>CLEP test</td>
<td>Subject area examination administered by the College Entrance Examination Board. Details and comparisons with the AP exam can be obtained from: The College-Level Examination Program Box 1821 Princeton, NJ 08540 Refer to page 33 for statements on acceptance of CLEP text scores for academic credit at UTK.</td>
</tr>
<tr>
<td>Proficiency exam</td>
<td>A test given to a student admitted to UTK to evaluate knowledge or skills normally acquired through completion of a particular UTK course. Refer to page 33 for details.</td>
</tr>
<tr>
<td>TOEFL test</td>
<td>An internationally-administered examination measuring ability to use the English language. Required of any international student applying to UTK whose native language is not English (see page 14 for exceptions). For information and to make arrangements to take the examination, contact: The Test of English as a Foreign Language Educational Testing Service Princeton, NJ 08540</td>
</tr>
<tr>
<td>English Proficiency Test</td>
<td>A test taken at UTK prior to initial registration (but after admission) by undergraduate international students to determine what English course (if any) must be taken at UTK. This local test is in addition to the minimum TOEFL test requirement. (See page 14.)</td>
</tr>
<tr>
<td>University honors course</td>
<td>A non-departmental enrichment course available (by invitation only) from the College of Liberal Arts (page 215).</td>
</tr>
<tr>
<td>Honors course or section</td>
<td>A version of a regular course reserved for students with superior preparation for that course. See, for example, English honors (p. 205); Chemistry honors (p. 195); Mathematics honors (p. 215); History honors (p. 212).</td>
</tr>
<tr>
<td>Evening school</td>
<td>An administrative unit of UTK’s Division of Continuing Education designed to serve students who work during the major portion of the day (see page 101).</td>
</tr>
<tr>
<td>Major</td>
<td>The principal education interest of a student as represented by one of the curricula offered by the various colleges at UTK. The undergraduate degree may or may not carry the same title as the major. Every student has one or more majors but may or may not have a concentration within a major or be following an option within a major.</td>
</tr>
<tr>
<td>Minor</td>
<td>A secondary subject area interest (to the major) represented by a specified set of hours and/or courses. Differs from “concentration” in that a minor is not a subdivision of the major subject area.</td>
</tr>
<tr>
<td>Concentration</td>
<td>A collection of courses within a major which focus on a particular subject area. The term “concentration” describes the nature of the set of courses; the term “option” designates the mechanism by which a student enters into a particular concentration.</td>
</tr>
<tr>
<td>Option</td>
<td>A concentration of elective courses within a major which emphasizes one aspect of the major, chosen by a student according to his/her interests.</td>
</tr>
<tr>
<td>Accredited</td>
<td>A term applied to a school or specific program which has been recognized by some national or regional organization as meeting certain academic standards for quality and educational environment.</td>
</tr>
</tbody>
</table>
TABLE III
ADMISSIONS REQUIREMENTS FOR SPECIFIC CATEGORIES

<table>
<thead>
<tr>
<th>Admissions Category</th>
<th>Admissions Requirements</th>
</tr>
</thead>
<tbody>
<tr>
<td>FRESHMAN In-state</td>
<td>Graduation from an approved high school; submission to UTK of transcript and ACT test results. Applicants whose ACT composite score is below 10 and whose high school GPA is below 2.00 will not be admitted. Others having relatively low scores will be reviewed for admission by a university committee.</td>
</tr>
<tr>
<td>FRESHMAN Out-of-State</td>
<td>Same as for in-state. In addition, applicants from states in the region served by the Southern Association of Colleges and Schools (AR, AL, FL, GA, KY, LA, MS, NC, SC, TX, and VA) must have a high school grade point average at least 2.25 and an ACT composite score at least 18. Applicants from other states must have high school grade point average at least 2.25 and ACT composite score at least 20.</td>
</tr>
<tr>
<td>FRESHMAN—GED Diploma</td>
<td>Applicant's high school class must have graduated; must be at least 18 years old; and must have an average standard score of at least 50 on the high school level General Education Development Test. High School transcript(s) showing all work completed must be submitted.</td>
</tr>
<tr>
<td>FRESHMAN—EARLY ADMISSION</td>
<td>Must have completed junior year in high school, have a high school grade point average of at least 3.50, and have an ACT composite score of 28 or above. Application is subject to review and approval by the Director of Admissions following an interview.</td>
</tr>
<tr>
<td>TRANSFER In-State</td>
<td>At least 12 quarter hours of college credit work attempted at an accredited institution of higher learning; honorable dismissal from all such institutions attended; transfer grade point average of at least 2.00.</td>
</tr>
<tr>
<td>TRANSFER Out-of-State</td>
<td>Same as for in-state transfer applicants except that those applicants desiring college or school association at the time of admission will have the admissions decision made by the College Committee on Admissions.</td>
</tr>
<tr>
<td>INTERNATIONAL</td>
<td>Refer to “International Student Applicants” in text.</td>
</tr>
<tr>
<td>TRANSIENT</td>
<td>Refer to “Transient Student Applicants” in text. One quarter limit in this category at UTK unless special permission is given by the Director of Admission.</td>
</tr>
<tr>
<td>NON-DEGREE</td>
<td>May not be a candidate for the bachelor’s degree. Must show satisfactory evidence of preparation for the courses to be taken at UTK; applicant’s high school class must have graduated (this is not an early admissions category).</td>
</tr>
</tbody>
</table>

Graduate School of Library and Information Science
Graduate School of Library and Information Science*

*Minor available.
Minor available in Portuguese.
Minor available to students in College of Education and the College of Liberal Arts.
fees. This classification is also the basis of some University admission requirements. The classification is determined by the information recorded on the application for admission and may be reviewed as the result of submission of a subsequent fee classification questionnaire.) Notice of classification is sent back shortly after the student applies to the University.

The determination is made on the basis of the Regulations established by the Board of Trustees, with the intent that all public institutions of higher education in Tennessee apply uniform classification rules.

Basically, these Regulations state that (1) students receiving parental support are classified according to parental domicile, and (2) an emancipated student independent of parents may establish in-state classification by producing satisfactory evidence of Tennessee domicile with proof that the move to Tennessee was not primarily for obtaining educational opportunities for themselves, dependents, or spouse. Forms and copies of the Regulations may be obtained from the Residency Clerk in the appropriate Admissions Office - undergraduate, 320 Student Services Building; law, 112 Law Building; veterinary medicine, 320 Student Services Building. Additional appeals may be directed to the Fee Classification Coordinator, Room 320 Student Services Building.

Scholarship recipients and children of alumni are treated as in-state residents for the purpose of applying admissions criteria. However, such students will be required to pay out-of-state fees and tuition unless they can meet the in-state residency requirements stated above.

An out-of-state student completing one of the University's pre-professional programs (law, health services, veterinary medicine, etc. see p. 178) does not gain preferential priority in seeking admission to a professional program that is otherwise restricted primarily to Tennessee residents.

Special State and Federal Laws for Educational Purposes

AMERICAN HISTORY

Effective July 1, 1978 and afterwards, all students receiving a bachelor's degree must have completed one unit of American history on the high school level or nine quarter hours of collegiate American history in order to receive a bachelor's degree as required by the General Assembly of the State of Tennessee (Tennessee Code Annotated Section 49-3253).

EEO/TITLE IX/SECTION 504 STATEMENT

The University of Tennessee, Knoxville, does not discriminate on the basis of race, sex, color, religion, national origin, age, handicap, or veteran status in provision of educational opportunities or employment opportunities and benefits.

UTK does not discriminate on the basis of sex or handicap in the education programs and activities which it operates, pursuant to the requirements of Title IX of the Education Amendments of 1972, Pub. L. 92-318; and the requirements of Title IX of the Education Amendments of 1972, Pub. L. 92-318, and Section 504 of the Rehabilitation Act of 1973, Pub. L. 93-112; respectively. This policy extends to both employment and admission to the University.

Inquiries concerning Title IX and Section 504 should be directed to the Office of the Vice Chancellor for Planning and Administration, 525 Andy Holt Tower, 974-4391. Charges of violation of the above policy should also be directed to the Office of the Vice Chancellor for Planning and Administration.

ELDERLY AND DISABLED PERSONS

Persons 60 years of age or older and totally disabled persons who are domiciled in Tennessee may audit courses without payment of course fees if space is available in the individual class. Persons 65 years of age or older and totally disabled persons who are domiciled in Tennessee may enroll in courses for credit at reduced fees. Interested persons should inquire at The University of Tennessee Evening School Office during regular office hours.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

This act provides for confidentiality of student records; however, it also provides for basic identification of people at UTK without the consent of the individual. Release of information to third parties includes directory information, such as contained in the campus telephone book and sports brochures. Such information includes name, address, telephone number, date and place of birth, major dates of attendance, degree and awards, the most recent previous educational agency or institution attended, participation in school activities and sports, and weight and height (for special activities).

Public notice of the categories to be contained in a directory is given, and a period of one week is provided during which a student may request that such information not be released.

SOCIAL SECURITY NUMBER USE

The University of Tennessee, Knoxville, requires assignment of an individual student number for internal identification of each student's record. The University began using the social security number as the student identification number prior to January 1, 1975; therefore, the federal law allows continued use of this number. However, if a student does not desire the social security number to be used, notification to the University must be made at the time of application for admission; a student identification number will be assigned instead. For prompt and accurate retrieval of records, it is important that each student concerned provide the University with accurate social security number.

Persons 60 years of age or older and totally disabled persons who are domiciled in Tennessee may audit courses without payment of course fees if space is available in the individual class. Persons 65 years of age or older and totally disabled persons who are domiciled in Tennessee may enroll in courses for credit at reduced fees. Interested persons should inquire at The University of Tennessee Evening School Office during regular office hours.

26

THE UNIVERSITY
Evaluation of Progress. The academic progress of those admitted to the lower-division programs of the College is evaluated periodically (e.g., on completion of 45 hours of coursework). Those failing to make acceptable progress toward meeting the standards for progression to upper-division programs will be encouraged to seek alternative educational opportunities. It is expected that students will follow the curricula prescribed in the CBA portion of the General Catalog and will schedule the courses indicated in the sequence indicated. Association decisions for entering freshmen or transfers are made at the time of admission to the University on the basis of a request for association with the college. Others who seek association at the lower-division level must make application to the Associate Dean for Undergraduate Programs of the College of Business, Room 52, Glover Business Administration Building.

II. PROGRESSION TO THE UPPER DIVISION LEVEL

The College of Business Administration grants progression to degree candidacy (major) only after completion of 84 hours of coursework. Progression to the major is competitive and is based upon the space available in the college. Factors considered in determining progression are both subjective and objective. Included is consideration of overall grade point average, grades earned in courses required in the lower-division curricula of the Colleges of purpose and interest in the College programs as exemplified by regular and orderly progress through the prescribed curriculum without abuse of withdrawal and course repeat privileges. The standards applied for these criteria may be adjusted from time to time to balance overall demand with faculty resources and space availability.

Students seeking to progress in the College of Business Administration to the upper-division level (as a major) must offer the following:

HIGH SCHOOL CREDITS:

(See IA above.)

COLLEGE WORK:

A university student may be granted association with the College of Business Administration and progression as a major after completion of 84 quarter hours of coursework. Included in the 84 hours, a student must have passed with a minimum GPA of 2.00 the number of credit hours indicated in each subject area shown below (or equivalent work as prescribed in the major area desired):

Accounting 2110-20-30 9 quarter hours
Computer Science elective 3
Economics 2110-20 9
English 1010 or 1011; 1020; 1032 (with a minimum grade of C in each course) 12
Mathematics 1540-50-60 12
Statistics 2110 3

Students who intend to major in the College of Business Administration should follow closely the stipulated curricula in the first 84 hours.

Students who have completed 84 hours and believe that they have met the minimum standards must apply to the Associate Dean for Undergraduate Programs. This should be done as soon as the stated requirements are met so that the decision on granting association and progression can be reached prior to the next quarter registration date for the next quarter. Please note that progression to upper-division association is not automatic for those with lower-division association. Application must be made by all who seek to progress from the lower-division to the upper-division.

Upper-division course enrollments are determined on a basis which gives first priority to students with College of Business Administration association, CBA majors, minors, and those in other colleges whose major curricula require this work.

PROVISIONAL STATUS:

Students who have completed between 70 and 84 hours of coursework and can meet the conditions for progression to the upper-division by completing the coursework in which they are presently enrolled may request provisional status. Application must be made to the Associate Dean for Undergraduate Programs at least three months prior to the first day of registration for the term in which the student expects to have met the requirements. Those accepted provisionally will be given advanced registration priority for core and other essential courses in the college. However, if they have not met the conditions for progression to the upper-division by the time they have completed 84 hours of coursework, they may be removed from the registration list at late registration.

College of Communications

Association with the College of Communications may be made at any time. The minimum requirement is that students be in association with the college for the last 45 quarter hours of course work. Those interested in this college should obtain a copy of the Program Planning Guidebook of the College of Communications.

Freshmen associated with the College of Communications are temporarily classified as premajors. They may apply for admission to a major degree program after they pass typing and spelling proficiency tests and complete, with at least a 2.0 cumulative average, the following courses:

English 1010 or 1011; 1020; 1032 (with a minimum grade of C in each course) 12 hours of natural science
History 1510-20
Communications 1110 or 1118 9 hours of foreign language
Sociology 1510

A final decision may be deferred until students complete the core courses in their intended major with a minimum grade of B in one core course and no grade below C in other core courses. Students granted early admission must also meet these standards. Students must pass the college's typing and spelling tests before enrolling in or preregistering for courses in the college. Students interested in this college should obtain a copy of the Program Planning Guidebook of the College of Communications.

Freshmen may not enroll in courses numbered 3000 or above in the college (with the exception of Advertising 3000) until they have successfully completed the core courses. The core courses by major are:

Advertising - Communications 1110 or 1118, Journalism 2215, Advertising 3000
Broadcasting - Journalism 2215, Advertising 3000, Broadcasting 2750
Journalism - Journalism 2215, Journalism 2220, Journalism 2230

Transfer students may apply for association with the College of Communications after they have completed all the premajor requirements including the core courses, and have attained at least a 2.0 average in all work attempted.

College of Education

Application for association with the College of Education may be made at any time. The
minimum requirement is that students be in association with the college for the last 45 quarter hours of coursework. Students desiring to teach, in addition to association with the College of Education, must also gain admittance to Teacher Education. Applicants are encouraged to begin the multiphase admission process during their first quarter as a full-time student and complete the process by the fourth year. The specific admission criteria appear in the College of Education section of this catalog.

**College of Engineering**

Association with the College of Engineering may be undertaken at any time. The minimum requirement is that students be in association with the college for the last 45 quarter hours of coursework.

Mathematics preparation is particularly important for engineering courses. A freshman applying for association with this college must have completed two units of high school algebra, one unit of geometry, and one-half unit of trigonometry. If trigonometry was part of a high school course carrying another name, such credit will also satisfy the trigonometry requirement. Regardless of course title, right triangle and basic trigonometric laws must have been covered in sufficient depth to permit working with vector quantities.

Transfer students must also show adequate mathematical preparation, either through high school courses or through successful completion of college-level math courses utilizing the equivalent subject matter. All international applicants, all out-of-state applicants, and those applicants whose transfer GPA is below 2.50 will be reviewed by a College Admissions Committee. Transfer applicants from another UTK unit are screened by the appropriate engineering department head prior to a decision on association.

**College of Home Economics**

The College of Home Economics grants and encourages association of eligible students for all programs at the time of admission to the University. The minimum requirement is that students be in association with the college for the last 45 quarter hours of coursework. The College of Home Economics grants and encourages association at the time of admission of eligible students for all programs at the time of admission to the University. The minimum requirement is that students be in association with the college for the last 45 quarter hours of coursework. Students must have an overall GPA of 2.0 in all previous college courses or through successful completion of college-level math courses utilizing the equivalent subject matter.

All international applicants, all out-of-state applicants, and those applicants whose transfer GPA is below 2.50 will be reviewed by a College Admissions Committee. Transfer applicants from another UTK unit are screened by the appropriate engineering department head prior to a decision on association.

**College of Liberal Arts**

The College of Liberal Arts grants and encourages association of eligible students for all programs at the time of admission to the University. The minimum requirement is that students be in association with the college for the last 45 quarter hours of coursework. To associate, a student must:

1. Have completed two units of the same foreign language in high school or a year of language at the college level
2. Have completed one unit of algebra and one unit of geometry (or two units of algebra) in high school.

Association for the Bachelor of Science in Chemistry requires at least 1.5 units of algebra and one unit of geometry. The two-year Pre-Pharmacy, Pre-Nursing, and Allied Health Programs have the basic mathematics requirement but no language requirements. Students who desire to associate with Liberal Arts should ensure that they have an advisor in the college whether or not they meet these requirements (go to the Liberal Arts Advising Center).

**College of Nursing**

The minimum requirement is that students be in association with the College of Nursing for the last 45 quarter hours of coursework. The College of Nursing has a two-fold selection process:

1. Entering freshmen are selected on the basis of a composite ACT score of 18 and a minimum high school GPA of 2.50.
2. Students must petition to progress to upper-division nursing courses. This petition must be completed during the sophomore year by the fifth class day of Winter Quarter. The minimum requirement for progression to upper-division courses is completion of lower-division requirements with a grade of C. However, since the college has limited clinical facilities available in the community, the college GPA is used as the selection criterion. The cut-off varies from year to year but generally will be found in the 2.80 to 3.00 range.

Transfer and change of major students must apply to the college by March 1 if they intend to begin upper division nursing courses in the Fall. The minimum GPA for these students is generally 3.00. Students who have a lower overall GPA but have shown significant improvement in lower division courses required by the College of Nursing will have this partial GPA weighted more heavily in the selection process.

**General Academic Regulations**

**Credit Hours, Grades, and Grade Point Average**

The basic unit of credit at The University of Tennessee, Knoxville, is the quarter hour. This normally represents one hour of lecture or recitation or two hours of laboratory work per week. Each course at the University carries a number of quarter hours of credit specified in the course description. At the completion of each course, a student will be assigned a grade reflecting the student's performance in the course. Passing grades normally carry with them a certain number of quality points per quarter hour of credit in the course. A student's grade point average is obtained by dividing the total number of quality points the student has accumulated by the total number of quarter hours the student has attempted, not including hours for which grades of N, NC, P, S, SI, and W have been received.

**Undergraduate Grades:**

A student receiving a grade of 1 or SI should arrange with the teacher to take whatever action is needed to remove the grade at the earliest possible date, and in any event, within two years after the course was attempted. A student need not be enrolled at the University to remove a temporary grade. I (incomplete) is assigned to a student whose work is satisfactory but who has failed to complete a laboratory, shop, or other parallel exercise. The I carries no quality points and counts as a failure in the computation of grade point average until removed. The grade of I may also be assigned by any faculty member to students who appear to be deficient in their usage of English in the course, but otherwise passing; the grade of I is removed when the Committee on Writing certifies to the instructor that a student has made the necessary improvements. SI (incomplete) is assigned when the work is satisfactory but when a portion of the course is not completed. The grade is awarded only in courses where S/NC grading has been elected. The grade of SI is not computed in the average.

**Grade Point Average**

- **A** - Superior
- **B+**
- **B** - Good
- **B-**
- **C+**
- **C** - Average
- **C-**
- **D+**
- **D** - Below
- **D-**
- **F** - Failure

**TEMPORARY GRADES**

SI (incomplete) is assigned when the work is satisfactory but when a portion of the course is not completed. The grade is awarded only in courses where S/NC grading has been elected. The grade of SI is not computed in the average.

**GRADING SYSTEM**

The following grades carry no quality points, and hours on which these grades are earned are not counted in computing a student's grade point average.

- **NC** (no credit) indicates failure to complete a course satisfactorily when, taken on an S/NC basis.
- **S** (satisfactory) is assigned for C or better work when a course is taken on an S/NC grading basis.
W (withdrawal) is assigned in courses from which a student has officially withdrawn. Regulations concerning withdrawal from courses or from the University appear in a following section of this catalog, entitled "Changes in Registration."

SATISFACTORY/NO CREDIT GRADING SYSTEM

The purpose of this system is to encourage the student to venture beyond the limits of those courses in which the student usually does well and, motivated by intellectual curiosity, explore subject matter in which performance may be somewhat less outstanding than work in preferred subject fields. To this end Satisfactory/No Credit (S/NC) grading has been developed for undergraduate courses (1000-, 2000-, 3000-, and 4000-level courses). Neither grade is counted in a student’s grade point average, but, like all other grades, is entered on the permanent record. S is given for C or better work on the traditional grading scale and NC is given for less than C work. The student only receives credit in the course if an S is received. A student may not repeat a course for S/NC if the student received a conventional grade (A, B+, B, C+, C, D, F, or I).

The instructor of a conventionally graded course will not be informed which student, if any, has elected S/NC grading. If the student elects non-conventional grading, grades of A, B+, B, C+, C, D, F, or I, will be recorded on the students permanent academic record as S, and D or F as NC. The grade of I for incomplete work will be recorded as an SI, which will not be computed in the average. A student is permitted to change the system of grading in a course through the add deadline. The grade W will be applied in the same manner for either a conventional grading system or S/NC grading. The changing of an S/NC grade to a conventional letter grade or vice versa is not permitted unless a bona fide error is determined by the Registrar.

FRESHMAN ENGLISH

English 1010 or 1011, 1020, 1031 or 1032, 1033, 1016-28-38, 1211, 1221, 1431, 1441, and 1451 are offered on a system of A, B+, B, C+, C, I, W grading. All entering Freshman, except international students, must enroll in English 1010, 1011, or 1018 (see p. 205 of this Catalog for course descriptions).

ENGLISH PROFICIENCY

Students are expected to maintain a satisfactory standard of oral and written English throughout their college programs. Any student may be reported by a member of the faculty for examination in English, and, if found deficient by the Committee on Writing, be required to take without credit such further work as the committee may direct. To facilitate the reporting of students deficient in English, faculty members may simply check the column headed "English" on the quarterly grade sheets. A student checked by any faculty member will be required to remedy the deficiency through work in the Writing Laboratory. Remedial work in the laboratory shall be started as soon as possible after the student has been notified of the deficiency and it shall continue, until the student’s performance in English has been declared satisfactory by the laboratory instructor.

REPEATING COURSES

When a course is repeated the last grade only is counted in computing the grade point average. All grades are entered on the permanent record. A student may not repeat a course more than twice in order to obtain a better grade.

For any student entering the University in sophomore or junior year, the following policy will be in effect. Unless otherwise specified in the course description, no course may be repeated more than twice, and no course may be repeated in which a grade of C or better has already been earned. Exceptions may be allowed only after written prior permission of the student’s faculty advisor or college dean. Each course is counted only once in determining credit hours presented for graduation. For courses taken during the first 45 hours of collegiate study, only the last grade earned in a repeated course will be counted in computing the grade point average. Once a student has completed (passed) 45 quarter hours, all grades and hours in courses subsequently taken will be included in the computation of the grade point average. (Beginning in fall 1984 this policy will be in effect for all undergraduate students.)

GRADUATING SENIOR PRIVILEGES

A senior who fails one subject during the quarter of intended graduation has the privilege of standing an examination in that subject at the beginning of or during the next quarter, and, if successful, taking the degree at the next commencement. A senior who has received the grade of I in any subject will, on request to the instructor, be given the opportunity to remove the deficiency before the close of the quarter, but not later than the last day before commencement, providing that successfully passing these courses will make the senior eligible for graduation.

GRADUATE SCHOOL GRADES

Graduate students and undergraduates taking courses for graduate credit are graded as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>(4 quality points per quarter hour); indicates superior work.</td>
</tr>
<tr>
<td>B+</td>
<td>(3.5 quality points per quarter hour); indicates above satisfactory work.</td>
</tr>
<tr>
<td>B</td>
<td>(3 quality points per quarter hour); indicates satisfactory work.</td>
</tr>
<tr>
<td>C+</td>
<td>(2.5 quality points per quarter hour); indicates performance less than expected.</td>
</tr>
<tr>
<td>C</td>
<td>(2 quality points per quarter hour); indicates work of borderline quality. This grade represents work below the standard expected of graduate students.</td>
</tr>
<tr>
<td>D</td>
<td>(1 quality point per quarter hour); indicates clearly unsatisfactory work and carries no graduate credit.</td>
</tr>
<tr>
<td>F</td>
<td>(no quality point value); indicates extremely unsatisfactory work.</td>
</tr>
<tr>
<td>I</td>
<td>(no quality point value); indicates that the student has not done satisfactory work in the course, but, because of circumstances beyond control, has been unable to finish all requirements. It is almost to be given to enable a student to do additional work to bring up a deficient grade. All incompletes must be removed within 2 quarters. If a grade of I will be converted to an F.</td>
</tr>
</tbody>
</table>

Graduate students are required to make an overall minimum grade average of B in courses taken for graduate credit. No graduate student will be allowed to repeat a course for the purpose of raising a grade already received. Transferred work will not be counted in computing the grade average on courses completed in Graduate School.

LAW SCHOOL GRADES

Law students are graded on a numerical scale from 0.0 to 4.0. Quality points per quarter hour of credit in a given course are equal to the numerical grade received in the course. Grades of 0.9 and below count as failures. Some courses are graded on an S/NC basis.

REQUIREMENTS FOR ASSOCIATION WITH A DEGREE-GRANTING UNIT

There are presently nine undergraduate and graduate-granting academic units on the Knoxville campus:

1. College of Agriculture
2. School of Architecture
3. College of Business Administration
4. College of Communications
5. College of Education
6. College of Engineering
7. College of Home Economics
8. College of Liberal Arts
9. College of Nursing

The College of Law and the College of Veterinary Medicine are not described here, since these units award a professional degree. Descriptions of these colleges, their programs, and admission requirements are found later in this catalog.

In order to become associated with one of these colleges or schools, one must:

1. Be admitted as a University student as previously described;
2. Apply to the desired school or college as outlined in the following sections, either
through the Admissions Office at the time of application for University admission or directly to each college at some later time.

3. Be accepted by the school or college, with all official records reflecting this acceptance.

If high school courses are needed to meet association requirements, the need may be met through non-credit or correspondence courses available through the UTK Evening School or the Center for Extended Learning. Such courses can be taken as a UTK student or prior to admission to the university.

Students admitted to the University on the basis of the GED Test (see Table III) must demonstrate the attainment of any required background knowledge or skill as specified in the association requirements for the desired college. Association requirements may be met through the presentation of high school credits, by the satisfactory completion of a proficiency exam or exams, or by any of the other means open to any student who lacks some college association requirement.

Questions concerning the association requirements and their application should be directed to the offices listed in Table II. These sources can also supply information about the various programs offered. Detailed information is also presented in this catalog on pp. 26-28 and in the various college and school sections.

A listing of degrees, major subject areas, and various options within each college or school is presented in Table IV.

ACADEMIC ADVISING AT UTK

There are many courses during an academic program when a student will find informed academic and career advice helpful. For instance, a great number of students in U.S. colleges and universities change their programs of study at least once during the undergraduate years - sometimes as the result of exposure to vocational possibilities they did not know about when they first enrolled, sometimes through recognition of aptitudes and interests in themselves of which they had been unaware, and sometimes out of the realization that there are aspects of their originally-chosen field for which they are unsuited. The objective of the academic advising system at UTK is to help a student at each stage to define the choices that must be made and to give any needed guidance.

At the time of application for admission to UTK, each student is asked to indicate whether he/she has already attended a preferred college or school. Students who complete the dual selection process at the time of university admission and are accepted into a particular college are assigned an advisor in that college at the time of initial registration for courses. Assignment of advisors is made through the offices listed in Table I or by the major department. College which have limited or competitive enrollment plans normally select interested students only after several quarters at UTK. Advising centers exist in the colleges of Liberal Arts, Business Administration, and Education. Other colleges have a particular office or person who serves as a general advisor, with most advising activity taking place within the various departments.

Students who are admitted as university students but who do not complete association requirements at the same time (regardless of reason) are advised by the College of Liberal Arts Advising Center, 226 Ayres Hall, with the assistance of advisors in other colleges.

In this manner does not imply or guarantee association with the College of Liberal Arts. This advising center is the largest and best equipped on the campus to serve "university" students. A university student should seek information at every opportunity from the college in which association is desired.

New students at UTK should review carefully the prescribed curricula of the respective degree-granting units and should choose courses in accordance with their college preference (even prior to actual college association). An advisor assists a student in selecting subjects to ensure a well-balanced education and interprets university and college policies and requirements.

However, the student (not the advisor) bears the ultimate responsibility for selecting courses, meeting course prerequisites, and adhering to policies and procedures. In order to encourage the use of advisor-student contacts, UTK requires an advisor-student conference at least once during the academic year. These conferences are held prior to advance registration periods; specific information is available from advisors, colleges, schools, as well as through notices and the campus newspaper.

Part-time students, particularly those registering through Evening School, should establish contact with an advisor in the college or school in which they are associated with the Liberal Arts Advising Center prior to registration.

Assistant to students with academic problems or questions is provided by course professors, academic advising centers, and college deans or advising centers. Numerous other sources of academic, career, and personal counseling exist on the UTK campus and are available to admitted students. These are described subsequently in this catalog under the title "Student Affairs and Services."

Handicapped students with special requests should contact Handicapped Student Services, 900 Volunteer Boulevard, (615) 974-9067.

Registration

Dates for orientation and registration are announced to new transfer and freshman students who have received Admission Status. Former students who have been absent from UTK other than the summer term and students who have withdrawn from the previous quarter will receive registration information with their letter of readmission. Law students should consult the Administration Office, College of Law. Students enrolled in a graduate college and in the College of Veterinary Medicine will be governed by the University's registration date changes unless specified differently by the college. Evening School students should contact the University Evening School for registration times.

REQUIREMENTS FOR REGISTRATION OF ADMITTED STUDENTS

Medical History. Though a physical examination is not required, a Medical History Questionnaire is sent to all admitted students and must be completed by the student, parent, or other responsible party who is familiar with the student's medical history. Such information will facilitate University physicians in providing continuing health care. This form must be returned to the Student Health Service before enrollment.

Participation in Orientation. Beginning freshmen and transfer students are required to attend an orientation session prior to their first registration at the University. Schedules for these programs are mailed to admitted students by the Dean of Student Conduct and Orientation. Orientation programs are designed to help new students become acquainted with opportunities and services at the University and to provide information needed for registration. Students who attend the Orientation School should contact the University Evening School for information about registration.

FIRST CLASS MEETING

Students who fail to attend the first class meeting without prior arrangement with the department may be dropped from the course to make their spaces available to other students. Students have the responsibility to assure that they have been dropped; otherwise they are liable for a grade of F in the course.

MAXIMUM HOURS PER QUARTER

Undergraduate students may enroll for a maximum of 19 credit hours each quarter unless a lower maximum is specified by the college or school in which the student is enrolled. Enrollment in more than 19 hours must be approved by the dean of the student's college or school. Graduate students may enroll for a maximum number of 15 credit hours each quarter. Enrollment in more than 15 hours must be approved by the Vice Chancellor for Graduate Studies and Research or the Dean for Graduate Studies. Law and veterinary medicine students may enroll for the maximum number of credit hours each quarter as specified by the respective college.

PREREQUISITE AND COREQUISITE COURSES

It is the responsibility of the student to see that prerequisites and corequisite requirements are met when registering for courses which have such restrictions.

Changes in Registration

ADDITION COURSES AND CHANGING SECTIONS

Students may add courses through the eighth calendar day counted from the beginning of classes. This is the add deadline. Because of the nature of some courses, permission of the department head or instructor may be required to add a course after classes begin. Students may also, as departmental policies permit, change section of a course through the seventh calendar day. Students must fill out and submit the appropriate form for section changes in order to receive credit for the course.

DROPPING COURSES

There are three drop deadlines at UTK prior to which students may remove courses from their schedules. For all undergraduate students in their first quarter of study, the drop deadline is an announced calendar date 22 days after the beginning of classes. After the first quarter of undergraduate study students must observe the following drop deadlines. The general University drop deadline is an announced calendar date 15 days after the beginning of
classes. But for all courses offered in the Colleges of Agriculture, Business Administration, Communications, Engineering, Home Economics, Veterinary Medicine, and the School of Architecture, the drop deadline is an announced calendar date 8 days after the beginning of classes. The exceptions to these deadlines are summer and other special sessions. Students should consult the summer quarter timetable for summer quarter drop deadlines.

Any course may be dropped with a W (withdrawal) before the drop deadline specifically approved by the student who has dropped the course without any notation on the academic record through the seventh calendar day counted from the beginning of classes. In order to drop a course students must fill out and submit a drop form to the Registrar's Office. Before the drop deadline neither the instructor's nor the advisor's permission is required.

Evening School students should consult the University Evening School timetable for procedures to drop courses.

Graduate students should consult the Graduate Catalog for regulations concerning dropping courses.

After the drop deadlines stated above, any undergraduate or graduate student who drops a course will receive the grade of F unless it can be demonstrated that the request to drop the course is based on circumstances beyond the student's control. Examples of these circumstances are illness or injury (verified by the Student Health Service or private physician), or necessary change in work schedule occurring after the drop deadline (verified by the student's employer). Examples of causes which would not be acceptable for a late drop are improper registration by the student or failing a course.

WITHDRAWING FROM THE UNIVERSITY

All official withdrawals from the University are made through the Student Counseling Services Center. It is important that all students who leave the University before the end of a quarter report their withdrawal to this office. Official withdrawal from the University by Evening School students is made through the University Evening School.

If an undergraduate student officially withdraws from the University before the general drop deadline of 15 days (or 22 days for first quarter undergraduate students) after the beginning of classes, the grade of W will be given in all courses in which the student is currently enrolled. Summer quarter drop deadlines are published in the summer quarter timetable. In cases of withdrawal before the drop deadline, the Student Counseling Services Center or the University Evening School will notify the Registrar of the date of withdrawal, who will then inform the instructors that the grade in those courses is automatically W.

Graduate students should consult the Graduate Catalog for regulations concerning withdrawal from the University.

Any graduate or undergraduate student who withdraws from the University after the drop deadline of 15 calendar days (or 22 days for first quarter undergraduate students) will receive the grade of F in all courses in which the student is currently enrolled unless it can be demonstrated that the request to withdraw is based on circumstances beyond the student's control. Examples of these circumstances are

</table>

listed above in the section on dropping courses.

### Course Numbers and Levels

Each course offered by the University is identified by the name of the department offering the course and a four-digit course number. These numbers indicate course level, as follows.

<table>
<thead>
<tr>
<th>Course Numbers</th>
<th>Level</th>
</tr>
</thead>
<tbody>
<tr>
<td>0000-0999</td>
<td>Lower division-primarily for freshmen and sophomores.</td>
</tr>
<tr>
<td>1000-2999</td>
<td>Upper division—primarily for juniors and seniors; when taken for graduate credit, the letter &quot;G&quot; will precede the course credit hours on the grade report.</td>
</tr>
<tr>

<td>Graduate; sometimes available for undergraduate credit; when taken for undergraduate credit, the letter &quot;U&quot; will precede the course credit hours on the grade report.</td>
</tr>
<tr>
<td>5000-5999</td>
<td>Graduate, sometimes available for graduate credit; open to graduate students only.</td>
</tr>
<tr>
<td>6000-6999</td>
<td>Advancement of newly graduated students to graduate status; open to graduate students only.</td>
</tr>
<tr>
<td>8000-8999</td>
<td>Law; occasionally open to other qualified students.</td>
</tr>
</tbody>
</table>

To be eligible for upper-division work a student must normally have attained junior (third-year) status. Some departments, colleges, or schools require approval by the dean of the student's college to enroll in upper-division work. This rule applies to transfers as well as to those who have previously attended the University. A cumulative grade point average of at least 2.00 is required to begin upper-division work.

### Classification

Undergraduate, law, and veterinary medicine students are classified according to the following chart, based on the number of credit hours passed.

<table>
<thead>
<tr>
<th>QUARTER HOURS PASSED</th>

The University of Tennessee Department of Education, programs leading to teacher certification include a nine (9) hour requirement in health or physical education.

### Honors Courses

Courses specifically designated as honors courses will be designated "Hon." Individuals selected on the basis of previous academic performance may be enrolled. There is no limit on the number of credits that may be earned in these courses except in the senior readings courses not requiring regular class attendance; these senior readings courses may total not more than nine credit hours toward graduation. (In the fields of science offering four-hour courses the total may be 12 hours.) Letters are sent to entering freshmen who qualify for non-departmental honors courses. Students other than freshmen should consult the Director of Special Programs in the College of Liberal Arts concerning other honors courses open to students from all colleges.

### Auditing Courses

Students registered for credit courses may enter classes as auditors. Auditors are under no obligation of regular attendance, preparation, recitation, or examination. They receive no credit. They may not take part in laboratory or field work. An audit course will not be recorded on the permanent record. The student's name will appear on the class role to inform the instructor that the student is properly enrolled as an auditor.

Auditors are required to register and pay fees. Prior to the add deadline, a change from credit to audit or from audit to credit may be made by completing the change of credit form from the Registrar or Graduate Change of Registration Form and having it processed at a terminal in Drop/Add. After the add deadline and until the drop deadline, the signatures for a late add must be obtained. ONCE THE DROP DEADLINE HAS PASSED, A CHANGE FROM CREDIT TO AUDIT WILL NOT BE ALLOWED UNLESS THE CONDITIONS FOR A LATE DROP EXIST.

### Minimum Class Size

An undergraduate course will not normally be given for fewer than five students except by permission of the Vice Chancellor for Academic Affairs. The University reserves the right to cancel, postpone, or combine when necessary.

### Class Attendance and Eligibility Policy

Only students who are properly registered for a course may attend its classes on a regular basis. Any other person in the
Second Opportunity. If granted, all previous academic work completed prior to readmission remains on the permanent record but the grades for such work are not counted in the computation of the grade point average, or in determining good standing. S/N/C credit toward graduation, major requirements, and distribution requirements may be granted for those courses of C or better was earned. At least 90 hours of letter grade must be earned after readmission in order to qualify for graduation with honors. Academic Second Opportunity may be declared only once. All petitions for Academic Second Opportunity must be submitted to the Committee on Readmissions immediately following one quarter's coursework at UTK.

Readmission

A student in good academic standing who has withdrawn from school or has been absent for a quarter other than the summer quarter must make application for readmission. Application must be made at least three weeks before the start of classes. A student who has been dropped academically must make application for readmission. Readmission is not automatic. Application must be made at least six weeks before the start of classes. The Committee on Readmissions may approve or refuse the application for readmission. Students are strongly encouraged to appear in person before the Committee on Readmissions. The Committee on Readmissions may approve or refuse the application for readmission. Students are strongly encouraged to appear in person before the Committee on Readmissions. Former students who in the interval have been enrolled at another accredited college or university must apply for readmission. An official transcript from other institutions attended and an acceptable combined cumulative grade point average are required for readmission. General Policies

A. Any student who attains a quarterly average of 2.00 may continue in residence at the University, even though the cumulative average does not meet the minimum acceptable level above.

B. Summer quarter is considered a regular academic quarter in satisfying the requirement of compulsory absence due to academically. An official transcript from other institutions attended and an acceptable combined cumulative grade point average are required for readmission.

C. Quarter hours attempted are used only for determining the minimum acceptable level for the grade point average.

D. Students who transfer to other accredited colleges or universities and return to The University of Tennessee, Knoxville must submit official transcripts and college dean, in consultation with the Registrar's Office. A student who transfers to UTK subsequent to prior enrollment at a community college, junior college, or another senior institution may elect the UTK catalog in effect at the time of enrollment at the other institution provided that the student enrolled at UTK within one year after the last period of study at the institution from which the student is transferring.

E. Correspondence courses are open to students regardless of readmission status.

F. To register for credit courses in any branch, center, or division of the University controlled by the Knoxville campus (except correspondence courses), a student must meet the readmission regulations that govern courses for credit at the Knoxville campus.

G. The Committee on Readmissions will consider the applicant's total record, including the academic record and other factors which may be expected to influence academic performance. A student will not be readmitted when the academic record indicates a low probability of success in college work.

H. There will be no tentative readmissions. I. Students in architecture, nursing, interior design, and the undergraduate program in dietetics are advised to note the special requirements as stated in those sections of this catalog.

Comment: The University of Tennessee, Knoxville, is committed to helping students overcome academic deficiencies. A letter notifying a student of academic probation will be sent about the same time as the quarterly grade report. This letter will advise conferring with the student's dean before completing registration for the probationary quarter. General Requirements for a Bachelor's Degree

To receive a bachelor's degree from The University of Tennessee, Knoxville, a student must complete all of the requirements listed below. It should be noted that some of the colleges and schools within the University have special requirements above and beyond those stated here, and students are advised to consult the appropriate section of this catalog for any further degree requirements. Each program presented by the candidate for the bachelor's degree is reviewed and approved for meeting the degree requirements by the Office of the Dean of Admissions and Records.

1. Complete satisfactorily all requirements of the curriculum for which the student is enrolled, as described in the portion of this catalog devoted to the college or school offering the curriculum. Curriculum requirements change frequently, and students should note the caution on the second page of this catalog. A student is allowed to satisfy requirements for a bachelor's degree under any curriculum in effect during the student's attendance at UTK. Knoxville provided the curriculum has been in effect within 10 years of the date of graduation. This does not obligate the University to offer a discontinued course. Programs may be adjusted by the student's faculty advisor and college dean, in consultation with the Registrar's Office. A student who transfers to UTK subsequent to prior enrollment at a community college, junior college, or another senior institution may elect the UTK catalog in effect at the time of enrollment at the other institution provided that the student enrolled at UTK within one year after the last period of study at the institution from which the student is transferring.

2. Achieve a cumulative grade point average of at least 2.00 on all college work attempted at all institutions attended.

3. Achieve a grade point average of at least 2.00 on all work attempted at Tennessee.

4. Each student is required to achieve a 2.00 grade point average for his/her senior year. The senior year is interpreted to mean the last forty-five
hours of work earned at UTK (at least three quarters as a minimum). If a student does not pass enough hours per quarter to earn forty-five hours during the last three quarters, then the last four or more may be counted. All courses taken during each quarter considered as the senior year will be used in computing the average.

(5) Complete the last 90 hours of credit offered for the bachelor's degree at an accredited senior college.

(6) Complete the last 45 hours of credit offered for the bachelor's degree in residence at The University of Tennessee, Knoxville. In the College of Agriculture at least 27 quarter hours of upper-division technical agriculture approved by the student's faculty adviser must be completed at The University of Tennessee, Knoxville. Credit for correspondence courses taught by the faculty of the Knoxville campus may be counted as part of this requirement, with the exception of the correspondence credit limitation noted below. Special arrangements are made with other universities to complete the last 45 hours taken at another University of Tennessee campus. All requirements must be completed by the dean of the student's major college or school and the Dean of Admissions and Records. Comply with the state law that one unit beyond the first bachelor's degree will be required for the first bachelor's degree. Students should consult the catalog of enrolled credit to determine how the nine hour's credit for fulfillment of this requirement is to be included in the individual curricula.

(8) Satisfy all financial obligations (fees or fines) owed to the University.

(9) Pay to the Treasurer's Office a $10.00 graduation fee no later than the beginning of the quarter of graduation.

(10) File an application for a degree at the Office of the Registrar, Room 209 Student Services Building, no later than the eighth day of classes of the quarter of intended graduation. This deadline is imperative in order that all necessary processing can take place toward the degree.

SECOND BACHELOR'S DEGREE

A student who holds a bachelor's degree may receive a second bachelor's degree from The University of Tennessee, Knoxville, by satisfying the following:

(1) Meet all requirements of both degrees, as specified above.

(2) Complete at least 45 quarter hour beyond the first bachelor's degree.

(3) Attend the University for at least three quarters beyond the minimum time required for the first bachelor's degree.

(4) Declare the intention to work for a second bachelor's degree with the Office of Registrar.

Correspondence Work

A student may offer by correspondence as much as one fourth of the last 45 hours required for the degree sought and have this work count toward the degree. Credit for undergraduate courses in correspondence in the major subjects shall be limited to one-fourth of the total credits required. Correspondence work is not recognized by the College of Law or except by prior permission—by the Center for the Health Sciences. Correspondence work in the College of Business Administration is accepted by the College of Business Administration only by prior permission.

All correspondence courses taken for which degree credit is desired must meet the degree program requirements of the Knoxville campus. Degree credit will not be granted for correspondence courses taken at an institution other than The University of Tennessee by a student enrolled in an upper-division correspondence course is available from The University of Tennessee Center for Extended Learning.

A senior may take only nine hours of the last year's work (the last 45 hours offered for the degree) by correspondence, and this must be taken with The University of Tennessee, Knoxville. If the student is a senior transfer, no work may be taken by correspondence. Students taking work for teacher's certification purposes should consult the State Department of Education of their respective states concerning the amount of correspondence credit allowed for a teacher's certificate.

Proficiency Examination

A proficiency examination may be given in any academic course offered for undergraduate credit. The University policy is to reserve to departments the decisions as to which courses, if any, cannot be passed by proficiency examinations. However, the University faculty feels that it is a rare course for which mastery cannot be tested by appropriate examination(s).

When applying to a department for a proficiency examination, a student should present evidence of having developed the abilities, knowledge, and attitudes expected of those who have taken the course in question. The giving of the examination must be approved by the head of the department in which the course was offered. A fee of $10 per course will be paid in advance at the Office of the Registrar. Subject to the grading policy of the college in which the student is enrolled, and except for courses graded only on an S/NC basis, a student who passes a proficiency examination and who wishes to have the grade recorded may choose to take the grade on the examination (A, B+, B, C+, or C) or take an S. An S gives credit for the course but does not affect the grade point average. If a grade of D or F is made on a proficiency examination, the department is expected to note the attempt but no record of the examination is made on the student's transcript. The maximum credits obtainable through proficiency examination and the use of proficiency examinations to remove the failing grades (also the grade of I) are determined by the department offering the proficiency examination.

Entering international students whose native language is not English are required to take the UTK English Proficiency Examination to determine placement in the appropriate English course. No credit for any English course is awarded through this special examination.

CLEP Credit

When approved by a given department, nationally recognized examinations, such as the appropriate subject examinations of the College Level Examinations Program (CLEP) of the College Entrance Examination Board, may be used as proficiency examinations in one or more courses offered by that department. In such cases the final decision as to whether or not credit is to be given on this basis rests with the department awarding credit, as does the determination of the number of credit hours and the specific courses for which such examinations are to be taken as evidence of acceptable proficiency. The University will charge a fee of $5 for the evaluation of each examination.

CLEP CREDIT FOR FRESHMAN COMPOSITION

I. Under the two conditions listed below, entering freshmen may be allowed credit in English Composition for the CLEP General Examination in English Composition or for the CLEP Subject Examination in English Composition or for the CLEP Subject Examination in either College Composition or Freshman English, provided that the examination selected include a writing sample.

a) Students entering with a CLEP score of at least 750 on the General or 65 on the Subject Examination (approximately 93rd percentile) and with ACT scores of 25, English and Composite, may take a sophomore English course, preferably Literature of the Western World. If they earn an A in it, they will receive credit for 1010-20-31 with a grade of A; if they earn a B in such a course, they may have that credit substituted for the composition score of at least 550 or 55 on the SAT Examination in either College Composition or for the CLEP Subject Examination in English, their grade in 1010-20-31 will be either S or B.

b) Students entering with a CLEP score of 700 at least 60 on the General or 60 on the Subject Examination (approximately 64th percentile) and with ACT scores of 25, English and Composite, may take Honors Freshman Composition 1038. If they earn an A in it, they will receive credit for 1010-28 with a grade of A. If they earn a B in 1038, their grade in 1010-28 will be either S or B.

II. Students transferring into the University with lower-division credit for any CLEP composition score of at least 550 or 55 may have that credit substituted for the appropriate freshman course(s) provided that they have already passed a sophomore literature course or courses with an average grade of at least B, and that those with less than junior standing pass a sophomore or upper-division English course at the University with a grade of at least B.
Honors Categories for Graduation

The diplomas of graduating seniors show honors categories based on the following scale:

- "honors" 3.00 through 3.39
- "high honors" 3.40 through 3.74
- "highest honors" 3.75 through 4.00

These honors categories are based on a student’s cumulative average at the end of the quarter preceding the graduation quarter. The honors category is also based on both the average earned at UT, Knoxville and the combined average on all college work attempted, with the lower of the two averages determining the honors category.

If, at graduation, a student’s cumulative grade point average would allow a higher honors category than that determined at the end of the quarter preceding the graduation quarter, the student may, upon written request, receive a substitute diploma indicating the higher category. Courses may not be repeated for the purpose of raising an honors category.

Accelerated Program

The University operates on a four-quarter plan, and a majority of its courses, especially at the lower division, are offered every quarter. Through appropriate arrangements of courses and attendance during the summer quarters, students may frequently complete their degree programs in less than four years. A student’s faculty adviser should be consulted for assistance in planning an accelerated program.

Advanced Military Service and Air Force Aerospace Studies

Students who elect to enroll in the advanced military courses (junior and senior years) are obligated by written agreement with the government to complete the courses and to accept a commission if tendered.

Special Requirements for Student-Athletes

Student-athletes participating in intercollegiate sports under the provisions of the National Collegiate Athletic Association and the Southeastern Conference, in addition to the University’s academic continuation and retention policies, must fulfill the following academic progress requirements for continuation of eligibility to participate in intercollegiate sports:

1. A Freshman who has had no previous college enrollment must, to maintain eligibility for competition during his second and third quarters, pass a minimum of five (5) quarter hours of acceptable degree credit in the quarter preceding his participation in a given sport.

2. Student-athletes qualifying for eligibility beyond the first year of residence must have satisfactorily completed 38 quarter hours between the beginning of the last season and the next season for the sport. No more than ten (10) quarter hours of correspondence or transfer credit may be used to satisfy this requirement. The student-athlete must have also passed at least eight (8) quarter hours of acceptable degree credit during the term preceding the beginning of the sport season and each subsequent quarter in which the sport season continues.

The University

Master of Science in Education
Master of Science in Home Economics
Master of Business Administration
Master of Accountancy

**Fees and Expenses**

University fees and other charges are determined by the Board of Trustees and are subject to change without notice. The general fees in effect at the time of publication are as follows:

**MAINTENANCE FEE**

- **Undergraduate Students**: Per Quarter $243, Per Semester $729
- **Graduate Students**: Per Quarter $302, Per Semester $906
- **Veterinary Students**: Per Quarter $557

All students both in and out-of-state are required to pay the maintenance fee.

**TUITION (additional for all out-of-state students)**

- **Per Quarter**: $890

Tuition is required of all students who are classified as non-residents for fee assessment purposes. It is in lieu of the above charge for tuition and/or maintenance fee, part-time students may elect to pay fees computed by the quarter hour credit (or audit) at the rates shown below, total charge not to exceed the regular maintenance fee for in-state students or the maintenance fee plus tuition for out-of-state students.

**Fees for Undergraduate Students**:

- **In-State**: $20 per quarter hour or fraction thereof; minimum charge $87
- **Out-of-State**: $70 per quarter hour or fraction thereof; minimum charge $210

**Fees for Graduate Students**:

- **In-State**: $44 per quarter hour or fraction thereof; minimum charge $132
- **Out-of-State**: $102 per quarter hour or fraction thereof; Minimum charge $306

**Fees for Law Students**:

- **In-State**: $68 per semester hour or fraction thereof; minimum charge $136
- **Out-of-State**: $154 per semester hour or fraction thereof; minimum charge $308

**UNIVERSITY PROGRAMS AND SERVICES FEE**

- **Per Quarter**: $46
- **Per Semester**: $92

All undergraduates, graduates, and students taking in excess of eight hours per term will be assessed a University Programs and Services Fee of $46 per quarter or $92 per semester for the academic year and $35 for the summer quarter. Part-time students taking eight quarter hours or less will be assessed at the rate of $3 per quarter hour (minimum charge of $9) or $42 per semester hour (minimum $8) but are not entitled to admission to general activities programs. Such students may elect to pay the $12 student health fee.

Knoxville campus students taking a course load of six, seven, or eight hours may elect to pay the full University Programs and Services Fee.

Graduate and teaching assistants as well as fellowship students who may have waiver of fees (tuition and/or maintenance) must pay the appropriate University Programs and Services Fee.

**Activities cards are non-transferable and may not be duplicated. The activity fee is non-refundable.**

**MUSIC FEE**

- **One half-hour lesson per week, per quarter**: $20
- **One hour lesson per week, per quarter**: $40

Payable by eligible full-time students receiving individual instruction in music.

**GRADUATION FEE**

- **Bachelor's Degree**: $10
- **Master's Degree**: $16
- **Doctoral Degree (except J.D.)**: $51

Payable at the beginning of the quarter in which the candidate is to be graduated. This fee is non-refundable and is valid for only one year beginning the quarter or semester it is paid.

**DELAYED REGISTRATION SERVICE FEE**

**Graduated Late Service Fee**

Upon receipt of a schedule (full, partial, or incomplete) a student is immediately responsible for payment of fees. Students who preregister for a quarter must pay their fees (or make satisfactory arrangements with the Bursar's Office) on the regular registration dates in order to avoid late payment service charges. Effective the first regular business day following the last regular registration day a graduated late service fee of $2 per day will be charged during the next ensuing five regular business days.

Students who do not preregister but register through the "secondary" registration procedures will be granted two additional days after the final regular registration day to pay their fees before the graduated late service fee begins. Such students will be charged the graduated late service fee beginning with the third regular business day following the last regular registration day. (Minimum charge $6 third day, $8 fourth day, $10 fifth day.)

**Additional Late Service Fees**

- **$10**

After 10 regular business days students will be charged a second additional $10 late service fee (total $20). Students who fail to pay fees or make satisfactory arrangements for deferment or waiver within 15 regular business days after the last regular registration day will be charged an additional $10 late service fee (total $30).

**CO-OP REGISTRATION FEE**

- **$5**

**APPLICATION FEE**

- **$10**

Each first-time undergraduate, graduate, and College of law application for admission to The University of Tennessee, Knoxville, must be accompanied by a fee of $10 before it will be processed. This fee is not refundable and is not required for transfers within the University system.

**PROFICIENCY FEES**

- **$10**

Fees for proficiency and substantiating examinations are $10 per course. See page 33 for information on proficiency, CLEP, or other organized examinations.

**AUDITOR'S FEE**

- **$5**

If credit is received, the fee will be determined by applying the appropriate quarterly hour rate.

If the student responds promptly to the first notice regarding the returned check but cannot redeem the check within a week, the $5 Delayed Payment Service Fee will be added. Any student who does not respond within seven days of the notice may be subject to withdrawal from the University and will be assessed an additional $10 Service Fee plus the $5 Delayed Payment Service Fee.

For other returned checks in the amount of $30 (except for initial registration fees), the service charge will be $5 if the check is made good within seven days from the date of notice and $10 if made good after seven days. For a returned check in excess of $30 (except for initial registration fees), the service charge will be $10 if the check is made good within seven days from the date of notice and $15 if made good after seven days from the date of notice.

Only under extenuating circumstances will a student be reinstated after official withdrawal for failure to pay fees or redeem a bad check. DETERRED REGISTRATION FEE**

- **$5**

This service fee is applicable when any part of a student's fees and other charges are not paid during regular registration, including accounts which must be billed to outside agencies, organizations and institutions. This fee is also applicable when a supplemental charge (out-of-state tuition, music fee, room and board adjustments, etc.) is not paid within five regular business days after the date it is incurred. Students are expected to take the initiative to pay all University obligations promptly.

**UNIVERSITY DROPPED COURSES**

- **$5**

Determined by applying the appropriate quarterly hour rate.

**Forfeiture of Fees and Adjustments for Withdrawals and Dropped Courses**

Withdrawal from school for the quarter after receiving a schedule must be by official notification to the Withdrawal Office. Student Counseling and Services Center, 900 Volunteer Boulevard. This is necessary whether or not fees have been paid, classes have been attended, or the schedule is incomplete. Failure to attend class does not automatically withdraw or drop a student from school or class.

The effective date of withdrawal is the date the withdrawal request is completed. The Bursar's Office will be notified by completion of the official withdrawal request form. The appropriate percentage of fees will be charged unless this action is completed by the close of the last day designated for regular
registration and before the first official day of classes of the quarter. Failure to promptly notify the Withdrawal Office when withdrawing will result in a fee assessment of a larger percentage. Withdrawal does not cancel fees and charges already incurred.

The drop/add procedure must not be used to withdraw from school for the quarter.

For a regular academic quarter, withdrawal within seven calendar days beginning with the first day following regular registration permits a fee refund of 90 percent. Withdrawal between eight and 14 calendar days following regular registration permits a fee refund of 70 percent. Withdrawal between 15 and 21 calendar days following regular registration permits a 50 percent fee refund. Withdrawal between 22 and 28 calendar days following regular registration permits 30 percent fee refund. Refunds, in accordance with the above guidelines, will be made after the drop deadline.

There is no charge for courses dropped during the first five calendar days following regular registration. For part-time students there is a 40 percent charge at the quarter hour rate for courses dropped between six and 21 calendar days following regular registration. There is 100 percent charge for courses dropped during the twenty-first day following registration. Students who drop courses are eligible for a refund only if the sum of the charges computed at the quarter hour rate for the hours continued plus the percentage assessed for the hours dropped results in an amount less than that paid. A course on a student’s schedule is officially dropped and becomes effective on the date that the drop/add slip has been processed dropping the course on a student’s schedule is officially dropped and becomes effective on the date that the drop/add slip has been processed.

Military Deposits. All students registering for Air Force ROTC courses are required to make a deposit of $50 which is non-transferable and may not be duplicated. A current fee receipt is necessary to obtain a new or replacement card. IDENTIFICATION CARDS MUST BE CARRIED AT ALL TIMES FOR PURPOSES OF IDENTIFICATION. Lost or stolen cards should be replaced by contacting the Student ID Card Office at Room 344, University Center. There is a minimum charge for replacement or duplicate ID cards.

Arrangement for Banking while at UTK. Banking arrangements can be made with Knoxville banks. Some Knoxville banks require a waiting period of 10 days before honoring withdrawals, if the deposit is a personal check. New students who wish to open a local checking account are encouraged to deposit a certified check or cashier’s check unless they can pay initial college expenses by a personal check on a bank account already fully established.

Summer Quarter Fees and Expenses

Fees and expenses for the summer quarter are the same as for the other quarters during the academic year with the exception of the University Programs and Services Fee as noted above.

Although the summer quarter is divided into terms of varying lengths, tuition and fees are assessed at the regular quarter hour rate not to exceed the maximum charge for a complete regular quarter.

The refund policy covering withdrawals and dropped courses for the summer quarter is based on the length of the term for the course(s) dropped. No refund is applicable to term courses dropped later than 14 calendar days after the regular registration day for the course(s) involved.

Estimate of Expenses

The following estimates of the necessary expenses for an academic year are average. Actual expenses vary greatly according to the habits of economy or extravagance of the individual student. The room and meal estimates are averages based on accommodations and 20-meal board plan in University facilities. Estimates for equivalent accommodations and meals elsewhere will usually be somewhat higher.

*Add $155 for Graduate School; add $175 for College of Law; add $759 for Veterinary Medicine.

These figures give a fair idea of average expenses, exclusive of clothing, travel, and pocket money. Expenditures for extracurricular activities are not included in the above.

Housing

The University provides modern resident facilities in order to give students comfortable housing at reasonable cost and with an atmosphere conducive to academic achievement and personal development.

Undergraduate Students. Single freshman students are required to live in University residence halls when space is available unless they commute from the home of their parent or legal guardian. Other single students are encouraged to reside in University facilities.

Housing contracts are a commitment for the academic year, September to June, or for shorter periods if the student enters the University during winter or spring. A Housing Application will be mailed as a part of the Application for Admission. Residence hall assignments for the academic year are made in the late spring and summer. The student must be admitted to the University prior to occupancy. If a student withdraws from the University, the housing contract is canceled in accordance with policies stated in the contract. Students assigned to residence halls on the room and board plan will be given contracts written to include both room and board. A contract for housing signed by a student is binding for the term of contract and is rigidly enforced by the University.

Additional information pertaining to single student housing may be obtained from the Office of Residence Halls, 405 Student Services Building, The University of Tennessee, Knoxville, Tennessee 37996-0241.

Off-Campus Housing. Students living in off-campus housing are expected to observe the same rules of conduct and standards that
are applicable to all students. The student is responsible for obtaining off-campus housing. The University does not inspect or approve these facilities. Terms and conditions for the rental of off-campus housing are between the student and the landlord. Information and assistance in locating off-campus housing is available in the Off-Campus Housing Office located in the University Center.

Graduate Students. Single graduate students may be assigned to the residence halls or the single student apartments. For information concerning University residence facilities, please refer to the appropriate paragraphs above describing Undergraduate Students and Off-Campus Housing.

Married Students. The University has provided modern apartment facilities in several locations for married students with families. In addition, single graduate students are accommodated on a space available basis. Information and application for these facilities may be secured from the Office of Rental Properties, The University of Tennessee, Knoxville, Tennessee 37996-0730.

Food Service Facilities
Excellent University-operated food service facilities have been provided. They are air-conditioned, conveniently located in relation to residence halls, and serve nourishing food at reasonable prices. The University recognizes the educational role that its food service facilities play in student life and group living. The Food Services Department employs a skilled dietetic and management staff to insure that the student gets the highest quality meal at the lowest possible cost.

For the late evening snack or morning coffee break, popular spots on campus are the delicatessens and grill operations. Students are invited to take advantage of the special "theme" meals offered in the University dining facilities throughout the year.

Student Financial Aid

The University of Tennessee, Knoxville (UTK) offers a comprehensive program of financial aid for students who otherwise would not be able to attend. Through these federal, state, and University programs, an eligible student may receive one or more types of assistance.

Financial need is defined as the difference between a family's resources and the total cost of attendance. A student is determined to be in need of financial assistance. UTK utilizes the need analysis documents of both College Scholarship Service (CSS) and American College Testing (ACT). Through the use of CSS's Financial Aid Form (FAP) or ACT's Family Financial Statement (FFS), the Financial Aid Office determines the amount the University can contribute toward educational expenses. For more detailed information on the determination of need, please refer to the brochure entitled, "Financial Assistance for Students."

UTK has three types of financial aid - scholarships and grants, loans, and part-time employment. These may be awarded individually or in combination according to the needs of the student. For detailed information on application procedures for each aid program, please refer to the brochure, "Financial Assistance for Students."

Deadlines for Applications

Because a student's family resources can change significantly during an academic year, UTK requires each student to apply annually for renewal of financial aid. Students desiring assistance based upon financial need (some scholarships, grants, loans, and employment) must submit either the Financial Aid Form or the Family Financial Statement. Students desiring only scholarships based upon academic merit are not required to complete any application forms. UTK is not able to meet the financial needs of all applicants. Priority in awarding will be given to those students with financial aid files completed by the following dates: March 1 - undergraduate, law, graduate school students; April 1 - entering graduate, law, veterinary medicine transfer, and currently enrolled students.

Scholarships and Grants

Scholarships. The UTK scholarship program is made possible through funds provided by the University, outside foundations, estates, private businesses, civic groups, individuals, and alumni. The majority of these scholarships are coordinated by the Financial Aid Office. Some undergraduate scholarships for currently enrolled students are administered in the various schools and departments.

Most scholarships are awarded to students who demonstrate strong academic achievement and a proven need for assistance. There is, however, an academic merit scholarship program which makes awards based on academic achievement only. To compete for merit scholarships only, a student must be admitted or currently enrolled by the priority deadline indicated above. An application form or financial statement is not required. Academic achievement for entering freshmen students is judged by the applicant's secondary school academic record and scores on the American College Testing Battery (ACT). Academic achievement for currently enrolled and transfer students is judged by the applicant's collegiate cumulative grade point average.

All scholarships, including merit scholarships, are highly competitive; despite the generosity of University friends and alumni, there are not enough funds to provide scholarship aid to all qualified students. Annual stipends range from $100 to $2100. Most scholarships are awarded for one year only, with the recipients competing for scholarships each year of enrollment.

High school students should contact their school counselor or principal for information concerning scholarships offered by local, individual, national organizations and other organizations.

Pell Grant. This is a federal grant program for undergraduate students displaying a financial need for funds. Because the Pell Grant is an entitlement program, all students applying for need-based financial assistance from the University must apply for this program. Other forms of financial aid will not be awarded to a student until eligibility for the Pell Grant has been determined.

When the program is fully funded, maximum grants are $1,800 and not more than one-half the cost of education. The above regulations and provisions of the Pell Grant Program are correct as of December 1982 and are subject to change by federal legislative action.

Supplemental Educational Opportunity Grants. This is a program of direct grants available to undergraduate students with exceptional financial need. Grants must be matched by an equal amount of assistance from other sources, i.e., scholarships, loans, and/or earnings from University part-time employment. An SEOG may not be less than $200 or more than $2,000. The above regulations and provisions of the Supplemental Educational Opportunity Grant are correct as of November 1981 and are subject to change by federal legislative action.

The Tennessee Student Assistance Award is designed to further educational opportunities to residents of the state who desire a financial assistance package that will enable them to attend an institution of higher education in the United States. These Awards cover one-half of the maintenance fees for fall, winter, and spring quarters. Applicants must submit a copy of their Financial Aid Form/Family Financial Statement to the Tennessee Student Assistance Corporation.

More information may be obtained on this program by writing to the Tennessee Student Assistance Corporation, Capitol B-3 Towers, Suite 9, Nashville, Tennessee 37219.

Student Loans

National Direct Student Loan. Long-term loans are available to students who have a proven need for financial assistance. Loan repayment and interest payments on National Direct Student Loan (NDSL) are deferred until after graduation or as long as the individual remains in half-time attendance at an accredited institution of higher education in the United States. Repayment may be deferred for a period of three (3) years while the borrower is serving in the Armed Forces, Peace Corps, Vista, the U.S. Public Health Service, or as a full-time volunteer in a similar tax-exempt service organization, or while (s)he is temporarily, totally disabled or providing care for a spouse who is temporarily, totally disabled. Repayment may be deferred for two years while the borrower is serving an internship required for professional recognition. Interest is 5 percent per year on the unpaid balance. The maximum repayment period is 10 years with the current minimum annual repayment $360 or ten percent of the accumulated loan, whichever is greater. The repayment period may be extended an additional 10 years for a spouse who is totally disabled. Repayment may be canceled for borrowers whose income remains low during the repayment period.

The University
Health Professions Student Loan. This loan is available to UTK students who are enrolled or admitted in a course of study leading to a degree of Doctor of Veterinary Medicine or a professional degree in the Armed Forces in an area of hostility.

An undergraduate may borrow an annual maximum of $1,500 to an accumulated loan of $6,000. Graduate student levels may borrow an annual maximum of $3,000 to an accumulated loan of $12,000 (including any amount borrowed as an undergraduate). The above regulations and provisions of the National Direct Student Loan Program are correct as of December 1982 and are subject to change by federal legislative action.

The University of Tennessee Student Loan. Student loans from University sources are available to currently enrolled students with a 2.0 or higher cumulative grade point average. A loan of $250 per quarter to an annual maximum of $1,000 can be extended. One surety or cosigner is required for each loan. The above regulations and provisions of the National Direct Student Loan Program are correct as of December 1982 and are subject to change by federal legislative action.

Parents are eligible to borrow for a dependent undergraduate child. The loan will be repaid by the Bureau of Health Personnel Development and Service (BHPD5) if the Veterinary Medicine graduate earns $5,000. The maximum loan available to an individual borrower in an academic year is $5,000 plus repayment for any accumulated balance on the date of execution of the promissory note. Repayment may be deferred for up to 12 years or an accumulated loan of $12,000 (including any amount borrowed as an undergraduate). The above regulations and provisions of the Health Professions Student Loan are correct as of December 1982 and are subject to change by the Board of Trustees.

Nursing Student Loan. The above regulations and provisions of the University of Tennessee Student Loan Program are correct as of December 1982 and are subject to change by action of the Board of Trustees.

College Work-Study. This is a federal work program which provides jobs for students who the parents can borrow up to $3,000 per year (not to exceed the cost of attendance minus other financial aid) for each undergraduate student dependent on the parent. Undergraduate students may borrow up to $2,500 per year; this amount includes any loan taken under the Guaranteed Student Loan program (GSL) as well as PLUS loans. Graduates and professional students are entitled to borrow up to $3,000 per year and may also borrow up to $5,000 per year under the GSL program, but repayment on the principal will be deferred until the student is enrolled as a full-time student or no longer qualifies for some other deferment.

Complete information on both loan programs is available at most banks and credit unions. In the state of Tennessee, write the Tennessee Student Assistance Corporation, Capitol B-3 Towers, Suite 9, Nashville, Tennessee 37219.

Health Education Assistance Loan. These loans are available from a banking institution to students enrolled or admitted in a course of study leading to a degree of Doctor of Veterinary Medicine or a doctoral degree in clinical psychology. Students in Veterinary Medicine may borrow an annual maximum of $20,000 up to an accumulated loan of $80,000. Students in clinical psychology may borrow an annual maximum of $12,500 up to an accumulated loan of $50,000. The rate of interest may not exceed 12 percent per year and repayment begins nine months following completion of normal training (including accreditations or residency programs) or as a full-time volunteer in a similar tax-exempt service organization, or while (s)he is temporarily totally disabled or providing care for a spouse who is temporarily totally disabled; repayment may be deferred for a period of up to three years while the borrower is serving an internship which is required to receive professional recognition. The maximum amount an undergraduate student may borrow for a 9-month period of enrollment is $2,500 up to an accumulated maximum of $12,500. The maximum amount a graduate student may borrow for a 9-month period of enrollment is $5,000 up to an accumulated maximum of $50,000 (including any amount borrowed as an undergraduate).

Plus-Loan Program. The PLUS Loan Program provides a source of loan funds to the parents of dependent undergraduate students as well as to independent undergraduate and graduate/professional students. The parents can borrow up to $12,500 per year (not to exceed the cost of attendance minus other financial aid) for each dependent undergraduate student. Undergraduate students may borrow up to $2,500 per year; this amount includes any loan taken under the Guaranteed Student Loan program (GSL) as well as PLUS loans. Graduate and professional students are entitled to borrow up to $3,000 per year and may also borrow up to $5,000 per year under the GSL program. However, interest on such loans is paid by the University, and interest within 60 days of loan disbursement, but payment on the principal will be deferred until the student is enrolled as a full-time student or no longer qualifies for some other deferment.

College Work-Study. This is a federal work program which provides jobs for students who
have financial need and who must earn a part of their educational expenses. Eligible students are placed in jobs on campus where they work approximately 15 hours per week. The rate of pay is at least the federal minimum wage.

Student Employment Service operates as a central referral agency. It coordinates listings of part-time employment from both University and private employers with the resources of student part-time employment. Part-time jobs average from 15 to 20 hours of work per week. If part-time employment is a financial necessity to the student with a low grade point average, the student is advised to accept a job requiring fewer hours of work per week.

The University of Tennessee, Knoxville, wishes to express gratitude to the contributors and donors of the following scholarships:

College of Nursing.

Campus Honorary and
Professional Fraternities
and Societies

A number of honorary and professional fraternities
and societies.

Alpha Chi Sigma, for chemical engineering and chem-
istry students. Student must have a grade point aver-
age of 2.5 in chemistry and/or chemical engineering
combined and 2.5 in all academic work and must have
been enrolled in this school for at least one quarter
and be elected to membership by others in the local
chapter.

Delta Epsilon Delta, for students preparing for study
in medicine. Students with minimum 3.0 average in all
subjects majoring in medicine must have earned their
first three quarters in the University, or at end of four
quarters with a minimum 2.6 overall average. They may
be initiated at one of five quarters if an overall 2.8 aver-
age has been maintained.

Alpha Mu Chapter, Eta Sigma Gamma. Students with
a major or minor in health and safety are eligible for
membership. All undergraduate candidates for mem-
bership must have a 2.5 cumulative average and each
graduate candidate must have graduated with a 2.7
cumulative average or have a 3.4 graduate scholastic
average.

Alpha Phi Omega, Any undergraduate who is a former
Scout is eligible for membership. A pledge must have
completed one quarter of academic work with an aver-
age grade of 2.0 before being eligible for initiation.

Alpha Pi Mu, for industrial engineering students. Pro-
spective members must be chosen from the upper one-
third of the senior class and upper one-fifth of the
junior class. A minimum 2.5 average is required.

Alpha Zeta, agricultural fraternity for juniors and se-
niors. Prospective members must be among the upper
one-fourth of the graduating class in the College
of Agriculture and must have a 3.0 average or better.
Graduate students must have attended a 3.5 cumulative
average or better or at least 24 hours toward the ad-
manced degree. They must have shown promise or superi-
or ability in carrying on advanced study and/or research
directedly concerned with agriculture and of making
worthy contributions in their respective fields.

Gamma Theta Upsilon, honor society for students
majoring in geography.

Iota Lambda Sigma, for industrial education students.
No one may be initiated until he has acquired a
minimum of 9 hours of industrial education courses
with at least B average.

Kappa Delta Pi, honor society for professionals and
students in education. Minimum 3.5 grade point aver-
age recognized outstanding work in fields of educa-
tion. Membership by invitation.

Mortar Board, for senior students. Members are elec-
ted from students with a minimum 3.0 average for nine
quarters of University study.

National Slavic Honor Society (Dobro Sivo), for
students in their third year of study of Slavic literature,
culture, or related subjects with a minimum average
grade of 85 percent or her letter or point equivalent in
the subject area and an 80 percent overall average.
Members will be chosen from the undergraduate and graduate students and faculty of the institution.

Omicron Delta Epsilon, honor society in economics for students and faculty. Student members must have a minimum 3.0 overall average.

Omicron Delta Kappa, for junior and senior students.

Omicron Nu, for home economics students. Members are elected from the upper one-fourth of the senior class and upper one-fifth of the junior class, not to exceed 20 percent of any given class.

Order of the Coif, for law students.

Phi Alpha Delta, for law students.

Phi Beta Lambda professional fraternity for students enrolled in the College of Business Administration. Prospective members must be enrolled in at least three hours in the college with a minimum of 2.2 overall average.

Phi Beta Kappa, the oldest national academic honor society for liberal arts juniors and seniors who are candidates for either the Bachelor of Arts or the Bachelor of Science in Chemistry degree. Grade point average varies with number of hours completed; minimum is 3.50. At least 90 hours must have been earned at UTK. Students must have completed the second college year course (or equivalent) in a foreign language before taking place in October and April. For detailed statement of requirements, inquire in Liberal Arts Student Academic Affairs Office, 216 Ayres Hall.

Phi Chi Theta, professional fraternity for women interested in a business career. Any woman student enrolled in the College of Business Administration, or specializing in business and/or economics, being at least a first-year junior freshman and having at least the all-student average, is eligible for membership.

Phi Delta Kappa, honorary professional fraternity in education connected with approved colleges and universities of graduate rank maintaining schools, colleges, or departments of education; pursuing excellence in service, teaching, and research.

Phi Delta Phi, for law students.

Phi Eta Sigma, for freshmen who have a minimum grade point average of 3.6 the first quarter or first three quarters while carrying a full academic load. All candidates must rank in upper 20 percent of their respective class.

Phi Kappa Phi, broadest of the national honor societies, recognizing all fields of learning. Prospective members must be seniors ranking among the upper one-tenth of the senior class, scholastically ranked, and having attained a national reputation in forestry. Students must have completed 110 quarter hours of credit including 15 hours in professional forestry courses. When practical, initiates are selected during the junior year to provide the greatest degree of benefits of active membership.

Phi Lambda Theta, a national honor and professional association in education. Open to juniors and seniors with a minimum 3.2 GPA and graduate students with a minimum 3.5 GPA. Membership by invitation.

Phi Sigma Alpha, for political science students and faculty. Membership by invitation.

Phi Sigma Pi, forestry honor society for upperclass engineering students. Any student who has contributed the most to the University during their college careers are selected as Torchbearers. Selection is based on scholarship, activities, character, and service.

Pi Delta Epsilon, for Spanish students. Prospective members must have a minimum 3.0 average and having completed at least 45 hours.

Sigma Delta Pi, for Spanish students. Prospective members must have a minimum 3.5 average in upperclass and graduate students, faculty members, and qualified alumni.

Sigma Gamma Epsilon, honor society for students in earth sciences. Membership is by invitation, based on scholarship and interest.

Sigma Pi Sigma, for pharmacy students. Prospective members must have a minimum G.0 average in all upperclass and graduate students, faculty members, and qualified alumni.

Sigma Theta Tau, national nursing honor society for those students who have demonstrated outstanding scholastic achievement, professional leadership potential, and/or marked achievement in the field of nursing. Undergraduate students having completed at least two quarters for the upper-extension curriculum with a 3.0 average are eligible for membership as well as graduate students who have completed one-half the master's program with a 3.25 average.

Sigma Xi, scientific research society for advanced graduate students and faculty. Prospective members must have shown noteworthy achievement as original investigators in the pure or applied science fields. Exceptionally brilliant and promising undergraduate and graduate students may be elected to associate membership.

Tau Beta Pi, national honor society for engineering students. The top one-eighth of the junior engineering class and the top one-fifth of the senior engineering class, scholastically ranked, may be elected. Elections are held in the fall and winter quarters. The organization conducts programs and projects of benefit to students and the University.

Torchbearers epitomize the finest qualities of The University of Tennessee student. Each year the seniors who have contributed the most to the University during their college careers are selected as Torchbearers. Selection is based on scholarship, activities, character, and service.

Torchbearers are held in the fall and winter quarters. The organization conducts programs and projects of benefit to students and the University.

Student Affairs and Services

Office of the Vice Chancellor for Student Affairs

The Vice Chancellor for Student Affairs coordinates the various offices and departments of the University which offer assistance to students in their education and life beyond the classroom.

Office of Career Planning and Placement Service

This service is engaged in two major activities. The services of the Career Planning Resource Center at Alumni Hall, consists of workshops, individual advising, and a reference library which are available to students, alumni, and prospective students.

Workshop activities are designed to help individuals with choosing a major or a career, developing skills in interviewing, job seeking and writing a resume. Certain workshops can be taken for academic credit. Individual career advising is also available from the counselors in the Center.

The Career Planning and Resource Center includes a special comprehensive library of printed and audiovisual materials related to current occupational and employer information, including current job listings, job seeking strategies and techniques.

The Placement Service offers students the following services: on-campus interviews with local, regional and national employers; weekly job listing bulletin, employer literature, job counseling and employer information; "Career Days" for employer exploration and identification; a credential file containing references, grades, and a data card which can be copied and mailed to employers; resume and data card mailings to employers.

For information regarding career planning and resources, call 574-2476. The Placement Office number is 974-5435.

Office of the Dean of Admissions and Records

All matters relating to undergraduate admission to the University and to credit for work at other colleges and universities are administered by the Dean of Admissions and Records.1 All credit, applications for admission, and inquiries about admissions should be addressed to the Director of Admissions, The University of Tennessee, Knoxville, Tennessee 37996.

Student Financial Aid is also administered under the direction of this office. Information on available financial aid may be obtained by writing the Director of Financial Aid, 115 Student Services Building, The University of Tennessee, Knoxville, Tennessee 37996.

In addition to undergraduate admissions, this office has general administrative responsibilities for academic retention and readmission activities, maintenance of student academic records, certification of completion of requirements for undergraduate degrees, registration procedures, and eligibility for athletic participation. This office also administers relations between students and the Social Security Administration and Veterans' Administration.

Handicapped students may receive special assistance in registering and arrangement of schedules through this office.

Office of the Dean of Special Student Services

This office coordinates those programs designed to assist students with educational and physical handicaps. In addition, it is responsible for the operation of the lack Cultural Center and the general advisement of minority students. The office also works with academic units in the planning of special programs and services for minority and handicapped students.

Included in this area of operation are the Office of Handicapped Student Services, the Educational Assistance Program, and the Black Cultural Center.

Office of Handicapped Student Services

The Office of Handicapped Student Services provides counseling and academic support services to insure that handicapped students have access to educational opportunities provided at The University of Tennessee. Any

1These regulations do not apply to the College of Law or to the divisions in UT Center for the Health Sciences. For the Law College requirements, see Law College section; for others, see appropriate catalog.
student having a disability which restricts his/her participation in academic life is eligible for services. Services provided include personal and career counseling, interpreters, and other referrals. Other services designed to meet the student's individual needs. Assistance is available for making special classroom arrangements. Information regarding transportation and housing is provided. The office serves in a liaison role regarding transportation and housing is provided. The office serves in a liaison capacity with the Tennessee Division of Vocational Rehabilitation. Registration and other forms of administrative assistance and academic support are provided through the Office of the Dean of Admissions and Records.

Participation in the services program is on a voluntary basis; confidentiality is maintained. Students desiring any services are encouraged to contact the Office of Handicapped Student Services so that any necessary arrangements can be made. The office is located at 900 Volunteer Boulevard. Phone number: 974-6087.

The Educational Assistance Program

The Educational Assistance Program (EAP) is a federally funded project (Special Services for Disadvantaged Students) designed to help freshman and sophomore students who may, because of previous academic weaknesses or disadvantages, have difficulty in achieving academic success during their initial University experience. Administratively, the program offers specially designed courses in mathematics, biology, English, and educational psychology. The courses function in such a manner that each student receives individual help and is given every opportunity for success. The opportunities include small classes, the availability of the professor for individual help, special help sessions, individual and small-group tutors, self-paced courses, individual academic advising, each quarter, and both academic and personal counseling services. In addition, the EAP staff attempts to serve as the liaison for students in any area of University experience in which the student needs help. The offices of the program are located on the ground floor of the Student Counseling Center at 900 Volunteer Boulevard. Phone number: 974-6087.

Black Cultural Center

The Center represents one effort by the University to promote awareness of the nature of the Black experience and the contribution of Black America to the national past. The Center seeks to fulfill this role through a variety of programs and occasions. Typical of its cross-campus work is sponsorship of Black History Week and the Black Arts Festival. Located in the Student Union across the street from the University Center, the Center exhibits related to Afro-American past, small group lectures, group study sessions, and a tutorial program aimed especially at minority students are a few of the ongoing activities.

The Center is located at 812 Volunteer Boulevard. All members of the University community are invited to visit this location and utilize the opportunities provided by the Center for increased knowledge about the Black experience.

Office of the Dean of Student Activities

The Office of the Dean of Student Activities, 413 Student Services Building, Circle Park Drive, coordinates all student activities and services. Its area of operation encompasses the University Center, the Student Aquatic Center and Recreational Facilities, Student Publications, and all other extracurricular activities of University students.

Office of the Dean of Student Conduct and Orientation

Student Orientation Office. This office is dedicated to helping the new student adjust to the university setting, concerning itself with general, personal, and scholastic difficulties of the student during the first year of enrollment on the Knoxville campus. The office is responsible for the summer orientation program, specifically designed for the fall-quarter new student, as well as orientation programs for freshman and transfer students presented prior to the beginning of each quarter.

Student Conduct Office. This office is concerned with the individual rights and responsibilities of students. The personnel of this office serve as advisors to the student judicial system and, when necessary, initiate appropriate discipline proceedings.

Office of International Student Affairs

This office assists students from other countries with the many matters which are of particular concern to them during their stay in the United States. It also serves as the official University contact for all matters involving immigration authorities, international educational organizations, and foreign governments.

The office maintains the overseas students' official records and provides a liaison with the teaching faculty. It coordinates such projects as a community volunteer program and activities for foreign student spouses. To help the overseas student adjust to American life, its professional staff serves as ex-officio advisers on personal and academic matters.

Special orientation programs are held at the beginning of each term and foreign students admitted to the University are notified in advance and are urged to arrive in time to attend them.

Non-U.S. students who are applying for graduate admission should write to: The Vice Chancellor for Graduate Studies and Research, The University of Tennessee, Knoxville, Tennessee 37996, U.S.A. Persons seeking undergraduate admission should apply to: Director of Admissions, The University of Tennessee, Knoxville, Tennessee 37996, U.S.A. Other specific inquiries or requests for more detailed information may be directed to: Office of International Student Affairs, 201 Alumni Hall, The University of Tennessee, Knoxville, Tennessee 37996, U.S.A.

UNIVERSITY INTERNATIONAL HOUSE

The "International House" is located directly across from the Student Union in the heart of the campus. It is provided by the University and operated by the Office of International Student Affairs as a facility where domestic and foreign students can come together to relax and discuss matters of mutual interest.

International student programs and activities are planned and held at the International House. Students representing various national student groups and accociations, along with interested domestic students, staff, and faculty, participate in these activities which are held throughout the year.

University Center

Playing a unique role in the University community, the Carolyn P. Brown Memorial University Center is a central gathering place for students, faculty, and staff as well as campus visitors. A variety of activities and facilities is available in the Center. The lower level, called "Kanada," houses automatic bowling lanes, billiard tables, dark room facilities, an arts and crafts area, and a table-games lounge. These facilities are among the best in the nation for student recreational pursuits.

The expansive food service on the ground level provides the finest food available. The entrance of the University Center, the large, modern, two-level bookstore is on Stadium Drive. Such facilities as the central ticket office, checking cashing center, and the post office are conveniently located on the ground floor.

The second floor is the student program area. An auditorium with 575 seats, a 150-seat seminar room, a music listening room, and four public lounges supplement the large banquet room, and meeting space available for any type of campus event. Large banquet, dances, and receptions are planned and serviced in the expansive area.

Administrative offices for the building, student programs and organizations, and additional dining facilities are located on the third floor.

The meeting rooms and services of the Center are available to all approved student groups. Requests for usage are completed with the Reservations Office.

THE UNIVERSITY BOOK AND SUPPLY STORES

The main store, at the Stadium Drive entrance of the University Center, is the official store for the University. A tobacco and sundries shop at the Stadium Drive entrance is open 10 hours daily.

Used and new textbooks are bought and sold on the lower level of the two-level store. In addition to textbooks, a 110,000 paperback store selection, technical and reference books, and numerous study aids are available on this floor. The first floor offers a complete stock of engineering, art and school supplies, records, tapes, art prints, posters, and other items for student needs.

Small branch stores are located in Hess Hall, Presidential Court, and Andy Holt Apartments. These stores are open 6 days a week for the student's convenience. Students benefit indirectly from their patronage of the University Book and Supply Stores since all profits are used to help support the operations and activities of the University Center and Aquatic Center. The main store is the only location on campus where students may cash personal checks.

Office of Recreation

"Fun for Everyone" is the motto of the Office of Recreation; the primary objective is to serve students by offering many activities for their leisure time. Students are encouraged to take maximum advantage of both the program and the facilities.

STUDENT AQUATIC CENTER

The Student Aquatic Center Recreation Complex affords year-round recreation for all
students. Outdoor facilities include an Olympic-size swimming pool with a diving well having two one-meter and two three-meter diving boards, and an Olympic diving tower with five, seven and one-half, and ten meter platforms; three large areas with grass carpeting and outdoor furniture for sun bathing; teetball courts; paddleball/handball courts; football and softball fields; parallel and horizontal bars; volleyball and shuffleboard courts; soccer field; 440-yard Tartan track; and a nine-hole putting green. Sports equipment for these facilities is available at no charge to the student.

Indoor facilities include an Olympic-size pool with a water polo court and a diving well with one five-meter tower, one four one-half, and three three-meter diving boards. A weight room equipped with a weight machine and stall bars is available. An exercise area in the women's locker room is equipped with exercise machines. Sun lamps and sauna baths are available. Ping pong and billiard tables (slight charge for billiards) are located in the upper lobby along with a TV viewing area.

All facilities of the Student Aquatic Center except swimming are available from 8 a.m. to 9 p.m. Monday through Friday, 8 a.m. to 6 p.m. Saturday, and 12 noon to 6 p.m. on Sunday. The pool is open Monday through Friday 12-9 p.m.; Saturday 12-6 p.m.; Sunday 1-6 p.m.

Facilities of the Student Aquatic Center are available to students upon presentation of their ID card. Faculty and staff may purchase individual or family memberships for a nominal fee.

UT organizations may rent the Student Aquatic Center for swim parties and dances. Non-recreational activities are held during each quarter for the students' enjoyment.

STUDENT INTRAMURAL PROGRAM

The Student Intramural Program is designed for maximum student participation and provides for extensive student involvement in the actual administration and supervision of the entire activity.

The primary basis of competition is league play in which teams participate for the fun of the game. In addition, there are division tournaments among the league champions to determine Division Champions for Residence Halls, Fraternities, Sororities, and Independents. These Division Champions then compete for the All University Championship.

The league activities include basketball, bowling, football, golf, paddleball, racquetball, softball. swimming and diving, tennis, track and field, track relays, tug of war, turkey trot, volleyball, and water polo.

In addition to the team sports competition, open tournaments are held in individual and dual sports. In some cases individuals have the option of choosing a class of competition that best characterizes their type of play. Activities are basketball (free throw, one-on-one, three-on-three, super-shot), billiards, croquet, frisbee, golf, handball, paddleball, racquetball, skateboarding, squash, table tennis, tennis, and wrestling.

CO-RECREATION INTRAMURALS

The Intramural Office also offers co-recreational activities. All students, faculty and staff, and their non-student wives, husbands, or friends are eligible to participate. The Co-Rec activities are organized as an informal fun program, using modified rules so that men and women can participate on an equal basis. The activities are badminton, basketball, football, golf, paddleball, racquetball, softball, table tennis, tennis, volleyball, and water polo.

INTRAMURALS FOR FACULTY AND STAFF

The Intramural Program for Faculty and Staff is designed to provide a wide range of activities for all members of the University community. Activities are organized for both teams and individual participants. Events include badminton, basketball, billiards, football, golf, handball, paddleball, racquetball, softball, squash, table tennis, tennis, turkey trot, and volleyball.

SPORTS CLUBS

Sports Clubs are organized when students express an interest in a certain activity or because of anticipated needs. The Sports Club Office will assist any student wishing to organize any type of sports club.

The Sports Club Office is located in the Student Aquatic Center, Room 202. The clubs are archery, badminton, baseball, bicycling, bowling, equestrian, fencing, field hockey, flying, floor hockey, frisbee, gymnastics, handball, ice hockey, ice skating, jogging, judo, karate, lacrosse, racquetball, rugby, running, sailing, scuba, skateboarding, snow ski, soccer, sports cars, synchronized swim, table tennis, trap & skeet, volleyball, water ski, weightlifting, and women's rugby.

FREE PLAY

All recreation areas, Alumni Memorial Gym, and the Physical Education Building are open to students for free play when the areas are not otherwise scheduled. One or both of these facilities is open seven days a week during the school year to offer students an opportunity for physical exercise in their leisure time. Students may check out necessary equipment at each facility upon presentation of their student identification cards. Guest passes are available in the Sports Club Office.

Free recreation facilities are for the enjoyment of students, faculty, and staff of The University of Tennessee, Knoxville.

Aquatics

The aquatic facilities are designed for year-round entertainment for those who wish to participate in free swimming and diving in one of the most outstanding physical complexes in the United States. The Aquatic Center has indoor and outdoor Olympic-size pools where one can enjoy the fellowship and relaxation that comes with aquatic sports. The pool is open Monday through Friday from 12 to 7 p.m., Saturday from 12 to 6 p.m., and Sunday from 1 to 6 p.m. Students and members can also enjoy the sun lamps and relaxed atmosphere found at poolside.

National, regional, and state aquatic events have been held in these facilities during the past 10 years. UT's aquatic program is designed to meet the needs of all students who want to participate in aquatic skilled activities at no extra expense. The programs are informally organized at convenient hours after the school day is completed. These programs vary and provide for a more wholesome and dynamic future.

The Student Activities Office

The University

Student Activities Office

An extensive program of extracurricular activities is available at The University of Tennessee, Knoxville, with over 200 student organizations currently functioning. Students
have the opportunity to initiate and develop special interests, plan and administer all-campus programs, participate in governance organizations, and augment the academic offering by the classroom. In addition, students may participate in departmental clubs and scholastic and professional honorary organizations. The agency charged with the development and administration of the extracurricular program is the Student Activities Office located in the Student Services Building.

WOMEN'S CENTER
The Women's Center is the coordinating unit for women's programs on the Knoxville Campus. It functions as a resource center for all University departments and organizations in the areas of women's programs and activities. The Center's primary objectives are the development of programs for women, the collection of media resources about women, and comprehensive information exchange service regarding women's activities throughout the campus. The Women's Center is located in 301 University Center.

Intercollegiate Athletics for Women
This department is responsible for the organization and operation of all women's athletic teams at The University of Tennessee, Knoxville. Presently, there are six varsity teams for women—basketball, cross country, swimming/diving, tennis, volleyball, and track and field.

The program is governed by the Association of Intercollegiate Athletics for Women with teams competing in state, regional, and national tournaments sponsored by this organization. Teams abide by all NCAA rules in regard to scholarships, recruiting, safety, and eligibility.

Any full-time female undergraduate student is eligible to try out. Additional information can be obtained by writing to the Director of Women's Athletics, 115 Stokely Athletics Center.

Student Health Service
Health services provided by the University are available to any student who has paid the health fee (either through paying the full University Programs and Services Fee or, if taking fewer than 9 hours, paying the optional health fee). These out-patient services are available continuously throughout every quarter.

The Health Service has a regular staff of primary physicians, nurses, laboratory and x-ray technicians of Tennessee licensure. Out-patient services in the fields of general practice, internal medicine and psychiatry are available on a full-time basis while specialty consultants in dermatology, surgery, and gynecology are available on campus through referral by a staff physician. Care beyond that provided by the regular staff can be arranged for the student if desired. Those students requiring allergy injections may arrange to receive them at the Clinic.

Virtually all medical services at the campus clinic are provided to eligible students at no additional cost while charges are made for some services such as x-rays, lab tests, and injections received through the evening/weekend clinic at The University Of Tennessee Memorial Hospital.

The primary clinic at 1818 Andy Holt Avenue maintains scheduled daytime hours Monday through Friday. Emergency care during evenings and weekends is available through the emergency room Student Health Clinic at The University of Tennessee Memorial Hospital except during the breaks after summer and fall quarters. Ambulance and transportation service for the campus is provided by the Campus Police.

Students requiring hospitalization are generally admitted by an appropriate specialist to The University of Tennessee Memorial Hospital unless other arrangements are desired. Since inpatient care is sometimes necessary, it is important for the student to have hospitalization insurance. Student group health insurance is available and may be purchased during a designated period at the beginning of each quarter.

Health Service personnel will cooperate with students and family physicians in ensuring the continuity of quality health care during the university career.

Student Counseling Services Center
The Student Counseling Services Center provides services designed to help students with educational, vocational, personal, and social problems. Professional counselors work with students in a setting that allows confidential discussion of the student's concerns. The student may concentrate on a specific problem or may work on the general adjustment to academic life. Various groups are employed to meet the developmental needs of the student. These group settings provide the opportunity to share and learn from others and/or improve specific skills. Psychological tests may be used for self-evaluation. Also, an information library is maintained.

The Center also works with the faculty and student personnel staff to develop educational programs and projects to meet the needs of various groups at the University. The Withdrawals Office, located in the Center, handles the withdrawals of all students from the University.

All students, student spouses, and to a limited extent, pre-college students are eligible for counseling and services of the Center. Appointments for counseling may be made by phone or in person at the Student Counseling Services Center at 900 Volunteer Boulevard.

Student Rights and Responsibilities
By registering in the University, the student neither loses the rights nor escapes the duties of a citizen. Enjoying greater opportunities than the average citizen, the University student has greater responsibilities. Each student's personal life should be conducted in a context of mutual regard for the rights and privileges of others. It is further expected that students will demonstrate respect for the law and for the necessity of orderly conduct in the affairs of the community.

Students are made for being fully acquainted with the University catalog, handbook, and other regulations relating to students and for complying with them in the interest of an orderly and productive community. The student handbook, Hilltops, is published and distributed annually so that students are aware of the University Standards of Conduct and all disciplinary regulations and procedures.

Since conduct and actions will be measured on an individual standard, students should understand that they assume full responsibility for the consequences of their actions and behavior. The academic community will be judged in large measure by the actions of its members. Therefore, it is incumbent upon students to include the implications for their community in their criteria for determining appropriate behavior.

Failure or refusal to comply with the rules and policies established by the University may subject the offender to disciplinary action up to and including suspension from the the University.

Religious Resources
The University, established by a government that recognizes no distinction among religious beliefs, seeks to promote no creed nor to exclude any. However, it will always be diligent in promoting the religious spirit and life of its students.

CHURCH CENTERS
Church centers are maintained on or adjacent to the campus for University students. These are the Baptist Student Center, John XXIII Catholic Center, Presbyterian Student Center, Tyson House (Episcopal), Lutheran Student Center, Wesley Foundation (Methodist), Hillel Foundation, Christian Student Center, and Christian Student Fellowship.

Student Organizations
On the University campus there is a large number of student chapters of professional organizations, special interest clubs, and other extracurricular organizations. These organizations and clubs provide broad opportunities for student participation.

A full listing of all student organizations on the campus will be found in Hilltops. All of these clubs and organizations are under the general supervision of the Student Activities Office.

Social Fraternities and Sororities
The University has chapters of 26 national social fraternities and 20 national social sororities on its Knoxville campus. Membership in these fraternities and sororities is by invitation only. The Fraternities are:

ACACIA
Alpha Chi Rho
Alpha Phi
Alpha Tau Omega
Chi Phi
Delta Tau Delta
Delta Upsilon
Farmhouse
Kappa Alpha
Kappa Alpha Psi Colony
Kappa Sigma
Lambda Chi Alpha
Omeg Psi Phi Colony
Phi Delta Theta
Phi Gamma Delta
Phi Kappa Psi
Phi Kappa Tau
Other University Services, Organizations, and Cultural Opportunities

Ombudsman Office
Personnel of the Ombudsman Office in the University Center assist students in the resolution of problems encountered with an aspect of the University. The office is open during the regular working day and students are welcome to drop in at their convenience. Problems are treated confidentially and are dealt with expeditiously. This office supplements existing appeals channels and actively seeks better ways for the University to service student needs.

Division of International Education
The Division of International Education, established within the Office of the Vice Chancellor for Academic Affairs, serves as a central point from which the broad range of international and interests throughout the University are strengthened and related to each other. Located in 205 Alumni Hall, the Division of International Education fosters the development, expansion, and continuation of the University's basic commitment to the international dimensions of the education process.

Most UTK study abroad programs are coordinated through the Division, and new programs are planned with its assistance. Individual counseling for students and faculty by a study, work, and travel abroad consultant, is available. A reference library containing information on all aspects of overseas opportunities, a fellowship/scholarship service, free publications, and information on special programs and projects are available in the Division.

The University coordinates the International Student Exchange Program (ISEP) for the UTK campus. Through this experimental federally funded program, a UTK student can study at more than 50 academic institutions abroad for not much more than the cost of spending a year of study at UTK. Additionally, the Division has developed direct exchange linkages with, among others, Universitet Bonn, the University of Manchester, and International Christian University for identical exchange programs.

A new publication of the Division, supplementing "Fellowships, Scholarships, and Related Opportunities," and "International Experiences: A Planning Guide for UTK Faculty" is "The Directory of UTK Faculty with International Experience and Skills." It lists UTK faculty with recent international experiences and contains information relating to periods abroad such as language skills, project descriptions, and funding obtained.

In addition to the dissemination of information through the University community relative to opportunities for students and faculty to participate in study, research, and other related experiences abroad, the Division supports on-campus international programs, and serves as a major point of contact between the University and other public and private agencies in the U.S.A. and abroad involved in international program development.

Hearing and Speech Services
The Hearing and Speech Center, located at the corner of Yale Avenue and Stadium Drive, offers complete diagnostic and therapeutic services to all University students with hearing and/or speech problems. There is no charge for services to University students.

The Center serves as a community hearing and speech center, providing a preschool for children, aural rehabilitation programs for the hearing handicapped, and speech and language therapy for persons of all ages who have been referred to the Center.

Services to the Physically Disabled
Services relating to academic programs for students with physical disabilities, whether permanent or temporary (due to sickness or accident), are coordinated by the Office of the Dean of Admissions and Records, 305 Student Services Building. In conjunction with the Office of Handicapped Student Services, the Office of Residence Halls, the Physical Plant Office, the U.T. Bookstore, the Student Activities Office, and other academic departments, efforts are made to assure that any student, faculty or staff member, can participate to the fullest extent possible in all University educational programs and activities.

The Office of the Dean of Admissions and Records assists students in the scheduling of special class sections in order to respond to the particular needs of the physically handicapped.

Vehicle Operation and Parking
The University of Tennessee endeavors to provide adequate traffic control and parking facilities for vehicles being operated by students and staff. Student parking areas are located on the perimeter and throughout the Main Campus and Agriculture Campus; and enroute, buses travel by the perimeter areas near Lake Loudoun Blvd. Faculty and staff parking areas are located throughout the campus. See copy of UTK parking map. Each person who operates a motor vehicle in connection with attendance or employment at the University must register that vehicle with the Traffic Section of the Security Department. THERE IS NO CHARGE FOR VEHICLE REGISTRATION; however, a parking permit is required for parking on all University lots, streets, parking structures, or leased lots with the following exceptions:

1. Staff and students with current UTK motor vehicle registration stickers on their vehicles may park in any unreserved staff area (except those around residence halls) between the hours of 10 AM and 7 AM, Monday through Friday, and 12 Noon Saturday to 7 AM Monday; however, general parking is permitted in staff areas around the residence halls from 5 PM to 3 AM. After this time, vehicles without permits for these areas may be towed. This is in effect at all times.

2. Staff and students with current UTK parking permits may park in unreserved staff areas around the academic buildings from 5 PM to 7 AM.

3. Overnight parking is not permitted in the Student Aquatic Center parking area nor in Student Commuter parking areas.

4. At times, certain areas will be reserved for parking for special events, such as athletic events. Parking for these events will be by special parking permit for the specific event.

The University of Tennessee Traffic and Parking Authority determines the traffic and parking policy on the Knoxville Campus. Traffic and parking regulations are published each year, and copies of these regulations are available when students and staff register their vehicles. Additional copies may be obtained from the Traffic Section of the Security Department at 1115 UT Drive or at the Campus Information Center at the entrance to Circle Park.

Cultural Opportunities
Both the University and the surrounding Knoxville area offer varied cultural opportunities. Exhibitions, concerts, festivals, and lectures as well as plays are available during the year.

THEATRE
The UT Theatres, under the aegis of the Department of Speech and Theatre, present several series of plays in three adjoining excellently equipped theatres: The Clarence Brown Theatre (600 seats), Theatre (150 seats), and the Carousel Theatre (400 seats). Productions range from prosenium to full arena, and from the most lavish and
prestigious to the most intimate and experimental. The University Company normally presents five plays per year, the Theatre Students’ Association between eight and ten. Two plays for children are performed yearly for the area schools, and there also quarterly class projects in directing, readers’ theatre, foreign language dramas, etc. The McClung Museum, a professional regional theatre resident on campus, presents four productions yearly, usually from the classical repertory.

All University students are welcome to take part in plays staged in these theatres and to participate in all other aspects of play production.

FRANK H. McCLUNG MUSEUM

Officially dedicated in 1963, the McClung Museum is actively involved in the collecting, preservation, and exhibition of objects in the fields of anthropology, archaeology, fine arts, history and natural history. Temporary and permanent exhibits are presented on these subjects. The Eleanor Desmo Audigier Art Collection exhibition features a selection of originals and copies of art objects from various periods through the turn of the century. The collection was presented to the University by Louis Bailey Audigier in memory of his wife. Archaeological specimens, some as old as 12,000 years, that have been recovered during the University’s extensive excavations in the Tennessee River Valley are included in a major exhibit in the Main Gallery. In the Green Memorial Room are exhibits on the history of Knoxville, the University and East Tennessee. Changing temporary Lobby exhibits and other exhibits in the Museum are installed throughout the year.

ART

Art exhibitions of international, national, regional, and local artists and craftsmen are sponsored on a regular basis by the Department of Art in gallery of the Art and Architecture Building.

Arrowmont School of Arts and Crafts, Gatlinburg, Tennessee, displays works by faculty and students during the summer months.

Christmas Art Sale is an annual event sponsored by the Department of Art and held in the Art Gallery of the Museum in early December. Student, faculty, and regional artists display modestly priced works for purchase in time for Christmas. Numerous art exhibitions are scheduled in the Art Gallery throughout the year.

Ralph E. Dunford Art Collection and the Marian G. Heard Crafts Collection are housed and exhibited in the University Center. These collections are supplemented each year with purchases made possible through student programs. Acquisitions of quality works by area artists are emphasized by the selection committee.

MUSIC

The Choral Groups consist of concert choir, university chorus, chamber singers, and UT Singers. These choirs are open to all students by audition, except university chorus which does not require auditions.

UT Singers is a part of the University’s “Good Will Ambassadors.” Among the many projects of this group are the annual statewide tour each spring and tours abroad on alternate years.

UT Opera Workshop presents three performances yearly. The varied program of operatic music ranges from one-act to complete three-act operas with symphonic accompaniment, and from television opera to selected scenes from the classical repertory.

UT Symphony Orchestra plays several concerts on campus yearly as well as serving as orchestra for opera and choral productions.

UT Bands, a non-concert band, celebrated as “The Pride of the Southland” presents outstanding entertainment on football Saturdays at both home and out-of-town games.

During winter and spring quarters, the band is divided into two concert groups which tour the South: a variety pep band that performs at basketball games, and the laboratory group which provides valuable training for its members.

Requests for information on scholarships and memberships should be sent to the Director, Pride of the Southland Band.

Fine Arts Presentations, scheduled under the auspices of the Department of Music, consist of a series of Faculty Recitals which feature vocal and instrumental music. Student Recitals presented by upperclass and graduate members of the music department in partial fulfillment of degree requirements, and concerts by the Bands, Symphony Orchestra, Jazz Ensemble, Percussion Ensemble, and small ensembles.

Scottish Rite Masonic Chair of Choral Art brings to the Knoxville area a distinguished conductor and/or composer in the field of choral art who serves as guest lecturer at the University workshops.

The Grace Moore Collection. After the death of opera star Grace Moore, a native of East Tennessee, her family donated to the University a large collection of memorabilia which is viewed by appointment at the Frank H. McClung Museum.

CONCERTS

There are two committees on campus charged with the responsibility of providing the University community with the finest names in popular and cultural programs.

Campus Entertainment Board. This student and staff committee has the exclusive responsibility to sponsor popular entertainment on campus through a major concert series, a mini-concert series, and the much smaller Guest Artist series.

Cultural Attractions Committee. A student, faculty, and staff committee, this group is responsible for the presentation of programs in the arts to include dance, music, and theatrical production.

LECTURES

Each quarter the issues Committee presents programs around a current theme. The programs are centered around speakers who are considered experts and represent diverse points of view on the designated topic.

BROADCASTING

WUOT, operating on 91.9 mhz. from Knoxville and WUTC, operating on 88.1 mhz. from Chattanooga, serve the public radio needs and interests of people in East Tennessee with cultural, informational, and educational programs. WUOT broadcasts in stereo with 100,000 watts power and WUTC broadcasts with 50,000 watts power. The stations are on the air 24 hours each day with a classical, fine arts format designed to enrich and improve the quality of life for those within reception range. Programming includes classical, folk, and jazz music; news and public affairs; drama; documentaries; discussion and exposition of current events; and other programs of social significance.

WUOT is a charter member of National Public Radio and the Southern Educational Communication Association radio division. WUTC is an associate member of both organizations. WUOT meets the Corporation for Public Broadcasting criteria for full service operation as a public radio station; WUTC is in process of meeting the criteria.

Annual Faculty Phi Kappa Phi Lectures

Athletics

The University of Tennessee, Knoxville, encourages athletics as a part of its educational program. Men’s intercollegiate sports are directed by the Department of Intercollegiate Athletics. George R. Woodruff, Director. Women’s intercollegiate sports are administered through the Division of Student Affairs and are under the direction of the Department of Intercollegiate Athletics for Women, Gloria Ray, Director.

There are men’s teams in football, basketball, cross country, indoor and outdoor track and field, baseball, swimming, wrestling, tennis, and golf. Intercollegiate games are played according to the rules of the National Collegiate Athletic Association (NCAA) and the Southeastern Conference (SEC). Eligibility for participation is determined by the NCAA, SEC, and the University faculty.

There are women’s teams in basketball, swimming, tennis, volleyball, cross country, and indoor and outdoor track and field. Intercollegiate varsity games are played according to the rules of the Association of Intercollegiate Athletics for Women (IAAW) and the NCAA. Eligibility for participation is determined by IAAW, NCAA, and the University faculty.

A varied intramural and sports club program is provided for all students. These programs are directed by the Athletics Department and are housed at the Student Aquatic Center.

NEYLAND STADIUM

Neyland Stadium, the University’s football stadium, was named in memory of the late General Robert R. Neyland, longtime football coach and athletics director. Shields-Watkins Field, the football field, is named in honor of...
